## Founder President of JSS Mahavidyapeetha

### **His Holiness Jagadguru Dr.Sri Shivarathri Rajendra Mahaswamiji**

His Holiness Jagadguru Dr. Sri Shivarathri Rajendra Mahaswamiji, the 23<sup>rd</sup> Pontiff of Sri Jagadguru Veerasimhasana Mahasamsthana Math, known as Sri Suttur Math, inherited the legacy of the 10 century old Sri mathata nearly age.He was born in1916 and as cended the Peetha in 1928 when he

Was hardly twelve. He shared the responsibilities with his senior, Jagadguru Pattada Shivarathri Mahaswamigalu. Ever since he had been at the helm of affairs of the Math for more than half acentury. Every step he took forward was insearchof new areas of service.

He was a patron of arts and literature and a scholar in Kannada and Sanskrit. He sacrificed his educational career to provide succor to the helpless poor. The burning desire to assuage the educational needs of hundreds rural children, he started the first free hostel at Mysore in 1941. Thus began his journey of socio- economic transformation of the region with the establishment of Schools, Colleges and Sanskrit Patashalas in and around Mysore. A single minded dedication to a task aimed at the welfare of all alonegoaded him to trudge a path of sacrifice. The incredible divine grace coupled with intense and sustained focus result ed in materialisation of his great dreams of establishing free schools and hostels, professional colleges, centres of art, music, and literature etc.,.Jagadguru Dr. Sri Shivarathri Rajendra Swamiji had a strong vision of starting educational institutions in rural areas considering the hardship of students coming to cities seeking education. In order to make this possible, he started the Jagadguru Sri Shivarathreshwara Mahavidyapeetha in 1954; later it was registered under the Societies' Registration Act in 1962. Under the untiring efforts of Dr. Sri Shivarathri Rajendra Mahaswamiji, the Vidyapeetha has witnessed enormous growth in the field of education. Thousands of children, men and women found solace under his boundless compassion.

Though the earthly sojourn of His Holiness came to end in 1986, his indomitable spirit lingers through over 350 institutions across the continents. The centenary birth anniversary of Jagadguru Dr. Shivarathri Rajendra Mahaswamiji was celebrated in 2015 by the devotees all over the world as a token of expressing the respect and gratitude to the ever-loving spirit of this Noble Saint and by following his principle of 'work is worship'.

### **His Holiness Jagadguru Sri Shivarathri Deshikendra Mahaswamiji**

His Holiness Jagadguru Sri Shivarathri Deshikendra Mahaswamiji, the present pontiff and the 24<sup>th</sup> Peethadhyaksha of Sri Jagadguru Veerasimhasana Suttur Math, assumed the Peetha in 1986 at the young age of 29 years. He had his spiritual training under the guidance of his illustrious predecessor His Holiness Jagadguru Dr Sri Shivarathri Rajendra Mahaswamiji the founder president of the JSS Mahavidyapeetha, an educational and cultural organization dedicated to the ideal of providing education to the villages of Karnataka.

His Holiness Jagadguru Sri Shivarathri Deshikendra Mahaswamiji, the Honourable Chancellor of JSS Academy of Higher Education & Research - a visionary, endeavoured not only to cross the Vindhyas and establish engineering colleges, schools, etc at NOIDA (UP) and the JSS Spiritual and Cultural Centre at New Delhi but also travelled beyond the shores of the country and established the presence of the Math in USA, Mauritius and Dubai. His efforts to reach out to the core of the problems that challenge our society be it literacy, health care, employment or building values amongst the society is lauded and recognised by one and all. It is His Vision that has taken the Deemed University to achieve significant milestones in a short span of ten years and be recognised as one of the most progressive universities in the field of Health Sciences.

## About JSS Mahavidyapeetha

The origin of JSS Mahavidyapeetha (JSSMVP), a formidable educational movement, can be traced to the establishment of a small hostel in 1928 to cater to the accommodation needs of students pursuing higher studies in Mysore. His Holiness Jagadguru Dr. Sri Shivarathri Rajendra Mahaswamiji established the Jagadguru Sri Shivarathreshwara Mahavidyapeetha (JSSMVP) in 1954 and it was registered under the Societies' Registration Act 1960. Focusing on a purpose as expansive and yet as specific as improving quality of life through Human Development, the JSS Mahavidyapeetha has grown from strength to strength. A long and healthy life, Education for all and a decent standard of living, the indicators of Human development, have been the underlying philosophy of Jagadguru Sri Veerasimhasana Mahasamsthana Math, Suttur Sri kshethra, for centuries. This is also the philosophy for which the Mahavidyapeetha today stands for. Under the untiring efforts of Jagadguru Dr. Sri Shivarathri Rajendra Mahaswamiji, the Mahavidyapeetha has witnessed enormous growth in the field of education and today has over 300 institutions under its fold, from kindergartens to post graduate centres and post doctoral research catering to the educational needs of more than 1,00,000 students.

The Mahavidyapeetha continues to play an important role in expanding the scope of its activities to several branches of knowledge, welfare and culture. Its educational efforts span crèches for toddlers of working rural women, schools to impart primary and secondary education in both Kannada and English medium, Colleges, Polytechnics, Technical, Medicine, etc. For realizing its mission, it has equipped itself with an extensive infrastructure and an army of dedicated and highly qualified human resource. These institutions, located in strategic areas, serve a broad spectrum of society, from virtually remote tribal villages to metropolitan cities such as Bengaluru, Noida, New Delhi, Ooty, and Coimbatore, besides their presence in United States, Mauritius and Dubai.

Apart from formal education, the initiatives stretch to integrated rural development through training and empowering of rural folk, reaching out healthcare to people through modern and traditional Indian systems of medicine, patronizing literary activities, visual arts, performing arts, restoration of temples and historical monuments.

## About JSS Academy of Technical Education, Bengaluru

**JSS Academy of Technical Education (JSSATE)** was established in the year 1997 at Bangalore and is under the umbrella of JSS Mahavidyapeetha, Mysore. JSSATE is the result of the vision of our President, His Holiness Jagadguru Sri Shivarathri Deshikendra Mahaswamiji to proactively participate in establishing a world class Institution for Technical Education. The Campus is located on a sprawling 21.17 acres 'land surrounded by lush green plantation on the South-Western edge of Bengaluru City. The institution is affiliated to Visvesvaraya Technological University (VTU), Belgaum, India.

At present JSSATE, Bengaluru has eight Under Graduate and two Post Graduate programs in Engineering along with an Under Graduate program in BSc. (Hons) and post Graduate program in Business Administration. All the Departments have been recognized as "research Centres" from VTU, Belagavi. The total strength of students is more than 3000.

JSSATE, Bengaluru has an excellent infrastructure with the state-of-the art equipment and machinery as laboratory facilities. The Institution has spacious classrooms and the laboratories. The whole building is networked and has centralized browsing facility with 500 Mbps dedicated internet facility. The entire college has Wi-Fi facility.

The Institute has highly qualified faculty. The Institute has initiated a number of multidisciplinary and multi-institutional R&D programs with AICTE, DST and other Departments. Under the R & D activity, the Institute has taken up the design and fabrication of bio-diesel plant in collaboration with an industry and it is sponsored by Department of Science & Technology (DST), Government of India. This was recognized as one of the best-completed projects and same is being replicated in different states.

The Institute has a centralized library with open access facility for students. The Institute Digital library has online access to international journals. Book bank facility is available for students.

## Vision of the Institute

To be among the finest Institutions providing Engineering and Management Education empowered with research, innovation and entrepreneurship.

## Mission of the Institute

- Strive towards Excellence in teaching–learning process and nurture personality development.
- Encourage Research, Innovation & Entrepreneurship.
- Train to uphold highest ethical standards in all activities.

## Quality Policy

- Achieve Excellence in Technical Education, Research and Consultancy through an Outcome Based Education
- Focus on Continuous Improvement and Innovation by Benchmarking Against the Global Best Practices.

## Statutory Approvals & Recognitions

- **Accreditation**

The following Departments are accredited by National Board of Accreditation, New Delhi, for the period of three years from with effect from 01.07.2020 till 30.06.2023

Sl. No	Program
1	Computer Science and Engineering
2	Information Science and Engineering
3	Electronics and Communication Engineering
4	Mechanical Engineering
5	Civil Engineering

- **Ratings**

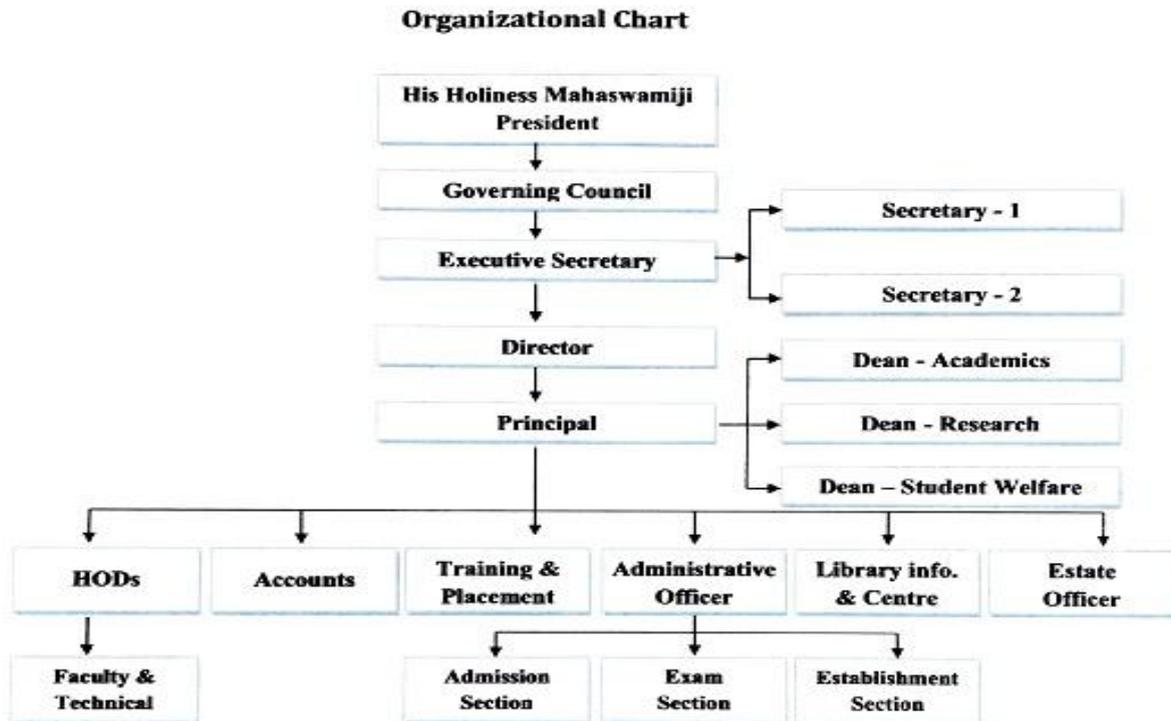

Academy of Technical Education, Bengaluru, has been assessed on QS IGAU GEMethodology 1.2/1.3 by QS I GAUGE rating system.

## NIRFRanking

The National Institutional Ranking Framework (NIRF) has ranked the institution in the 251-300 band among engineering colleges in 2020.

## Organizational Structure

## MESSAGE FROM PRINCIPAL

Greetings from and welcome to JSS Academy of Technical Education (JSSATE), Bengaluru, a lush green and oxygen rich campus, known for its educational services in engineering and management domains inside and outside the state of Karnataka. The Institute is run by a spiritual trust, JSS Mahavidyapeetha, Mysuru, which emphasizes the incorporation of culture, values and ethics in our teaching-learning system. We all are aware that the education system in the country is undergoing a transformation with the Government of India introducing the New National Educational Policy (NEP) – 2020. Higher education is not an exception. At JSSATE, Bengaluru, we take care of incorporating the objectives set by the government and the affiliating university in the curriculum. In fact, we design contents beyond curriculum to fulfil the objectives of 'outcome-based education'. The focus in OBE is that the students learn not the teachers teach. An outcome is attached and is accomplished for every learning activity a student takes up during the journey of his/her education. At JSSATE, it is ensured that the real learning outcomes of students are measured in an objective manner, mainly to ensure that our higher education system is more accountable and quality-oriented. The Choice Based Credit System (CBCS) adds a new dimension to the academics for the students. The students can take up the courses across the disciplines and develop on their credits. Looking into present Global Scenario, engineering students should have knowledge of the subjects from other disciplines and some advanced subjects of their respective domain in which they are perusing the degree. At JSSATE, Bengaluru, students are encouraged to pursue courses from online platforms such as NPTEL, SWAYAM, Coursera, etc. to earn more credits over and above stipulated by the affiliating university. With these additional credits and a defined benchmark in the results of every semester, a student can earn B.E (Honours) degree from the affiliating university, VTU. JSSATE, Bengaluru fosters the extracurricular skills among students through various activities of students' clubs (Tachyon Motorsport), student chapters of professional societies (CSI, IEEE, IIF, SAE, ACC, etc.), project exhibitions, hackathons, NSS activities, sports and cultural activities. The management is always supportive in extending the financial assistance to the students who are keen in developing innovative ideas. The industry-institute-interaction is being accomplished through MoUs with reputed industries. At present, the institute has more than 50 MoUs with manufacturing, construction and IT related companies that support the students and faculty members with industry visits, stipend-paid internships, projects, consultancy work, invited talks, partial delivery of the curriculum, etc. You will find JSSATE Bengaluru as one of the best destinations for your engineering or management education.

## MESSAGE FROM DEAN ACADEMICS

The Institution shares the passion and commitment to Education and prepare students to become strong graduates and leaders. The Institute strive hard and bring constructive changes to the traditional curriculum and stimulating learning environment. All the departments deliver the curriculum as per the need of Industries and follow interactive teaching-learning methods by introducing innovative evaluation and assessment methods to ensure great learning.

## MESSAGE FROM DEAN RESEARCH

Our primary role is to connect with the external world and promote research through high-quality publications, project funding, and consulting services. JSSATE motivates faculty and students to converge and share ideas and experiences. Additionally, all the branches can focus on improving research integrity and culture to contribute to the most suitable practices and their impact.

## MESSAGE FROM DEAN STUDENT WELFARE

A dean of student's welfare also known as dean of student affairs responds to students' needs at the college and plans programs for students in the campus. Dean of students work primarily with non-academic issues, plans and coordinates various college activities related to students in the campus. The Office of the Dean Students welfare provides a framework within which students can explore the various freedoms available to them during their presence in the college. It serves as a liaison between college administrators, faculty and student representatives.

## NPTEL

- JSSATEB is recognized as the Local Chapter by SWAYAM-NPTEL.

SWAYAM or Study Webs of Active-Learning for Young Aspiring Minds. SWAYAM is a programme initiated by Government of India and designed to achieve the three cardinal principles of Education Policy viz., access, equity and quality. The

Objective of this effort is to take the best teaching learning resources to all, including the most disadvantaged. SWAYAM seeks to bridge the digital divide for students who have hitherto remained untouched by the digital revolution and have not been able to join the mainstream of the knowledge economy. National Programme on Technology Enhanced Learning (NPTEL) is a project of MHRD initiated by seven Indian Institutes of Technology (Bombay, Delhi, Kanpur, Kharagpur, Madras, Guwahati and Roorkee) along with the Indian Institute of Science, Bangalore in 2003, to provide equality education to any one interested in learning.

NPTEL local chapter was started in JSSATE, Bengaluru from 26th December 2016. As a source of information and other than syllabus oriented, around 8GB of previous NPTEL course materials is made available in the Digital Library. These materials are circulated to its users as and when demanded by them. This NPTEL local chapter centre is being coordinated by Dr. Dayananda P, Professor, and Dept. of ISE as SPOC. IITM has declared JSSATEB-NPTEL chapter as one of the active local chapters amongst local chapters of South India.

## Cultural Crew

# VERVE

JSS Academy of Technical Education, Bengaluru has been giving equal importance to both academic and other activities. Institute strongly believe that both curricular, co- curricular and cultural activities are equally important for the overall important for the overall development of students. To encourage the students to participate in different activities, the institution has created a platform called VERVE – a techno cultural fest. Under this platform college organize many technical and cultural activities every year. VERVE has created a brand name in and around Bengaluru and emerged as number one techno cultural fest among the technical institutions in Bengaluru.

## VERVE-2024

**Ph.D awardees list during felicitation.**

## Social Outreach Program

### National Service Scheme (NSS)

The National Service Scheme (NSS) is an Indian government-sponsored public service program conducted by the Department of Youth Affairs and Sports of the Government of India. Popularly known as NSS, the scheme was launched in Gandhiji's Centenary year, 1969. NSS (National Service Scheme) activity is one of the primary activities for social services and learning importance at the very young stage while students are graduating.

NSS unit in JSS Academy of Technical Education, Bengaluru is active since the inception of this institution. NSS unit of JSSATEB has conducted many social services namely Swachh Bharath Abhiyan, Blood Donation Camp, Preparation and Plantation of seed-balls, Special camp, Health check-up camp and Walkathon to raise awareness about drugs etc.

The National Service Scheme and Centre for Interdisciplinary Research from JSS Academy of Technical Education, Bengaluru organized Sasyotsava 2023 (Plantathon), a social outreach program towards restoration of forest on 14th April, 2023 in association with SPR Nisarga, Bharat Petroleum Corporation Limited (BPCL) and Forest, Ecology and Environment Department, Government of Karnataka at Savandurga State Forest, Ramanagara District.

The NSS unit and department of Civil Engineering from JSSATE, Bengaluru conducted a survey of Bio-Park in Bengaluru University, Jnana Bharathi, Bengaluru from 18th to 19th of April 2023 in association with Yuvaka Sanga, Jayanagar, Bengaluru. Dr. Girish N, NSS Programme Officer and Dr. Santhosh B S did a field visit on 17th of April 2023. Six volunteers, Mr. Jhenkar S K, Foreman and Mr. Mahesha, Instructor of JSSATEB conducted the survey at Biopark, Bengaluru University from 18th to 19th April 2023. The objective of the study was to identify suitable locations for rainwater recharge pits using total station survey and contour mapping techniques.

All the volunteers followed the cleanliness pledge along with the NSS Programme Officer. "I take this pledge that I will remain committed towards cleanliness and devote time for this. I will devote 100 hours per year, two hours per week, to work for cleanliness voluntarily. I will neither litter nor let others litter. I will initiate the quest for cleanliness with myself, my family, my locality, my village and my work place." Volunteers are made into five groups and assigned different locations on campus. Students participated enthusiastically in the campus cleaning drive and most of the campus is cleaned

The NSS unit of JSS Academy of Technical Education, Bengaluru organized an intercollegiate Poster Making Competition for 2nd PUC Science, Diploma, and degree students of all streams from 29th May to 5th June 2023 on the occasion of “World Environment Day”.

**Poster Created By Biswajit Debnath,  
Dynamic College of Fine Arts, Sodhpur**

The poster of the competition was designed and floated in social media, and WhatsApp groups on 29th May 2023. The competition attracted 98 students from different disciplines and geographical areas. Ms. Nandini Suresh, Sri Kumarn’s Public School, Mallasandra, Bengaluru judged the winners of the competition, and the winners were announced on 20th June 2023.

**Poster created by Adarsh Dubey**

On the occasion of India being the president of G20 countries, the NSS Unit of JSSATE, Bengaluru, organized the “Exhibition Competition” on Indian Knowledge System and “Elocution Competition” on the topics Food Security, Clean and Renewable Energy Sources, Education and Skill Development, Global Health on 27th July 2023, at JSSATE, Bengaluru.

**Participants of G20 Competitions at  
JSSATE, Bengalur**

## UNNAT BHARAT ABHIYAN

The conceptualization of Unnat Bharat Abhiyan (UBA) started with the initiative of a group of dedicated faculty members of Indian Institute of Technology Delhi working for long in the area of rural development and appropriate technology. The concept was nurtured through wide consultation with the actively involved people in rural development viz., representatives of a number of technical institutions, Coordinators of Rural Technology Action

Group, Voluntary organizations and Government agencies, etc. during anational workshop held at IIT Delhi in Sept. 2014. The program was formally launched by the Ministry of Education in presence of The President of India on 11<sup>th</sup> Nov. 2014. People can participate in UBA in any of the capacities such as a prospective Mentoring Institute, a Participating Institute, as a Subject Expert, as a Voluntary Organization, as a Developmental Agency, as a Philanthropist or a CSR Promoter, as NSS Member, As an Enthusiastic Volunteer, etc. based on the present status, competence and interest of the individual. JSSATE, Bengaluru was elected as a Participating Institute from UBA in the academic year 2018-19. JSSATEB has adopted 05 villages under UBA (Bettanapalya, Bheemanakuppe, Maragondanahalli, Ramohalli, Challaghatta).

## YOUTH RED CROSS

Youth Red Cross

The Youth Red Cross (YRC) is a most important constituent of its mother organization Indian Red Cross Society. YRC aim sat inculcating the 7 fundamental principles of the Red Cross movement viz., Humanity, Impartiality, Neutrality, Independence, Voluntary Service, Unity and Universality. The Youth Red Cross is organized

With a view to develop and deploy student youth resource for working towards these principles. JSS Academy of Technical Education, Bengaluru has been affiliated to the Youth Red Cross Wing of the Indian Red Cross Society (Karnataka State Branch) Bengaluru in terms of Government of Karnataka, Department of Higher Education. Vide Order No: ED 38 Vividha, 2016 dated: 17/06/2016. The YRC of JSSATEB organized Blood Donation Camps in collaboration with NSS unit of the institution.

## **DATTI AWARDS**

To encourage and support the meritorious and economically weak students, many donors came forward and deposited some corpus amount in JSS Mahavidyapeetha, Mysuru. The interest earned by the deposited amount is being distributed to the students every year.

### **1. Smt. Suvarnamma and Shri ANVishvesvarayya Datti award**

This award was initiated by Sri. A N Vishvesvarayya from the academic year 2013-14. A corpus amount of Rs.12 lakhs, deposited to JSS Mahavidyapeetha, Mysuru. The interest earned every year by the deposited amount will be paid to 5 students. Students (four girl students and one boy student) will be identified for this award based on their family annual income and individuals' merit in 12<sup>th</sup> standard. A committee will be formed by the institution to identify the deserving students for the award and the amount will be given to the students during the month of May.

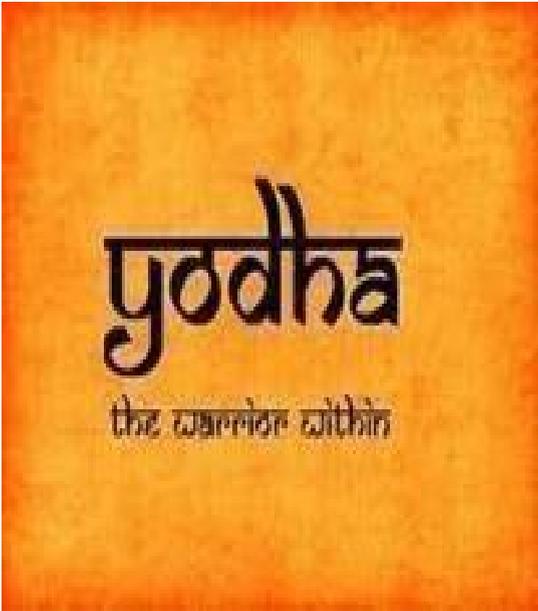

### **1. Sri Siddappa Siddalingappa Datti award**

This award was initiated by Prof. SSiddappa (Retd. Professor, Dept.of Civil Engg.,UVCE, Bengaluru) in the name of his father Sri Siddalingappa during the academic year 2001-02. A corpus amount of Rs. 35,000/- was deposited to JSS Mahavidyapeetha, Mysuru. The interest earned every year will be used to honour two topper formers in eighth semester University examinations.

### **2. Sree Shivarathrishwara Datti award**

This award was initiated by Dr. Mrityunjaya V. Latte, (Principal, JSSATE, Bengaluru) and Dr. A M Shivakumar (Former Administrative Officer, JSSATE, Bengaluru) from the academic year 2013-14. Two top performers will be considered for this Datti award based on the average highest marks scored in the two semesters during first year. A corpus amount of Rs. 50,000/- was deposited to JSS Mahavidyapeetha, Mysuru and the interest earned every year by this amount will be given for two meritorious students.

## STUDENT CLUB

Student volunteers of JSS Academy of Technical Education, Bengaluru on their own initiation started YODHA (The Warrior Within In) on 24th September 2013 to demonstrate their social awareness skill and help the needy one. Yodha implies a warrior. A fighter, Not to fight battles, not to wage wars but to bring peace to their rational society of ours. Each one of us desperately wants a change in the way our society works. Every one of us are longing for a fresh breath of air. As the saying goes, “If you want change, then, be the change”, it is absolutely pointless and inappropriate to wait for something drastic to suddenly happen.

It is our nation. Our India. We are the youth, the people responsible to make the drastic change a real thing. Realising our responsibility towards our country, we started with our small contributions. We thought we should start with the place we spend most of our time. Yes! Our college

# ANNUAL REPORT

## 2024-25

## Department of Physics \_ANNUAL REPORT \_( August 2024- May 2025)

### ABOUT THE DEPARTMENT

The Department of Physics of JSS Academy of Technical Education Bangalore is a dynamic and innovative academic unit dedicated to fostering excellence in the field of physics education and research. Founded on a strong base of theoretical knowledge and practical applications, the Department offers a rigorous curriculum designed to cultivate critical thinking, problem-solving skills, and a deep appreciation for the fundamental laws governing the universe. Our department is committed to providing students with a comprehensive understanding of fundamental principles in physics and preparing them for a wide range of careers and further academic pursuits. In addition to classroom instruction, the department places a strong emphasis on activity based learning such as hands-on laboratory experiences, encouraging students to engage in experimental work that complements their theoretical learning. Our state-of-the-art laboratories are equipped with cutting-edge instruments and technology, enabling students to conduct experiments, analyze data, and contribute to the advancement of scientific knowledge. Our faculty consists of esteemed researchers, educators, and experts in various specialized areas of physics, ensuring that students receive a well-rounded education that covers a broad spectrum of topics. As part of our commitment to research and innovation, the Department is actively involved in groundbreaking research endeavors across multiple disciplines

### VISION, MISSION OF THE DEPARTMENT OF PHYSICS

#### Vision:

Creating a thrust for research with societal concern by way of clear understanding the fundamentals of science and applying it to the real-time situation.

#### Mission:

- To mould a budding engineer with the finer aspects of the basics of Physics.
- To explore the opportunities to innovate in contributing to the advancement of Science and Technology

## FACULTY ACHIEVEMENTS –

1. Dr.Abhilasha Singh has attended International conference on recent trends in Materials Science at Kristu Jayanti College, Bengaluru, on 3<sup>rd</sup> -4<sup>th</sup> April 2025.

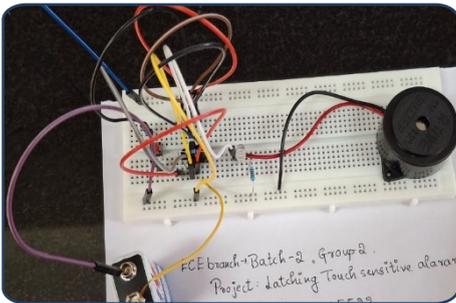

2. **Mr. PRAKASHA G S**, research scholar of department of Physics research center, JSS Academy of Technical Education, Bangalore pursuing under the guidance of Dr. R Shashidhar, ASP, HOD of Physics, JSSATEB-60 was awarded PhD for the thesis entitled **“MICRO STRUCTURAL, ELECTRICAL & OPTICAL CHARACTERIZATION OF ZINC OXIDE AND TIN SULFIDE THIN FILMS PREPARED BY SPRAY PYROLYSIS AND SOL GEL SPIN COATING TECHNIQUES TOWARDS THE DEVELOPMENT OF SENSOR AND SOLAR CELL** from VTU, Belgavi.

## STUDENT ACHIEVEMENTS (RANK, BE HONORS, HACKATHON, STIPEND, INTERNSHIP, PRIZE, CO-CURRICULAR ACTIVITIES)-

- Skill lab \_odd sem\_24-25

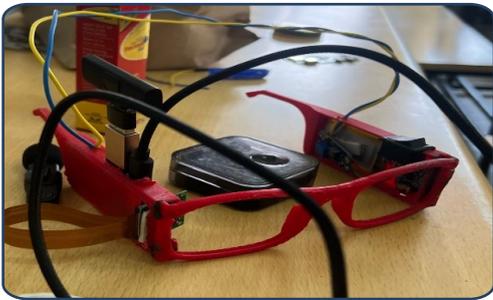

The Department of Physics successfully conducted a **Skill Lab** for the **odd-semester students of the 2024-25 Academic Year**. Students from multiple branches, including **Electronics and Communication (A, B, and C), Electronics and Instrumentation (EIE), Civil, Mechanical, and Robotics Engineering**, actively participated in the event. A total of **22 innovative projects** were developed under the guidance of faculty members from the Physics Department. The projects covered a wide range of fields, including **IoT, communication, smart technology, optics, energy storage, and astrophysics**.

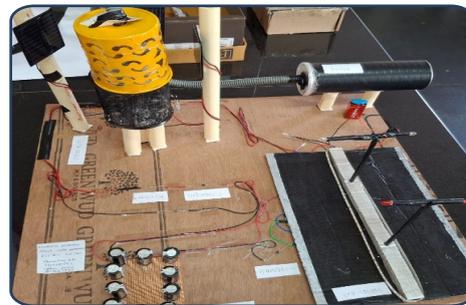

Latching Touch Sensitive Alarm

Sustainable floating house

Smart glasses for enhanced mobility of the visually impaired

Production of electricity using waste

Online fire detection and alert system

RFID based smart traffic light control system

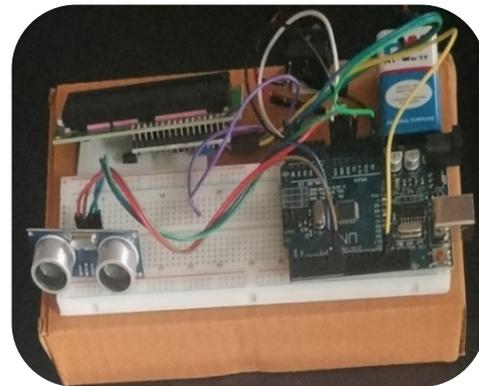

### Skill lab \_ Even Sem \_24-25

The Department of Physics conducted a Skill Lab for the even-semester students of the 2023-24 Academic Year. Students from various branches, including CSE (A, B, and C), ISE (A, B and C) and AIML (A and B) actively participated, culminating in a total of 32 projects supervised by the faculty members of the Physics Department. The Department has received projects in various areas, including IoT, communication, smart technology, optics, energy storage, and Astrophysics.

Automatic Plant Watering System

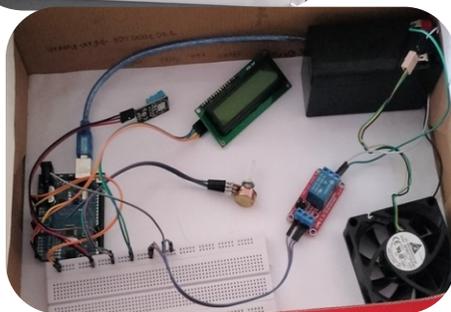

Measurement of Distance Using Ultrasonic Sensor

Temperature based fan Control and Monitoring using Arduino

ctor

Smart Irrigation System

## Department of Chemistry

### ABOUT THE DEPARTMENT

The Department of Chemistry is one of the first Departments (1997) to function with dedicated faculty members, modern laboratories, a vibrant research atmosphere, ample prospects for hands-on research experience, access to sprouting and precocious research areas such as advanced materials for engineering applications, bio-inorganic chemistry, bio-organic chemistry, tissue engineering, nanomaterials, biocatalysis, coordination chemistry, water treatment and smart materials for food preservation. It is a perfect place for young minds to pursue their higher education in Chemistry. Our devotion to excellence in pedagogy and research has enabled the students to accomplish distinction in academia and industry. With state-of-the-art research facilities and efficient management, our academic staff have participated in several rewarding collaborations with leading multinational specialists in academia and disseminated more than 90 research articles and a few textbooks. The dedication of our department and our faculty members towards research and teaching have been recognized by the funding agencies like DST and VGST with research projects. To carry out research, the R&D lab presently houses equipment such as Gas Chromatograph, Karl Fisher Analyser, Rota-evaporator, UV-Visible spectrophotometer, FT-IR spectrophotometer, and corrosion testing tools. Students are provided a comprehensive practical exposure at regular intervals to diverse instrumental methods necessary for their studies.

### VISION, MISSION OF THE DEPARTMENT

#### Vision

To empower the students with the fundamentals of chemistry for an active career in technical education and research.

#### Mission

- To contribute quality education in applied chemistry
- To inculcate the significance of chemistry for research and innovation.

## Department of Mathematics

### ABOUT THE DEPARTMENT

The Department of Mathematics at JSSATE is highly focused on imparting quality education and supports the core departments in teaching mathematics for both UG and PG students in their quest for mathematical thinking. Mathematics is one which unifies all branches of science and technology and it reflects the spirit of rationality and plays a very significant role in shaping the career of an engineering student to meet the global challenges.

The Department has 7 qualified and experienced faculties of which six are doctorates and one pursuing their Ph.D, which forms the backbone of the department. The result of the Mathematics subjects is consistently good and attains a success rate of 80% and above in the university examinations. The faculty members are guiding research students leading to Ph.D degree in Visvesvaraya Technological University (VTU) Belagavi, and have published more than 120 papers in National/International journals and conferences. The thrust areas of research are in Fluid Mechanics, Analysis, Complex Analysis, Number theory etc. The faculty members are upgrading their knowledge in their respective domains by enrolling to NPTEL courses, Coursera, attending faculty development programs, seminars, workshops and by delivering guest lectures, presenting papers in the National/International conferences. The students are abreast about the latest developments and real-world applications of the concepts learnt in their curriculum. Few interested UG students are also involved in research under their guidance leading to publication. The department has organized Guest lecturers, workshop, Symposium, FDPs on topics like Numerical Methods, Fourier series and Transforms, Vedic Mathematics, Modeling and IQ development for the benefit of students by eminent speakers from reputed institutions such as Tata Institute of Fundamental Research (TIFR) and Indian Institute of Science (IISc). The department organises National Mathematics day in honour of great Mathematician Dr S. Ramanujan.

### VISION, MISSION OF THE DEPARTMENT

#### Vision

- To be one of the best departments in providing the quality education in Science and Engineering.

#### Mission

- To inspire students to gain in depth knowledge in Mathematics for engineering applications.
- To establish the centre of excellence in pure and applied mathematics involved in research.

Events conducted

**Events/Seminars/FDP/SDP/Conference/Technical talks organized (SHORT REPORT WITH PHOTOGRAPHS)**

Title: Guest Lecture on **Critical Thinking: General, Mathematics and Logic**  
**Category:** Guest Lecture  
 Date : 17<sup>th</sup> November 2025  
 Target audience: I/II year students  
 No. of Resource Persons: 01  
 No. of Participants: Around 150  
 Resource Person(s) with Designation:  
**Speaker 1:** Dr. Nanadakumaran A.K  
 Professor and Chairman, Department of Mathematics, IISC Bangalore.  
 Topic : **Critical Thinking: General, Mathematics and Logic**  
**Mode: Offline**  
 Objective:1. Critical thinking in General  
           2. Mathematics and Logical reasoning  
           3. Mathematics and Paradoxes  
**Brief report**  
 The Department of Mathematics of JSSATE, Bengaluru has organized guest lecture on **Critical Thinking: General, Mathematics and Logic** on 17<sup>th</sup> November 2025 at 11 am in Seminar Hall -1. The program was presided by Dr. Bhimasen Soragaon, Principal, JSSATE Bangalore. Students of I/II year took part in the guest lecture.

## DEPARTMENT OF CIVIL ENGINEERING

### ABOUT THE DEPARTMENT

The Department of Civil Engineering was established in the year 2009, with the vision to produce responsible, technically qualified professionals with ethical and human values by providing excellent teaching learning and research. The department is accredited to National Board of Accreditation (NBA) with a current intake of 60.

The department has to its credit a team of qualified, experienced and dedicated faculty members. At present department have 8 faculty members with PhD degree and remaining faculty members in the department are carrying out their research work. The main aim of the department is to equip the students with the knowledge and expertise to grow professionally and contribute significantly to the society.

Department has established membership with professional bodies, such as Indian Concrete Institute (ICI) Bangalore center, Association of Consulting Civil Engineering (ACCE (I)) Bangalore Center and Builders Association of India (BAI) Bangalore Centre.

The Department of Civil Engineering has established a good relationship with core Civil Engineering Industries. Department is coordinating with more than 25 companies which are offering internship and placement opportunities to the students. The department regularly organizes Webinars, Student development programs, Faculty development programs, Conferences, seminars and Workshops for the betterment of the students and Civil Engineering fraternity.

### VISION, MISSION OF THE DEPARTMENT

#### Vision

To produce responsible, technically qualified professionals with ethical and human values by providing excellent teaching-learning and research.

#### Mission

- Impart fundamental technical knowledge through learner-centric teaching methodology.
- Empower student and faculty by involving in co-scholastic and research activities.
- Equip students to face socio-technical challenges with ethical and human values.

**Skill Development Training (Hands on) to the Faculty and Staff Members of  
Civil Engineering Department at M/s Stedrant Techno Clinic Pvt. Ltd.  
from 5-02-2025 to 12-02-2025**

**Preamble:**

A six-day Skill Development Training program was conducted for faculty and staff members at M/s Stedrant Techno Clinic Pvt. Ltd. The primary objective of this training was to enhance the technical skills of participants in conducting various laboratory tests related to cement, aggregates, and concrete. The training was aligned with NABL accreditation requirements, ensuring that faculty and staff are well-equipped with the necessary expertise to perform high-quality material testing and analysis.

Faculty and Staff Members List deputed for the training at M/s Stedrant Techno Clinic Pvt. Ltd:

Sl.no.	Name	Designation
1	Dr. Santhosh B S	Professor
2	Mrs. Rashmi S M	Asst. Professor
3	Mr. Pramukh N	Asst. Professor
4	Mr.Jhenkar S K	Foreman
5	Mr. Mallesh T V	Instructor
6	Mrs. Yashumathi V	Instructor
7	Mr.Mahesha	Instructor
8	Mr.D P Prahash	Lab Technician

**Key Outcomes of the Training:**

The 6-day Skill Development Training at M/s Stedrant Techno Clinic Pvt. Ltd. was a significant step towards achieving our goal towards NABL accreditation. Participants gained hands-on experience with advanced laboratory testing techniques.

- Faculty and staff members improved their knowledge of NABL accreditation standards and compliance requirements.
- Enhanced the capability of the institution to conduct high-quality testing and research in the field of Civil Engineering materials.
- Strengthened collaboration between academia and industry, leading to future opportunities for research and consultancy.

The training ensured that faculty and staff members are well-equipped with the technical skills required for material testing. The exposure gained during the program will contribute to improved laboratory operations, research capabilities, and industry collaborations.

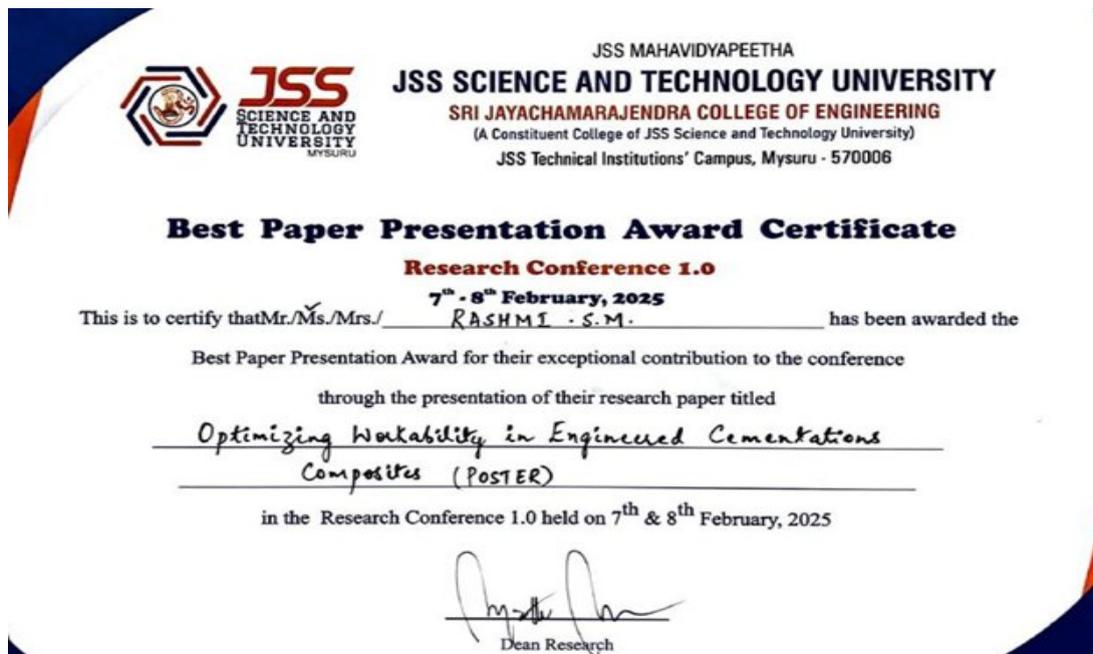

**Prof. Basavaraj Akki:**

Congratulations to [Basavaraj Akki](#) from the [Civil JSSATEB](#), [JSSATEB Bengaluru](#) for successfully completing the "One Week Workshop on Safe System Perspective on Vulnerable Road Users in India" conducted by the Transportation Division, NIT Warangal, in collaboration with Lund University, Sweden, and sponsored by SPARC (Scheme for Promotion of Academic and Research Collaboration), GOI. This prestigious workshop provided valuable insights into road safety, the Safe System Approach, sustainable transportation, and emerging trends in traffic engineering. Your participation in such an esteemed platform reflects your strong commitment to learning and innovation in transportation engineering. Wishing you continued success in applying these insights to enhance road safety and infrastructure development!

## Prof. Rashmi S M:

Congratulations to Prof. Rashmi S M On behalf of the Civil Engineering Department, JSSATEB, we extend our heartfelt congratulations to Mrs. Rashmi S M for receiving the Best Paper Presentation Award at Research Conference, held on 7-8 February 2025 at JSS STU Mysuru. Her poster presentation on "Optimizing Workability in Engineered Cementitious Composite" showcased innovative research and valuable insights in the field of civil engineering materials. This achievement is a testament to her dedication. We are proud of this remarkable accomplishment and wish her continued success in her research endeavors!

## **STUDENT ACHIEVEMENTS (RANK, BE HONORS, HACKATHON, STIPEND, INTERNSHIP, PRIZE, CO-CURRICULAR ACTIVITIES)**

### **CO-CURRICULAR ACTIVITIES**

#	Student Name	Achievements
01	Ms. Nidi Buvila S	<ul style="list-style-type: none"><li>• Winner in women's district level tournament held in shivamogha 29 th September 2024.</li><li>• Won Silver medal in Dasara CM Cup (State Level) Lawn Tennis Tournament, Held in Mysore from 3rd October to 9th October 2024.</li><li>• Runners up in dasara cup state level lawn tennis tournament held in mysuru dated on October 5th 2024.</li><li>• Runners up in women's singles inter College lawn tennis tournament Revels cup 2k25 @ manipal institute of technology.</li><li>• Runners up in women's TPL tournament on March 8th 2025 in Bengaluru.</li></ul>

### **Student Internship**

Best wishes and Encouragement for Internship Opportunities Dear Final Year Students, We would like to extend my heartfelt best wishes to all the Final Year Students embarked on the exciting journey of securing internships in the esteemed Civil Industry. This is a fantastic opportunity to gain valuable experience and potentially convert these Internships into full-time positions. These experiences will significantly strengthen thier resume and

professional growth. Thanks to the Industries and Alumni, who have supported by providing valuable internship opportunities. Their help, whether directly through contacts in the industry or indirectly via their own entrepreneurial ventures, is truly appreciated. We also want to recognize the efforts of our Faculty Internship Coordinator, [Harshitha M N](#), [Civil JSSATEB](#), [JSSATEB Bengaluru](#) who has ensured a smooth internship process, and the entire teaching and non-teaching staff who have supported you throughout your academic journey. We encourage Final Year Students to stay proactive in job search by utilizing platforms such as LinkedIn, Naukri, Indeed, and other job portals. Now is the time to refine resumes and start applying for opportunities, especially if you're not planning to pursue higher studies. Remember there is tough competition, so tailor your job applications to the job descriptions and gain the required skills.

### **Best Wishes to the Outgoing Batch – Civil Engineering (2024-25)**

Dear Proud Alumni,

As the June 2025 Civil Engineering batch prepares to embark on new journeys, we extend our heartfelt wishes for success, growth, and happiness in all your future endeavors — be it higher studies, exciting new roles, or entrepreneurial ventures. 

 Stay Connected!

We encourage all our alumni to take just a minute to fill out this form:

 <https://lnkd.in/d5qSjh3x>

This small action makes a big impact — your participation helps us:

 Maintain a strong Alumni Network

 Contribute to NAAC & NBA accreditation efforts

 Enhance the prestige of JSS Academy of Technical Education, your proud Alma Mater

 Keep in touch — meet your friends, plan get-togethers, visit the campus, and feel free to reach out to your faculty for Guidance, Reference Letter or Entrepreneurial support. We're always here for you!

Let's grow together, support one another, and make the Civil Engineering community stronger than ever.

### STUDENT CLUB:

About the club

The **Civil Engineering Association (CEA-JSSATEB)** is an active student-led organization within the Civil Engineering Department. The association serves as a platform for students to enhance their technical knowledge, leadership skills, and professional development.

#### Objectives of the Club

1. To promote interest in civil engineering among students through various technical and non-technical activities.
2. To bridge the gap between academic learning and industry requirements by organizing guest lectures, workshops, and site visits.
3. To encourage innovation, teamwork, and problem-solving through competitions, model-making, and technical fests.
4. To foster professional networking and mentoring by facilitating interactions with alumni and industry experts.

**“NIRVYUHA- 2025” Civil Engineering Department fest on March 28<sup>th</sup> 2025**

### PREAMBLE

NIRVYUHA, the Civil Engineering fest held on March 28<sup>th</sup> at JSS Academy of Technical Education, Bengaluru (JSSATEB), celebrated innovation and collaboration in the field of Civil Engineering. This event brought together students, professionals, and enthusiasts to explore emerging trends, share knowledge, and showcase creative solutions to engineering challenges. With a mix of technical sessions and competitions, NIRVYUHA aimed to inspire the current generation of engineers while fostering a spirit of teamwork and excellence. It was a platform for learning, networking, and pushing the boundaries of civil engineering.

### **HIGHLIGHT OF EVENTS**

The "NIRVYUHA" Civil Fest marked a remarkable return after a five-year hiatus, uniting students and professors in a vibrant celebration of creativity, talent, and community spirit. Among the most memorable moments was the Tamte performance, where students and faculty alike joined in the dance, embodying the fest's energetic and inclusive atmosphere. The event was a testament to the strong support and coordination between the faculty and students, whose collective efforts ensured that every aspect of the fest was well-organized and seamlessly executed. One of the major crowd-pullers was the "Super Minute" game, which saw the highest participation with 22 enthusiastic contestants competing in a series of fun and fast-paced challenges. The fest also witnessed impressive inter-collegiate participation, with numerous colleges contributing more than five students each, making NIRVYUHA a truly collaborative and inclusive celebration of Civil Engineering and student spirit.

**Events/Seminars/FDP/SDP/Conference/Technical talks organized (SHORT REPORT WITH PHOTOGRAPHS)**

**Master Trainers Training Program On Advanced Concrete Technology & Construction Techniques At Jss  
Academy For Technical Education, Bengaluru  
From 23rd September 2024 to 5th October 2024**

**Site Visit: Site Visit to: Sir M. Visvesvaraya Rainwater Harvesting Theme Park, Bengaluru**

**Date: 29.11.2024**

Adoption of Rain water harvesting is mandatory requirement for every occupier of building. Sir M. Visvesvaraya Rain Water Harvesting Theme Park is facilitating the public and students in adoption of Rain water harvesting. The Theme park is dedicated to demonstrate the methods of installing rain water harvesting.

**Expert talk: Topic: Technical Lecture on “Career Pathway for Structural Engineers**

**Date: 23.09.2024**

The Department of Civil Engineering, JSS Academy of Technical Education, Bengaluru, organized a session on "Career Pathways for Structural Engineers" in association with Delta T Pvt Ltd, Bengaluru, on 23rd September 2024 at 12:00 PM.

The session began with a welcome address by Dr. Sanjay Shekar N C, HOD, Civil Engineering Department. Prof. Harshitha M N introduced the guest speaker, Mr. Abdul Majeed, Lead Engineer at Delta T MEP Technical Academy, Bengaluru.

Mr. Majeed, with over 12 years of experience in MEP & BIM-REVIT and expertise in green building projects, shared insights into professional challenges, skillsets required in the field, and opportunities in MEP & BIM-REVIT. The session included an interactive segment where students clarified their doubts.

**Technical Lecture: Topic: “Advanced Nano materials Synthesis, Processing and Application in Energy and Environment”**

**Date: 28.10.2024**

The Department of Civil Engineering at JSSATEB successfully organized an expert talk on “Advanced Nanomaterials Synthesis, Processing and Application in Energy and Environment” on 28th October 2024. The session aimed to provide insights into the latest advancements and research in the field of nanotechnology, focusing on its role in sustainable energy solutions and environmental protection.

The expert speaker, delivered an in-depth presentation on the synthesis methods of nanomaterials, their structural characteristics, and practical applications in civil and environmental engineering. Emphasis was placed on innovative solutions such as nano-enabled materials for water purification, energy-efficient construction, and pollution control.

**Technical Lecture: Topic: Technical Lecture on “Recent developments in steel structures”**

**Date: 28.11.2024**

Department of Civil Engineering, JSS Academy of Technical Education, Bengaluru in association with Indian Concrete Institute - Bengaluru Centre organized Technical Lecture on the topic “Recent developments in steel structures” on 28th November, 2024 at Seminar Hall, Academic Block C. The chief guest for the event was Er.H.R.Girish, Hon. Chairman, ICI-Bengaluru Centre & Managing Director and CEO of M/s Girish Ventures, Bangalore. The Speaker for the event was Er. Ravindranath. B. V., Chief Consultant, Ravindranath & Associates & Managing Committee Member, ICI Bengaluru Centre.

Er.H.R.Girish showcased the necessity of Civil Engineering students for adaptability to excel in their career and also as an entrepreneur. He stressed upon the necessity of implementation of Civil Engineers Act and the opportunities that open up for Civil Engineers. Er. Ravindranath. B. V. demonstrated a profound understanding of the subject matter, presenting a well-organized and

engaging overview of the recent advancements in steel structures. He demonstrated few of the challenging projects related to steel structures.

**Technical Lecture: Topic: Technical Lecture on “Exploring 3D Visualization Career Paths and Opportunities for Freshers in 3DS Max”**

**Date: 11.11.2024**

The session was led by J. Sunil Kumar, Marketing executive, Edu CADD, Bangalore, a seasoned 3D visualization artist and industry expert with extensive experience in utilizing 3ds Max.

The speaker began with an overview of 3D visualization, emphasizing its application in industries such as architecture, interior design, product design, and animation. A demonstration of 3ds Max capabilities highlighted its importance as a tool for creating photorealistic visualizations and simulations. The session shed light on the diverse career opportunities available, including roles like 3D modeler, visual effects artist, game environment designer, and architectural visualizer. The speaker also elaborated on the growing demand for 3D professionals in sectors like virtual reality (VR) and augmented reality (AR).

## Industry Institute Collaboration & Networking

The Civil Engineering Department has established strong industry partnerships through Memorandums of Understanding (MOUs) with the following organizations. These collaborations significantly benefit the department by providing support in various forms such as paid internships, free software, site visits, and training programs for students:

1. M/s Clear Water Dynamics Pvt Ltd (P)
2. M/s Klarheit Valuers and Engineering Service Pvt Ltd (P)
3. M/s Habitat Ventures
4. M/s Deko Partitions India LLP
5. CADD Centre Training Services
6. M/s Synergy School of Business Skills
7. M/s Construction Industry Development Academy (CIDA) (P)
8. M/s Construction Industry Development Council (CIDC)
9. Ascend School of Construction Business
10. M/s Prashali Conmats
11. M/s Medini Technologies

These industry collaborations enhance the academic experience by offering practical exposure and professional development opportunities for the students. In addition to the organizations with formal MOUs, the Civil Engineering Department maintains strong connections with various companies, industries, and government agencies. These entities provide similar opportunities such as internships, site visits, training programs, and consultancy services without formal MOUs. Some of these notable collaborators include:

1. Sarva Homes
2. Sadruda Constructions
3. Design Tree Consultants
4. CMTI
5. Shobha Developers
6. TURNBIM
7. Civil Quality Consultants and Engineers
8. TEAM4U Project Management Consultants
9. L&T Constructions
10. Prestige Groups
11. Good Earth
12. NCC
13. Nagarjuna Constructions
14. Bangalore metro rail corporation limited
15. Karnataka Public Works Department (KPWD)
16. Irrigation Department
17. Karnataka Rural Infrastructure Development Limited (KRIDL)

18. Nirmithi Kendra, Mysuru
19. Karnataka Forest Department

### **Alumni Contributions**

The Civil Engineering Department benefits greatly from the strong support of its alumni network. Many alumni have established their own companies, such as Sadruda Constructions and M/s Klarheit Valuers and Engineering Services Pvt Ltd (P), and actively contribute by providing job opportunities to graduating students and internships for current students. Additionally, the department regularly organizes interactive sessions between students and alumni. These sessions serve as platforms for career guidance, professional mentorship, and knowledge sharing, further enriching the academic and professional development of the students. Events Involving Alumina

Amulya, Project Engineer @ Clear Water Dynamic, Guest for Department fest, Got sponership for department fest.

## **ABOUT THE DEPARTMENT**

The Department Of Computer Science and Engineering, Established In 1997 And NBA-Accredited, Is Dedicated to

Providing Quality Education, Fostering Innovation, and Producing Socially Responsible Engineers. With A Strong Faculty Team, State-Of-The-Art Infrastructure, and Recognition as a Research Center by VTU, the Department Excels in Academics, With Students Consistently Achieving University Ranks and Securing Over 90% Placements in Reputed

Companies Like Amazon and Adobe. Student Development Is Supported Through Technical Forums, Workshops, and Collaborations, While Research and Innovation Are Actively Encouraged Through Challenging Projects and Professional Memberships. Committed To Excellence The Department Prepares Students To Thrive In A Competitive Industrial Environment and Contribute Meaningfully To Society.

## **VISION, MISSION OF THE DEPARTMENT**

### **Vision:**

To be a distinguished academic and research Department in the field of Computer Science and Engineering for enabling students to be highly competent professionals to meet global challenges.

### **Mission:**

- M1:** Impart quality education in Computer Science and Engineering through state-of-the art learning environment and committed faculty with research expertise.
- M2:** Train students to become the most sought-after professionals in the field of Information Technology by providing them strong theoretical foundation with adequate practical training.
- M3:** Provide a conducive environment for faculty and students to carry out research and innovation in collaboration with reputed research institutes and industry.
- M4:** Inculcate human values and professional ethics among students to enable them to become good citizens and serve the society.

### FACULTY ACHIEVEMENTS

Name	Designation	Achievements
Dr. Pradeep H K	Associate Professor	Selected for Flagship bilateral initiative, UK–IndiaAIxcelerate 2025–26 Programme.
Dr. Mallikarjuna Swamy S	Associate Professor	Sanctioned 90 lakhs for AICTE- IDEA Lab
Dr. Prabhudev Jagadeesh	Professor	
Dr. Abhilash C B	Associate Professor	Received a grant of Rs. 25,000 from NPTEL under the SPOC Conference support grant.
Dr. Niranjan C Kundur	Associate Professor	Presented a paper “Hybrid Machine Learning Framework for Burnout and Retention Modeling in Urban Indian IT Employees” at the Fourth World Conference on Information Systems for Business Management, Bangkok.
Rashmi B N	Assistant Professor	Completed 3 Months Industry Internship Program at QNu Labs Pvt.Ltd , Bengaluru.

4	Workshop on SARVAM AI APIs	15/03/2025	<b>Mr. Vinayak Gavariya,</b> Developer Relations Engineer, SARVAM AI	150
5	Attended Conference on IT in Defense	16/12/2024 to 17/12/2024	CSIR-NAL, Bangalore	03
6	Technobabble: Technical Talk on Use Case of AI in Driver Assistance	28/09/2024	Ms. Padmini Naval Gund, Program Manager, Product Compliance Officer, Bosch Global Software Technology	60
7	CSI Internet of Things (IoT) using Arduino: A Hands-on approach	12/06/2024	Dr. Nirmala Hiremani, Assistant Professor and Program Coordinator, Tech Guru, AICTE ATAL IDEA LAB and Assistant Director, Skill Development Centre, Muddenahalli	190
8	Two Days Workshop on “Deep Learning Techniques	17/02/2024 to 24/02/2024	Dr. Manjunath S, Principal Engineer, M/s Samsung Electro-Mechanics Pvt. Ltd.	120
9	Tech Connect Program	24/01/2024 to 25/01/2024	Mr. Praveen D, CTO, Dyashin Techsoft,	70
10	CSI Cyber Security for All”		Mr. BHARADWAJ D J, Architect, Cyber Security at Synechron	

## Event conducted and their brief report

**Title: “Deep Learning Techniques”**

**Category:** Hands-on Workshop

**Date:** Feb 17th, 2024 & Feb 24th, 2024 (2 days)

**Target audience:** Fifth Semester Students and Faculty

**No. of Resource Persons:** 01

**No. of Participants:** 130

**Organized by:** Department of Computer Science and Engineering

**Resource Person(s) with Designation:** Dr. Manjunath S, Principal Engineer, M/s Samsung Electro-Mechanics Pvt. Ltd.

### **Report: Brief report on the respective sessions held on Day-1 and Day-2**

Two Days Workshop on “Deep Learning Techniques” is organized on Feb 17th, 2024 & Feb 24th, 2024.

Resource person of the Workshop is Dr. Manjunath S, Principal Engineer, M/s Samsung Electro-Mechanics Pvt. Ltd., Bengaluru. H. Head of the Department Dr. P B Mallikarjuna welcomed all the participants for the workshop and introduced the speaker. Principal Dr. Bhimasen Soragaon welcomed the speaker is Dr. Manjunath S for the workshop and the Two day workshop commenced.

**JSS MAHAVIDYAPEETHA**  
**JSS ACADEMY OF TECHNICAL EDUCATION,**  
**BENGALURU**  
**DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING**  
**ORGANIZING**

**Two Days workshop on:**  
**"DEEP LEARNING TECHNIQUES"**

**RESOURCE PERSON :**  
**Dr. Manjunath S,**  
Principal Engineer,  
M/s Samsung Pvt. Ltd.  
( Target audience: 5th sem CSE students and staff )

DATE	TIME	Venue
17 Feb 2024 24 Feb 2024	8.30 AM to 1.00 PM.	Seminar Hall 1

Coordinators	HOD	Principal
Dr. Mallikarjuna P.B Dr. Prabhudev Jagdeesh Dr. Naidila Sodasthi	Dr. Mallikarjuna P.B	Dr. Bhimasen Soragaon

**Title: State of Industry-Early 2024**

**Category:** Invited talk

**Date:** 16.2.2024

**Target audience:** 8<sup>th</sup> and 3<sup>rd</sup> Semester students

**No. of Participants:** 100 students

**Organized by:** Department of Computer Science & Engineering

**Mode:** Offline

**Report: Brief report on the respective sessions held on 16.2.2024**

An Invited Talk on “**State of Industry- Early 2024**” was organized on 16<sup>th</sup> Feb 2024 for VIII and III Semester students. The resource person was Mr. Pratik Shah, CEO, Halaplay, Bengaluru proud Alumni of JSSATEB. The speaker emphasized on revolution in IT industry and the technologies that emerged in the past. He briefed about the changes that has taken place in development process, Project management, front end, enterprises, startups, Product and service companies.

He highlighted on the key points that has to be addressed by young aspiring engineers and the challenges to be faced in current digital world. He also briefed about the important domains and the technical skills required for placement and to get deeper knowledge in any one of the domains. Various educational coding platforms and Community forums that can give exposure to current needs were discussed. Around 110 students attended the program. The event was coordinated by Mrs Snehalatha N

**Title:** “Cyber Security to All”

**Report: Brief report on the respective sessions held on 02.03.2024**

An SDP on “Cyber Security to all” was organized on 2nd March 2024 for V semester students. The resource person was Mr. Bharadwaj D J, Architect/ Technology Manager, @ Synechron, Bengaluru. The Speaker emphasized Cyber Security impacts on day-to-day activities. Speaker Explore the four types of security: Network security, Application security, Endpoint security, and Data security. He highlighted the key vulnerabilities in web applications and hands-on experience with tools like ZAP and Burp Suite for vulnerability assessment and exploitation. He explored how three-way handshake processing happens in network security and how to identify common ports and protocols, laying the foundation for understanding network security essentials. He briefed about threat detection and monitoring and gained insight into incident response and recovery processes, contributing to a comprehensive defensive security strategy. The speaker discussed the industry revolution and job opportunities in the domain of cyber security. Around 170 students attended the program. The event was coordinated by Dr. Abhilash C B, Ms. Shantala K V, Dr. Pavithra G S.

**Title: “Generative AI & Its Applications”**

**Category:** Hands-on Workshop

**Date:** Nov 15 & 16th, 2024 (2 days)

**Target audience:** Fifth Semester Students and Faculty

**No. of Resource Persons:** 02

**No. of Participants:** 208

**Organized by:** Department of Computer Science and Engineering

**Report: Brief report on the respective sessions held on Day-1 and Day-2**

Two Days Workshop on “Generative AI & Its Applications” is organized on Nov 15th, 2024 & Nov 16th, 2024.

Resource persons of the Workshop are Dr. Mahamad Suhil, Applied Scientist II, M/s Amazon Pvt. Ltd.

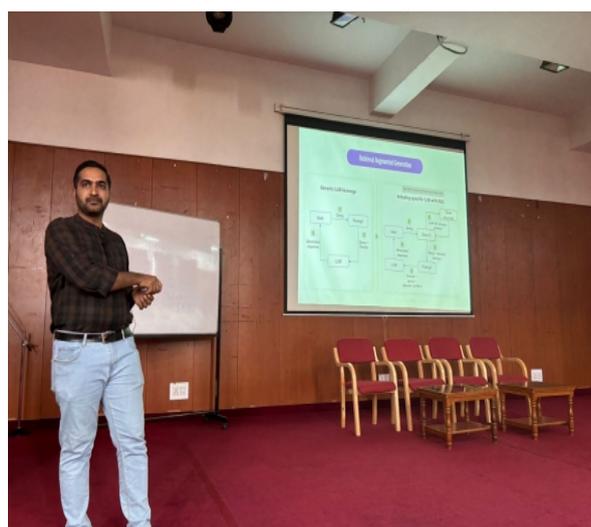

Bengaluru and Dr. P B Mallikarjuna, Professor, Dept. of CSE, JSSATE, Bengaluru. Head of the Department Dr.

Prabhudev Jagdeesh welcomed all the participants for the workshop and delivered a note on significance of

GenAI & Its applications. Dr. Niranjana C Kundur welcomed the speaker Dr. Mahamad Suhil and Dr. P B

Mallikarjuna introduced the speaker to the participants and the Two-day workshop commenced. Finally,

JSS MAHAVIDYAPEETHA

**Title: “Breaking Boundaries: Evolution of ADAS in Modern Vehicles”**

With the Blessings of His Holiness Jagadguru Sri Shivarathri Deshikendra Mahaswamiji, technical talk on "Breaking Boundaries: Evolution of ADAS in Modern Vehicles " was organized by Department of Computer Science & Engineering, JSS Academy of Technical Education, Bengaluru, which was held on 24th May 2025. Ms. Sakshi Jha, R & D Engineer, M/s Mercedes Benz R& D India, Bengaluru, was the resource person for the workshop. Dr Niranjan C Kundur Associate Professor, Computer Science welcomed the resource person and also mentioned the importance of the technical talk from industry perspective. Mrs. Bhavani B H, Assistant Professor of CSE introduced the resource person to the participants. Students of 4<sup>th</sup> semester CSE actively participated and gained insights into the core components of ADAS. She demonstrated through videos the core components of Advanced Driver Assistance System which includes many Electronic Control Units (ECUs), high resolution cameras, role of operating systems, types of operating systems used. Also she mentioned how these systems have to work in hard real time to meet the deadline . Around 200 students from 4th Semester participated in the workshop. Resource person also mentioned how to prepare for the interviews and to get into product based companies. Dr. Niranjan C Kundur has expressed his gratitude to the resource person and all the members present for the talk. Mrs. Bhavani B H has concluded the talk by giving vote of thanks.

**Title “Large Language Models and its applications”**

With the Blessings of His Holiness Jagadguru Sri Shivarathri Deshikendra Mahaswamiji, , workshop on " **LLMs & its Applications**" was organized by Department of Computer Science & Engineering, JSS Academy of Technical Education, Bengaluru, which was held on **23rd, May 2025**. **Dr. Manjunath S, Principal Engineer, M/s Samsung Pvt. Ltd., Bengaluru**, was the resource person for the workshop. Dr Prabhudev Jagadeesh, HOD, Computer Science welcomed the resource person and also mentioned the importance of the workshop from industry perspective. Dr PB Mallikarjuna, Professor of CSE introduced the resource person to the participants. Students of 6th semester CSE actively participated and gained insights into the core components of LLMs, including tokenization, embeddings, attention mechanisms, and transformer architectures with hands-on experience on how it improves contextual comprehension in long text sequences. Around 100 students from 6th Semester participated in the workshop. Resource person implemented the concepts using Python and students were also made to implement the programs along with the resource person. Dr. Prabhudev Jagadeesh has expressed his gratitude to the resource person and all the members present for the workshop.

**Mrs. Bhavani B H has concluded the workshop by giving vote of thanks.**

**Title: "Scope and Internship Opportunities in Various IT Domains"**

The session began with an overview of current trends in Cloud Computing, Artificial Intelligence, Data Science, Cybersecurity, Full Stack Development, and IoT. Industry professionals emphasized the importance of acquiring hands-on experience, certifications, and participation in internship programs to boost employability. The speakers shared valuable insights into how students can align their skills with industry demands, and how to apply for internships with a well-prepared portfolio. Case studies and real-life examples were shared to help students understand the practical applications of technologies across different sectors.

**Title: "CLOUD COMPUTING"**

Report on Faculty Development Program (FDP) on Cloud Computing Organized by the Department of Computer Science and Engineering, JSSATE Bengaluru

The Department of Computer Science and Engineering at JSS Academy of Technical Education (JSSATE), Bengaluru, successfully organized a Faculty Development Program (FDP) on Cloud Computing. The program aimed to equip faculty members with in-depth knowledge and hands-on experience in cloud technologies, aligning with Visvesvaraya Technological University (VTU) curriculum of 6<sup>th</sup> and 8<sup>th</sup> semester 2022 scheme.

The FDP featured expert sessions from academia and industry, followed by practical training to provide real-world exposure to cloud computing concepts. Faculty members from various institutions across Karnataka actively participated, making this a highly interactive and enriching event.

**ABOUT THE COLLEGE**  
JSS Academy of Technical Education (JSSATE) was established in the year 1997 at Bengaluru under the umbrella of JSS Mahavidyalaya, Mysuru. The institution is presently affiliated to Visvesvaraya Technological University offering eight undergraduate and four postgraduate programs approved by the AICTE. The Institute has been accredited with an A+ grade by the National Assessment and Accreditation Council (NAAC). The Institute has also achieved a Performer Band in NIRFA ranking and Diamond Class in QS-I Gauge. The Institute has been awarded a "4-star rating" by the Innovation Cell, Ministry of Education, Government of India, for the year 2023-24.

**ABOUT THE DEPARTMENT**  
The Department of Computer Science and Engineering was established in the year 1997, with the objective of imparting quality education in the field of Computer Science and Engineering. The Program is accredited by National Board of Accreditation (NBA) with current intake of 180 Students. The department has to its credit a team of qualified, experienced and dedicated faculty, whose main aim is to equip students with the knowledge and expertise to grow professionally and contribute significantly to the society.

**RESOURCES PERSONS**

1. Mr. Kumar Swamy H N  
Engineering Tech Lead  
CISCO PV LTD, Bengaluru
2. Dr. B Sathish Babu  
Professor & Head  
Department of AIML, RVCE, Bengaluru
3. Dr. Ashok Kumar A R  
Associate Professor  
Department of CSE (Cyber Security), RVCE, Bengaluru
4. Dr. Jayashith S R  
Associate Professor  
Department of MCA  
JSSATE, Bengaluru
5. Mrs. Impana K P  
Assistant Professor  
Department of CSE  
JSSATE, Bengaluru

Registration Fee: INR 300/-  
<https://forms.gle/dmNYaK1uW3uPrEA>  
Note: Schedule and Registration form has been attached in the registration link.  
Payment Mode: Online only

**OBJECTIVES OF THE FDP**

- Describe various cloud computing platforms and service providers.
- Illustrate the significance of various types of virtualization.
- Identify the architecture, delivery models and industrial platforms for cloud computing based Applications.
- Analyze the risks of security aspects in cloud computing.
- Demonstrate cloud applications in various fields using suitable cloud platforms.

**OUTCOMES OF THE FDP**

- Participants will gain comprehensive knowledge of Cloud Computing, Virtualization & Cloud Security.
- Participants will be able to identify the architecture, delivery models and industrial platforms for cloud computing based applications.
- Hands-on Session: Through the use of the Amazon Web Services & Google cloud platform, participants will be able to demonstrate cloud applications in a variety of sectors.

**PARTICIPANTS:** Faculty members & Research scholars  
Note: Participants are requested to bring laptop for Hands-On Session.

## **Title: Introduction to Internet of Things (IoT)**

Workshop on Introduction to Internet of Things (IoT), was organized by Department of Computer Science and Engineering on 20/06/2026 for CSE Second semester students from 11.00 AM to 1.30 PM. **Mrs. Megha S A & Mrs. Komala H S**, Assistant Professor, Dept of MCA, JSSATEB was the resource persons.

The workshop started with the welcome of the speakers by Dr. Sharanabasavana Gowda immediately followed by session on Introduction to IoT and its Application by the resource persons. The workshop focused on providing an introduction to the Internet of Things (IoT) through hands-on learning with the **ESP32**, a powerful series of System-on-Chip (SoC) microcontrollers. Developed by Espressif Systems, a semiconductor company based in Shanghai, China, the ESP32 is known for its **integrated Wi-Fi and Bluetooth capabilities**, making it ideal for IoT applications.

As the successor to the widely adopted **ESP8266**, the ESP32 offers enhanced features, including **low power consumption, rich peripheral support, and robust security functions**. Its compatibility with multiple development environments, such as **Arduino IDE and MicroPython**, makes it a popular choice among developers and researchers for building scalable and efficient IoT solutions.

**Mrs. Megha S A & Mrs. Komala H S**, trained students and gave an insight of the working with IOT. Students were benefited from this hands-on session and gained experience working with IOT components. The session ended with discussion and vote of thanks by Dr. Manjunath B Talawar, JSSATE, Bengaluru.

**Title: HACKWELL 5.0**

Department of Computer Science & Engineering, JSSATE, Bengaluru, had organized **HACKWELL 5.0** – Every Line matters, a 48 Hrs online Hackathon sponsored by Honeywell from 2<sup>nd</sup> April to 4<sup>th</sup> April 2025. The event was intended to create a platform for students for self-expression and creativity to foster a culture of learning, teamwork, and innovation. The event was driven by M/s Honeywell, who also sponsored an amount of Rs. 1.5 lakh cash prize to the winners, Industry problem statement, and technical support. Honeywell provided mentors during the event to guide the teams and judge the solutions.

**HACKWELL 5.0**  
2<sup>nd</sup> - 4<sup>th</sup> April 2025  
48 - Hour Online Hackathon  
in association with  
**Honeywell**  
**WINNERS**

INSTITUTION	POSITION
<b>JSS Academy of Technical Education, Bengaluru</b>	1 <sup>st</sup> (Rs. 75,000/-)
<b>Ramaiah Institute of Technology, Bengaluru</b>	2 <sup>nd</sup> (Rs. 50,000/-)
<b>Sir M Visvesvaraya Institute of Technology, Bengaluru</b>	3 <sup>rd</sup> (Rs. 25,000/-)

**CONGRATULATIONS**

## Title: Skill Enhancements Courses Presented by COE- Visveshwaraya Technological University 22-05-2025

Visveshwaraya Technological University (VTU), Karnataka, promotes awareness and adoption of **MOOC (Massive Open Online Courses)** among its students and faculty to align with **NEP 2020** guidelines and improve skill development, employability, and lifelong learning and acquiring Minor degree for enhancing the skills for Industry readiness.

India produces nearly 15 lakh engineering graduates annually, yet employability remains a challenge: Core Industry Jobs (2024): Only 2.5 lakh graduates secured positions. Unemployment: Around 65% of engineering graduates remain unemployed. AICTE-approved Colleges: Placement rates are consistently below 50%. Karnataka: 68% in IT/CS due to strong industry connections. Tamil Nadu: 65%, driven by mechanical and electronics. Andhra Pradesh: ~60%, lower for core fields like Civil (55%). Kerala: ~58%, led by IT at 65%.

To address the above issues Visveshwaraya Technological University is launching Minor degree to enhance the Job readiness.

## DEPARTMENT OF (ARTIFICIAL INTELLIGENCE AND MACHINE LEARNING)

### ➤ ABOUT THE DEPARTMENT:

The current intake for the program is 90. Faculty with expertise in AI & ML and allied fields have good teaching and research experience to impart quality education in AI & ML through state-of-the-art learning environment. Funded projects related to AI & ML applications and research is being implemented at the Institution. Several Patents and publications are accomplished in AI & ML domain. Awards and recognitions are conferred from reputed organizations to faculty for their contributions to the field. Workshops, Seminars and National/International conferences on AI & ML are organized regularly.

To keep abreast with Industry requirements and standards, Industry Experts are involved in curriculum development and course delivery. Several MoUs with Industries are established for Students Training, Seminars, Internships and Project works. Well established teaching-learning processes will be practiced to effectively implement student-centric outcome based education. The department will offer various Students forum/clubs for students to exhibit their talent in curricular and co-curricular activities. Mentoring system exists to help students at the individual level for Professional guidance, career advancement, course work specific issues and for all-round development. With these strengths, the departments' endeavor is to train the students on strong foundations of AI and ML to meet the emerging challenges of industry and society.

### VISION, MISSION OF THE DEPARTMENT

#### VISION

To emerge as center of academic and research excellence by producing graduates to lead the AI-driven technological revolution.

#### MISSION

- ❖ Impart quality education in Artificial Intelligence & Machine Learning through state-of-the-art learning environment.
- ❖ To build a vibrant community of faculty and students equipped with interdisciplinary Artificial Intelligence & Machine Learning knowledge and skills to solve real industry specific problems.
- ❖ To facilitate socially responsive research and innovation centre to serve the needs of society.

#### **Program Educational Outcomes :-The Graduates will be able to:**

- ❖ PEO-1 Graduates shall possess vital skills to familiarize to emergent technologies & environment to solve tangible world problems.
- ❖ PEO-2 Graduates shall have the ability to carry out research in the advanced areas of AI & ML and address the needs of the society.
- ❖ PEO-3 Graduates shall have essential managerial skills to become competent professionals and entrepreneurs.

**Program Specific Outcomes: -The Graduates will be able to:**

- ❖ PSO-1 Apply the ideologies of Basic Engineering Science to gain the hardware and software features of Computer Science.
- ❖ PSO-2 Ability to design and develop AIML applications using numerous software and hardware tools.
- ❖ PSO-3 Exhibit the real-world competence using extensive range of programming languages.

➤ **STUDENT CLUB:** Technical Coding club

➤

➤ **About the club :**

A Department Technical Coding Club fosters a collaborative environment for students to enhance their coding and problem-solving skills. Organized regular coding sessions, hackathons, and workshops to build technical expertise. Members collaborate on projects,

participate in competitions, and stay updated on emerging technologies, preparing them for industry challenges

### EVENTS CONDUCTED

Sl No	Date	Program Conducted	Resource Persons	Expenditure (in Rs.)	Impact of the Program
1	22/08/2024	Two days Hands on Session “Java spring Boot Applications”	Mr. Harsha K S (Automation Engineer, Apple) & Mr. Yathish L (Analyst, Eli Lilly)	9,491/-	Students gained foundation programming skills, along with practical experience in developing applications using java spring boot.
2	28/09/2024	“Aadi Antha Prena”	NEC E-Cell team JSSATEB	6,595/-	The Aadi Antha Prena Startup Pitch Competition was a significant success, showcasing the entrepreneurial spirit and innovative ideas of participants. The event concluded on a high note, inspiring future competitions and fostering growth within the entrepreneurial ecosystem.
3	28/11/2024	Cyber Security and Network Defense with AI Insights	Mr. Abhishek V, Senior Security Manager L2 at IBM	2,130/-	Students learn not just traditional cyber-security skills (like network defense, intrusion detection, cryptography) but also how to apply <b>machine learning</b> and AI models to detect anomalies, predict threats, and automate responses
4	21/04/2025	IoT Workshop – A Hands-On Session	Dr. Nirmala Hiremani, VTU Centre for PG Studies, Muddenahalli	4,544/-	An <b>IoT (Internet of Things) Workshop</b> that focuses on hands-on learning can have a profound and positive impact on students, providing them with practical skills and knowledge that are directly applicable to the rapidly expanding world of connected devices.
5	16/05/2025	Workshop: "Industrial Applications of	Mr. Shrinidhi Deshapande, Advisory AI	4,500	A workshop focused on <i>industrial applications of AI</i>

		Artificial Intelligence: A Practical Insight"	Engineer at IBM Watsonx		provides students with deep, practical exposure to how AI is transforming real-world industries. Such a workshop creates both immediate and long-term impacts on student learning, motivation, and career readiness.
6	30/10/25	Workshop on Artificial Intelligence Applications in Networking Attacks	Mr. Abhishek B V, Security Engineer, WE45 Solutions India Pvt Ltd	3170	A workshop that focuses on the intersection of <b>AI</b> and <b>network security</b> —specifically how AI is used in networking attacks—has a transformative impact on students. It helps them understand both the offensive and defensive dimensions of cybersecurity in an AI-driven era

➤ **Events/Seminars/FDP/SDP/Conference/Technical talks organized (SHORT REPORT WITH PHOTOGRAPHS)**

**1. Two Days Hands-On Session on “Java Spring Boot Applications”**

Two days Student Workshop Hands-On Session on “Java Spring Boot Applications”. For Second Year and Third Year CSE (AI&ML) students on 13-09-2024 and 14-09-2024. The resource person was Mr. Harsha K S (Automation Specialist at Apple, India) and Mr. Yathish L (Analyst for the AADS team at Eli Lilly).

**Objectives:**

The objective of the session was to provide students with practical knowledge and hands-on experience in developing applications using the Java Spring Boot framework. The workshop aimed to bridge the gap between theoretical knowledge and practical application, equipping students with the skills needed for real-world software development.

**SESSION OVERVIEW:**

1. Introduction to Object-Oriented Programming (OOP)
2. Overview of Spring Framework
3. Introduction to Spring Boot
4. Setting up the Development Environment
5. Building a Simple Spring Boot Application
6. Spring Boot with Databases
7. Building a Full-Stack Web Application
8. Testing and Debugging

## 9. Project Development

## 10. Outcome of the Quiz

### CONCLUSION:

The two-day hands-on session on Java Spring Boot applications was a highly successful event. Students gained foundational programming skills, along with practical experience in developing applications using Java Spring Boot. The interactive learning experience helped students build confidence in their programming abilities, preparing them for more advanced topics and future projects.

To know the level of understanding about the workshop, a quiz was conducted at the end of the session and feedback was taken. The program was coordinated by Jayasimha, Associate Professor Department of MCA.

### Photos of the Program

## 2. Aadi Antha Prerna – Startup Pitch Competition Report

"Aadi Antha Prerna" event, held on 28th September 2024, was an inspiring startup pitch competition designed to promote innovation and entrepreneurship among aspiring entrepreneurs. This event successfully brought together 53 participants, mentors, and industry experts, providing a platform for new ideas and business models.

### Objectives

- Showcase innovative startup ideas.
- Facilitate connections between budding entrepreneurs and experienced mentors.
- Encourage creativity and entrepreneurial spirit.
- Foster networking opportunities within the startup ecosystem.

### Event Highlights

- **Judging Panel:**
  - Ranjan Jena, CEO of E-Market Education
  - Dr. Rekha, Associate Professor & Dean of Academics, JSSATEB
- **Keynote Speaker:** Dr. Anil B C, Associate Professor & Head of Dept. CSE (AIML), JSSATEB
- **Format:** Each startup presented for 10 minutes followed by a Q&A session.

### Feedback and Outcomes

Judges commended the creativity and practical approaches demonstrated by participants. Feedback highlighted the valuable networking opportunities and constructive insights provided to each startup. The top team will represent their idea at the “Eureka” zonal evaluation, with potential funding from investors. All participants received certificates to motivate their entrepreneurial journeys.

### Conclusion

The Aadi Antha Prerna Startup Pitch Competition was a significant success, showcasing the entrepreneurial spirit and innovative ideas of participants. The event concluded on a high note, inspiring future competitions and fostering growth within the entrepreneurial ecosystem.

### Photos of the Program

### 3. Cyber Security and Network Defense with AI Insights

The **Department of CSE (AI & ML), JSSATEB** hosted an engaging hands-on workshop titled "**Cyber Security and Network Defense with AI Insights**" on **28/11/2024**, designed to equip participants with cutting-edge skills and knowledge in the evolving domain of cybersecurity. Led by Mr. Abhishek V, Senior Security Manager L2 at IBM.

This workshop provided an in-depth exploration of the following key areas:

- **Cyber Security Fundamentals:** Insights into the core principles and practices essential for safeguarding digital infrastructure.
- **Network Defense Strategies:** Techniques and tools to identify and mitigate threats to network systems.
- **AI in Cybersecurity:** Practical demonstrations of how Artificial Intelligence can enhance security frameworks.
- **Introduction to LLMs:** Basics of Large Language Models and their potential applications in cybersecurity.

By integrating hands-on training with the latest advancements in cybersecurity and artificial intelligence, this workshop provided participants with valuable practical insights and industry-relevant skills essential for excelling in today’s competitive job market. The sessions were designed to bridge the gap between academic learning and real-world applications, ensuring that students could apply theoretical concepts to solve contemporary challenges in cybersecurity and network defence.

Through the expertise of the keynote speaker, participants gained exposure to cutting-edge tools and methodologies that are highly sought after in the tech industry. This initiative not only enhanced their technical proficiency but also fostered critical thinking and problem-solving skills, which are pivotal for addressing dynamic industry demands. By equipping students with these competencies, the workshop aimed to position them as competitive candidates for high-value roles in the rapidly evolving fields of artificial intelligence, cybersecurity, and network engineering, thereby significantly boosting their career readiness and placement potential.

### **Key Takeaways from the Workshop**

1. **Understanding Cybersecurity Fundamentals:** Participants gained a clear understanding of essential cybersecurity concepts and best practices for securing digital assets.
2. **Insights into Network Defense Strategies:** Practical knowledge of tools and techniques to protect network systems against evolving threats.
3. **Role of AI in Cybersecurity:** Exposure to how Artificial Intelligence can enhance threat detection, response, and overall security architecture.
4. **Introduction to Large Language Models (LLMs):** Basic understanding of LLMs and their potential applications in the field of cybersecurity.
5. **Hands-on Experience:** Real-time demonstration of cybersecurity tools and AI-driven defense mechanisms to tackle real-world challenges.
6. **Industry Expertise:** Learning from **Mr. Abhishek V**, Senior Security Manager L2, IBM, who shared real-world insights and best practices.
7. **Bridging Academia and Industry:** Alignment of workshop content with current industry demands, making participants placement-ready.
8. **Enhancing Critical Thinking:** Development of analytical and problem-solving skills to address complex security challenges.
9. **Networking Opportunities:** Interacting with industry professionals and gaining insights into career opportunities in cybersecurity and AI.
10. **Boosting Career Readiness:** Equipping students with the skills and knowledge required to excel in high-demand roles in cybersecurity and AI-focused industries.

### **Photos of the Program**

#### 4. IoT Workshop – A Hands-On Session

Organized by: Department of CSE (AI & ML)

Date: April 21, 2025

Venue: Seminar Hall 1, A Block, JSSATEB Campus

Resource Person: Dr. Nirmala Hiremani, VTU Centre for PG Studies, Muddenahalli

The Department of Computer Science and Engineering (AI & ML), JSS Academy of Technical Education, Bengaluru, successfully conducted a full-day **IoT Workshop – A Hands-On Session** on **April 21, 2025**, as part of the first-year course *Introduction to IoT*. The session was held in **Seminar Hall 1, A Block**, and witnessed enthusiastic participation from **over 90 first-year students** of the CSE (AI & ML) branch.

The workshop was led by **Dr. Nirmala Hiremani**, an esteemed faculty member from VTU Centre for PG Studies, Muddenahalli, who brought in rich insights and practical perspectives on Internet of Things (IoT) concepts and real-world applications. The session began at 10 AM and continued till 4 PM, covering both theoretical foundations and hands-on implementation of IoT systems.

Under the able guidance of **Dr. Roopa D N** (Workshop Coordinator and Assistant Professor, Dept. of ME), and support from **Dr. Anil B C** (HOD, CSE - AI & ML), and **Dr. Bhimasen Soragaon** (Principal, JSSATEB), the workshop provided an engaging learning environment that helped students strengthen their understanding of IoT through experiential learning.

The hands-on sessions allowed participants to interact with IoT components, sensors, and microcontrollers, boosting their confidence in building simple IoT models. The workshop not only enriched the students' technical knowledge but also encouraged curiosity and innovation in applying IoT to solve real-world challenges.

Overall, the workshop was highly appreciated by the students and faculty alike, and it marked a significant step in nurturing future-ready professionals in the field of Artificial Intelligence and Machine Learning.

Immense gratitude to **Dr. Anil B C** (HOD, CSE - AI & ML), and **Dr. Bhimasen Soragaon** (Principal, JSSATEB) and **Management** for supporting such an wonderful program.

#### Photos of the Program

#### 5. Workshop: "Industrial Applications of Artificial Intelligence: A Practical Insight"

The one-day workshop on "Industrial Applications of Artificial Intelligence: A Practical Insight", held on 16th May 2025, brought together industry experts and aspiring professionals to explore the transformative role of Artificial Intelligence (AI) in various industrial domains. The event was designed to bridge the gap between theoretical knowledge and practical, real-world AI implementations, offering participants a rich and insightful learning experience.

The workshop featured two eminent speakers:

Mr. Shrinidhi Deshapande, Advisory AI Engineer at IBM Watsonx, delivered an engaging session focused on the healthcare applications of AI and Machine Learning (ML). He highlighted how AI technologies are revolutionizing diagnostics, predictive analytics, patient monitoring, and personalized medicine. His session included real-world case studies and showcased how AI tools are being integrated into hospital systems and pharmaceutical research to improve efficiency, accuracy, and patient outcomes. Participants gained valuable insights into the ethical considerations and challenges of deploying AI in sensitive areas like healthcare.

Mr. Vijay Shanthagiri, Founder & CEO of Analogica Software Development Pvt. Ltd., provided a deep dive into Artificial Neural Networks (ANN). His technical presentation dissected the architecture and functioning of neural networks, and illustrated how ANN models are applied in industry to solve complex problems such as image recognition, pattern analysis, and predictive maintenance. The session also covered practical aspects like model training, data handling, and optimization techniques, making it highly relevant for students and professionals seeking to enhance their AI capabilities.

In conclusion, the workshop successfully delivered on its promise of providing practical insights into industrial AI applications, leaving participants equipped with knowledge and inspiration to apply AI in their own domains. It was a truly enriching experience that emphasized the real-world potential of Artificial Intelligence when aligned with domain-specific needs and innovations.

### **Photos of the Program**

## **6. Workshop on Artificial Intelligence Applications in Networking Attacks**

**Instructor:** Mr. Abhishek B V, Security Engineer, WE45 Solutions India Pvt Ltd.

**Date:**30/10/2025

**Organizers:** Department of CSE(AI and ML)

**Participants:**5<sup>th</sup> Semester students & Faculty Members

**Total number of participants:** 85

### 1. Executive Summary

This report summarizes a practical, hands-on cybersecurity session led by Mr. Abhishek. The session introduced students to core offensive and defensive tools and platforms used in modern cyber security practice, demonstrated techniques like SQL injection testing and network reconnaissance, and pointed learners to structured training resources (TryHackMe) and governance resources (SBOM guidance). Attendees praised the session as informative and useful for getting started with practical security work.

### 2. Learning Objectives

- Introduce common open-source tools used in security testing (reconnaissance, exploitation, and web testing).
- Demonstrate automated SQL code testing and common vulnerabilities (SQL injection).
- Provide hands-on exposure to platforms for learning and responsible disclosure (TryHackMe, HackerOne).
- Familiarize students with software component transparency and supply-chain considerations (SBOM).
- Encourage safe, legal, ethical practice and further self-study.

### 3. Topics & Tools Covered

#### Tools(Practical)

- **SQLmap** — Automated tool to detect and exploit SQL injection flaws; useful for testing how input is handled and whether parameterization/sanitization is effective.
- **Nmap**—Networks scanning and port discovery tool for reconnaissance.
- **Metasploit** — Exploitation framework for validating vulnerabilities and learning exploitation workflows.
- **Burp Suite (Community Edition)** — Web application proxy for intercepting, manipulating, and testing HTTP(S) traffic.
- **Wireshark**— Packet capture and deep network protocol analysis.
- **Wappalyzer** — Browser extension to identify technologies used by websites (useful for reconnaissance).
- **Dir Buster (or similar)** — Directory brute-forcing tools to discover hidden endpoints and files.

#### Concepts & Platforms

- **Denial of Service (DoS) attack** — Conceptual overview of how DoS works; emphasis on ethics and

legal boundaries (demonstrations only in lab or simulated environments).

- **TryHackMe** — Guided, gamified online labs for learning cybersecurity fundamentals and practice in a safe environment.
- **HackerOne (for Hackers)** — Introduction to responsible disclosure, bounty programs, and how to report/find real-world vulnerabilities ethically.
- **SBOM Guide 2025 (OPSWAT)** — Overview of Software Bill of Materials best practices and how SBOMs turn compliance into a security asset (supply-chain security).
- **SQL Injection** — Explanation of attack vectors, demonstration references (e.g., blog posts and HackerOne write-ups) and four prevention strategies (input validation, prepared statements, least privilege, parameterized queries).

#### 4. Practical Session Highlights

- **Hands-on demos:** Using SQLmap to automate detection of SQL injection points; intercepting requests in Burp Suite; scanning targets with Nmap and analyzing packet captures with Wireshark.
- **Tool installation & verification:** Participants confirmed installations (Burp Suite Community Edition, Wappalyzer, Wireshark) and tried simple workflows.
- **Ethical framing:** Emphasis on executing any tests only in authorized, lab-controlled environments such as TryHackMe rooms or college-hosted labs.

#### 5. Key Take a ways for Students

- Open-source tools like SQLmap, Nmap, Metasploit, Wireshark, and DirBuster enable effective learning but must be used responsibly.
- TryHackMe is a strong starting point to translate theoretical knowledge into practical skills safely.
- Understanding SBOMs and supply-chain visibility is becoming essential for modern security practices.
- Responsible disclosure platforms (HackerOne) provide real-world channels to practice and contribute while staying within legal/ethical boundaries.
- Preventive measures (e.g., prepared statements, input validation, least privilege) are practical and essential to mitigate SQL injection and similar issues.

#### 6. Recommendations

1. **Follow-up labs:** Organize structured TryHackMe paths (Beginner Web Hacking, Linux Fundamentals, Network Fundamentals) as coursework or weekly challenges.
2. **Create a lab environment:** Provide VM or container-based labs where students can safely use Metasploit, SQLmap, and DoS simulations without legal risk.
3. **SBOM awareness:** Integrate a short module on SBOMs and supply-chain security (use the OPSWAT SBOM Guide 2025 as reference material).
4. **Capture and report:** Ask students to document one lab exercise and submit a short write-up (tools

used, commands, findings, and prevention steps) to reinforce learning.

5. **Ethics & disclosure training:** Provide a primer on responsible disclosure and legal/ethical boundaries before any offensive tooling is taught.

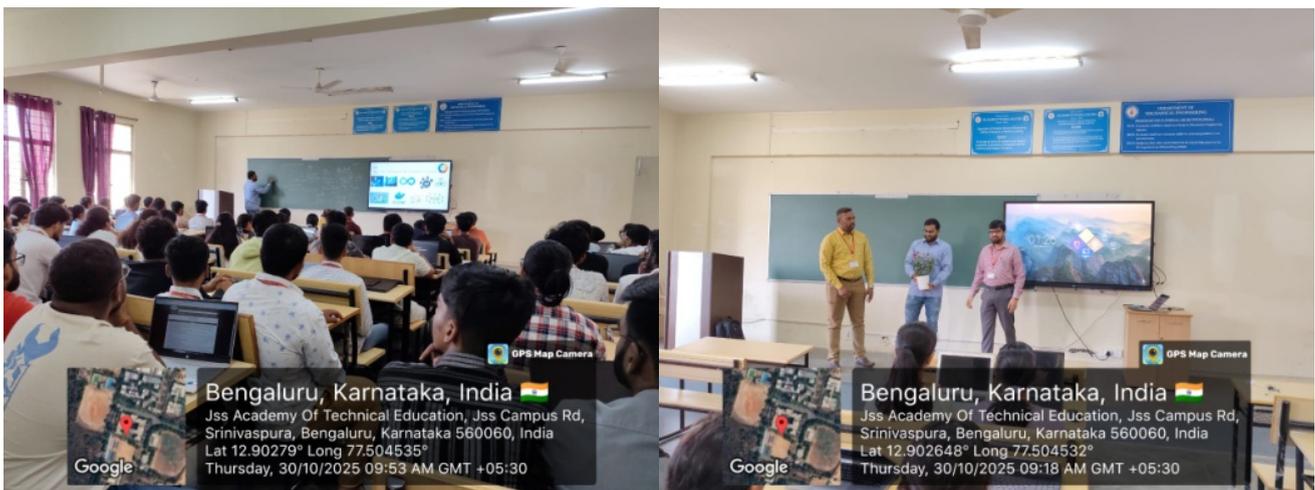

## 7. Suggested Lab Exercises(Beginner→Intermediate)

- **Beginner:** Set up a TryHackMe room and complete the Getting Started path; identify vulnerable input and explain mitigation.
- **Intermediate 1:** Use SQLmap against a deliberately vulnerable lab target; document the payload used and remediation.
- **Intermediate 2:** Perform Nmap reconnaissance and use Wireshark to capture and analyze a simple HTTP exchange.
- **Advanced:** Simulate a web app test using Burp Suite to find and responsibly report a low-severity issue to an instructor-run bug bounty program.

## DEPARTMENT OF ELECTRONICS & COMMUNICATION

### ABOUT THE DEPARTMENT

The Department of Electronics & Communication Engineering was started in the year 1997 with an intake of 60. Presently the intake of the Undergraduate Program is 180. Undergraduate Program is accredited 4 times and recent being in the year 2023-24 for 03 years. The Post Graduate M.Tech Course in VLSI Design & Embedded System was started in the year 2021 with an intake of 12 students.

The Department is currently headed by Dr. Veerabhadrappe S.T, M. Tech and Ph.D. The Department has well-equipped laboratories, Departmental Library, IEEE-JSSATE Student Branch, ISTE and IETE Student Forum. Department is strengthened by well-qualified faculty members whose main aim is to make students aware of the cutting-edge technology with competence, commitment & teamwork. The Department has an excellent infrastructure for both Under Graduate and Post Graduate Degree with a separate Academic block. Continuous interaction with industries is established through sponsored projects & industrial visits.

Invited lectures are organized regularly in the field of emerging technologies from industry and Academic experts. Also, IEEE technical fest is organized every year to provide a platform for the students to exhibit their talents. Industrial visits are organized as a part of the curriculum. The projects are carried out by the students in industries and the Department, covering all aspects of the Electronics and Communication Engineering field. Soft skills programs are conducted through Placement cell to improve the overall personality development of the students.

The department faculty members have published around 190 journals & 100 conference papers. There are 18 faculty members with doctorate and 12 faculties who are pursuing the Ph.D.

The research and Development Centre of the Electronics & Communication Engineering department was approved in July 2014. The R&D centre carries out fundamental research in selected areas of Power & control engineering, Signal & image processing, VLSI, Communication, Cryptography, Signal and Image Processing, Wireless Sensors Network, Fault Tolerance, Bio-medical Signal Processing, Machine Learning and Deep Learning., The R&D centre has many facilities like computers, internet facility, cadence software & the measuring instruments.

Department has a good Alumni network and meet is conducted annually. Parents Teachers Meeting is conducted every semester. The department has excellent placement and around 80% of students are placed in reputed companies with an average package of 5 lakhs. Department faculty have got funding of 96 lakhs from various funding agencies like VGST, TEQIP, KCTU a few to name.

### VISION, MISSION OF THE DEPARTMENT

#### VISION of ECE Department:

Enable the students to achieve academic excellence at par with premier institutes and to meet the requirements of industry and research in the field of Electronics and Communication Engineering.

#### MISSION of ECE Department:

M1: Orient the students to meet global challenges in the field of Electronics and Communication Engineering with state-of-the-art facilities and good teaching- learning process.

M2: Impart knowledge in the emerging areas through Industry Institute-interaction, seminars, workshops and conferences.

M3: Provide a strong foundation in core subjects to enable the students for continuous learning and research.

M4: Facilitate students for soft skills and professional ethics.

### FACULTY ACHIVEMENTS

#### **Addition funding details**

#### **International Conference–GOC Scheme (Rs.3 Lakhs Approved on 28.02.2025)**

This international conference strengthens **IIC, NISP, and JSSATEB-STEP activities** by creating a global platform for innovative ideas in agrivoltaics, renewable energy, machine learning, and smart farming. It promotes interdisciplinary research, encourages student startups, and enhances industry–academia collaboration. The event also supports NISP goals through **Startup Expo and Ideathon**, fostering innovation and entrepreneurship among students and faculty.

### AICTE-IDEA Lab–Rs.90 Lakhs Approved on 25.03.2025

The AICTE-IDEA Lab significantly boosts IIC, NISP, and JSSATEB-STEP by providing an advanced prototyping and innovation facility for students and faculty. It accelerates product development, supports startup incubation, and enables hands-on learning aligned with NISP’s innovation and commercialization goals. The lab also strengthens the

innovation ecosystem through interdisciplinary research, real-world problem solving, and stronger industry collaborations.

- ❖ Dr. Mallikarjuna Swamy Associate Professor delivered a guest lecture on “**Research Proposal Writing and Funding Opportunities**” at **Global Academy of Technology (GAT), Bengaluru on 4<sup>th</sup> July 2025**

#### Description:

The session titled “*Research Proposal Writing and Funding Opportunities*” provided detailed guidance on the process of drafting, structuring, and refining successful research proposals. Dr. Mallikarjunaswamy S elaborated on identifying relevant funding agencies, aligning institutional capabilities with scheme objectives, and building multidisciplinary research collaborations. Participants were briefed on funding schemes under AICTE, MSME, DST, VGST, and ICSSR, highlighting best practices for proposal evaluation and

sustainability.

**Key Highlights:**

- Step-by-step methodology for developing strong proposals.
- Insights into effective budget planning and justification.
- Strategies for identifying interdepartmental and industry collaborations.
- Guidance on transforming innovative concepts into fundable proposals.

**Outcome:**

Faculty members gained clarity on funding application mechanisms, improved confidence in project proposal formulation, and strengthened their institutional readiness for competitive grants.

**❖ STUDENT CLUB: ATHARVA 2K25****About the club:-**

The Department of Electronics and Communication Engineering, JSS Academy of Technical Education, Bengaluru, in association with JSSATEB-STEP, proudly organized ATHARVA 2K25, our annual inter-college fest held on 30<sup>th</sup> & 31<sup>st</sup> October 2025. The two-day celebration blended innovation, culture, and unity featuring events like Ideathon 2025, Flash Mob, Kerala Chende Performance, Sports Competitions, Teachers' Games, Kalamahotsav, and the vibrant Garbha Night. More than 71 teams showcased creativity and teamwork, reflecting the spirit of Atharva,

where ideas meet celebration. A heartfelt thanks to our faculty, students, and judges for making ATHARVA 2K25 a memorable and impactful success.

### ❖ Think 2 Impact – IDEATHON 2025

IDEATHON 2025 was organized under Atharva Student Forum by department of Electronics and Communication Engineering, JSS Academy of Technical Education, Bengaluru, in collaboration with JSSATEB-STEP on 30<sup>th</sup> October 2025. The prize amount was ₹35,000. Over 71 innovative teams showcased creativity and strong problem-solving skills.

JSSATEB STEP in association with ATHARVA, Department of Electronics & Communication Engineering and VSPRO Trading Academy organised the Career Awareness Programmes for platform to think, innovate, and inspire across disciplines on 6th September 2025.

**FACULTY DEVELOPMENT PROGRAMME ORGANIZED**

“Trends and Challenges in Semiconductor Technology, Artificial Intelligence and Machine Learning: Research Perspective”  
(23<sup>rd</sup> June 2025 to 2<sup>nd</sup> July 2025)

**Organized by:** Department of Electronics and Communication Engineering, JSS Academy of Technical Education, Bengaluru, in association with Electronics and ICT Academy, NIT Warangal

**Date:** 23<sup>rd</sup> June 2025 to 2<sup>nd</sup> July 2025

**Mode:** Online through Google Meet

**Coordinators :** Dr. Kavitha M, AP, Department of ECE, JSSATEB

Dr. Ekta Goel, AP, Department of ECE, NITW

**Introduction**

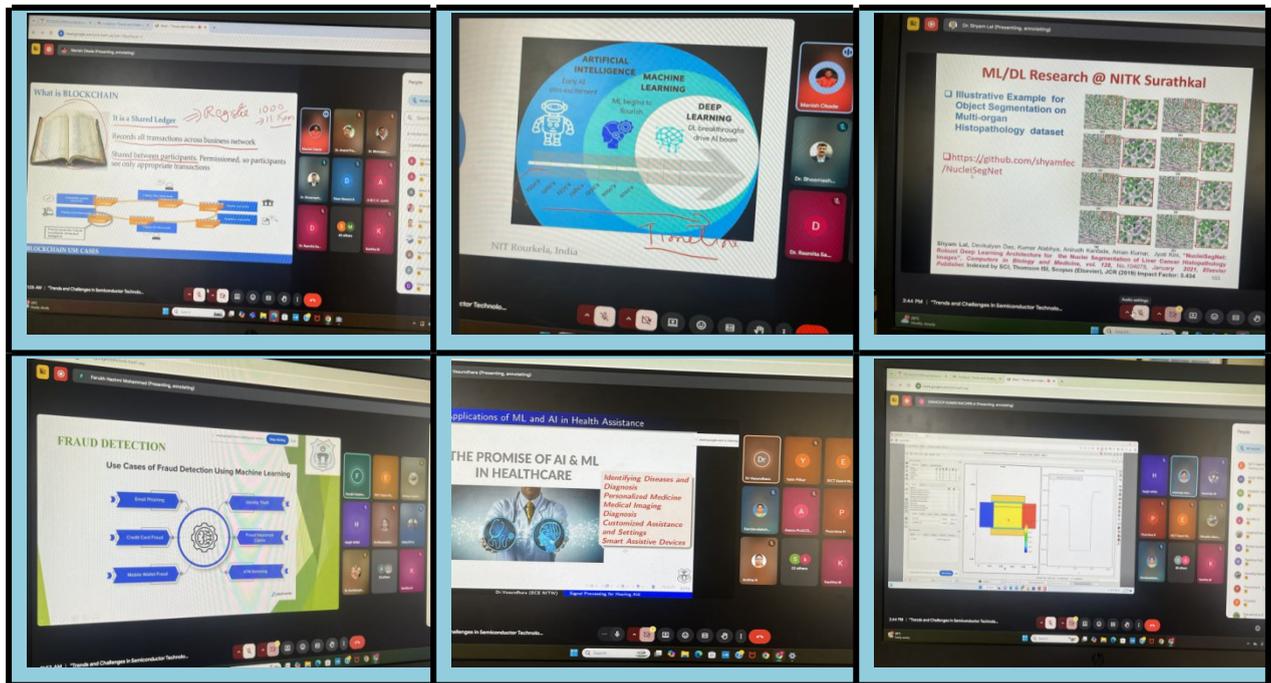

The Department of Electronics and Communication Engineering, JSS Academy of Technical Education, Bengaluru, in association with Electronics and ICT Academy, NIT Warangal successfully organized 10-Days Online Faculty Development Program on “Trends and Challenges in Semiconductor Technology, Artificial Intelligence and Machine Learning: Research

Perspective”, Sponsored by Ministry of Electronics and Information Technology, Government of India, from 23<sup>rd</sup> June 2025 to 2<sup>nd</sup> July 2025 via Google meet. The program was conducted virtually to facilitate participation from faculty across various locations.

The FDP was attended by 52 participants from various institutions and departments, including ECE and CSE. The diverse participation enriched the discussions and interactions throughout the program.

### Program Structure and Sessions

The 10-day program included 20 sessions, each 2 hours long, for a total of 40 hours. Sessions were conducted by eminent resource persons including academicians and industry experts.

## IDEATHON-2025 NASA INTERNATIONAL SPACE APPs CHALLENGE 2025

NASA INTERNATIONAL SPACE APPs CHALLENGE 2025 in Karnataka State, hosted by JSS Academy of Technical Education, Dept of Electronics and Communication Engineering, Bangalore.

The NASA International space app challenge is a collaborative event lead by NASA conducted in different regions all around the world to bring out solutions for everyday problems using open source technologies. This Ideathon conducted amongst colleges where students pitch their ideas and innovations to solve problems in the society. NASA leads this global collaboration along with a number of government collaborations and over 100 local organizing teams across the Globe.

NASA International Space APP Challenge-2025, organized by department of Electronics & Communication Engineering, JSSATEB in association with NASA & Pravishya Tech on 26<sup>th</sup>September 2025. Around 293 students (72 batches) from various colleges of Karnataka have

participated in this event.

**Event-Details: Pre Boot Camps, Event Date 2025, Date: 26<sup>th</sup> September 2025**

No of participants registered: 293 No. of Team Registered: 72 teams

### Results

- The event was successful with 293 participants (72 teams)
- Participation certificates are handed over to all the participants.
- Among 72 teams, 3 teams are selected as winners.
- Winners are awarded with medals & cash prizes
- All participants are allowed to update their PPTs to the NASA web page on 4<sup>th</sup> October 2025. The results were announced on NASA web page on 5<sup>th</sup> October.
- Winners nominated for Global NASA space apps challenge 2025

### ❖ Technical talk Organized:-

Title: Technical talk on **Opportunities & Avenues in Research and Higher Studies.**

Category: Technical talk.

Date: 10<sup>th</sup> September 2025

No. of Resource Persons: 1

No. of Participants: 110

Main Resource Person with Designation: Mr. Abhilash Kaparthy, GEEBE Education Partner

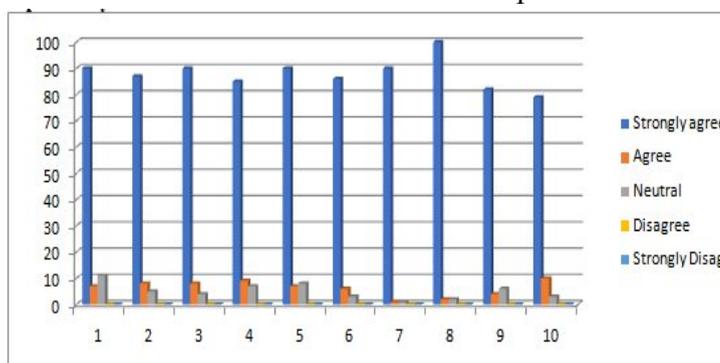

Mode: Offline

Objective: To discuss importance of research and higher studies.

Report: The technical talk were addressed by our esteemed resource person Mr. Abhilash Kaparthy and co-ordinated by our respectable faculty members Dr. Aravind HS, and Dr. Savitha AC. Our sessions mainly focused on research and higher studies.

#### Outcomes

- Understanding the Expanding Scope of Research.
- Identifying Key Areas of Opportunity.
- Career Pathways and Opportunities in Research.
- Funding Mechanisms and Support for Research.
- Personal and Societal Impact of Research

Impact analysis of technical talk

Photographs of session:

### ❖ Student Development Programme Organized:-

## Embedded System Design and Testing

Organizers by Department of Electronics and Communication Engineering

Resource Person(s) with Designation: Mr. Shivananda Gowda and Team

Associate Director (Software & Embedded Systems)  
Transdigm India Design Center, Bengaluru

### Objectives:

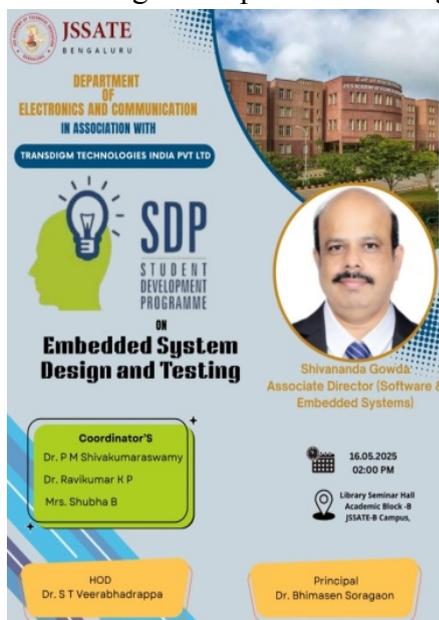

- To provide learning platform for students in the field of Embedded System.
- To provide Practical exposure to students by demonstrating projects.

### Report

The workshop was inaugurated by Dean Student welfare Dr. D. Maheshkumar, Prof Dr. H S Aravind, and Dr. P M Shivakumaraswamy, Department of Electronics and Communication Engineering. Dr. Ravikumar K P, introduced the Resource Person to the gathering and Dr. P M Shivakumaraswamy welcomed the Resource person with a Bouquet. Dr. P M Shivakumaraswamy, informed the students about the importance of the organizing workshop on recent technology to the students. Mr. **Shivananda Gowda**, resource person started session1 by addressing the transition challenges students face while moving from college to an industrial environment. He then elaborated on the software-hardware development cycle, explaining in detail the integration of microcontroller hardware with software and the general programming guidelines that govern this interaction. Mr. Gowda also shared insights into some of the projects currently being undertaken at Transdigm Technologies, notably:

### Outcome of SDP:

The SDP on Embedded Systems offered students a real-world perspective on both software and hardware design processes. The sessions were rich in industry knowledge, bridging the gap between academic learning and industrial practices. It not only enhanced the technical understanding of embedded systems but also provided valuable insights into the expectations and challenges of a professional engineering environment.

The poster for the Student Development Programme (SDP) on Embedded System Design and Testing. It features the JSSATE Bengaluru logo at the top left, followed by the Department of Electronics and Communication Engineering. The event is in association with Transdigm Technologies India Pvt Ltd. The main title is 'SDP STUDENT DEVELOPMENT PROGRAMME ON Embedded System Design and Testing'. A circular portrait of Shivananda Gowda, Associate Director (Software & Embedded Systems), is featured. Below the portrait, the coordinators are listed: Dr. P M Shivakumaraswamy, Dr. Ravikumar K P, and Mrs. Shubha B. The event date is 16.05.2025 at 02:00 PM, held in the Library Seminar Hall, Academic Block-B, JSSATE-B Campus. The HOD is Dr. S T Veerabhadrapa and the Principal is Dr. Bhimassen Soragaon.

## **Industry Institute Interaction**

### **❖ RAC Solutions–Industry Interaction on VLSI Applications**

An industry interaction session was jointly conducted by JSSATEB STEP, Department of ECE, and RAC Solutions. The program focused on introducing first-year students to the applications of VLSI and semiconductor design. Experts from RAC Solutions guided students on industrial trends, mentoring opportunities, and project development pathways, enhancing awareness of real-time chip design workflows.

Outcome: Practical mentorship exposure and industry linkage for first-year students.

### **❖ STEG On Z–Product Development & Internship Engagement**

A new incubatee, STEGO nZ, began its operations under IIC, NISP & JSSATEB STEP. The company engaged students in product prototyping and design, offering paid internships from the first year. This initiative helps students gain experience in industry-grade product standards, develop prototypes, and align their technical skills with emerging job-market needs.

Outcome: Early-stage entrepreneurship experience and internship support for students.

### **❖ RAC SEMI–VLSI Innovation Commitment**

RAC SEMI, an active incubatee, launched a VLSI innovation program at JSSATEB STEP. Students began developing an ONFI-Compatible NAND Controller IP using Xilinx FPGA

and Vivado tools. This project emphasizes RTL coding, FPGA prototyping, and IP core development.

Outcome: Students gained real-time VLSI design exposure and industry-grade technical

## Activities Conducted Under IIC, NISP and JSSATEB-STEP: PRAGYAN 2025

PRAGYAN 2025 was successfully organized by the Department of Electronics and Communication Engineering under the Atharva Student Forum as part of the Institution's Innovation Council (IIC), National Innovation and Startup Policy (NISP), and SSATEB- STEP initiatives. The event integrated innovation, entrepreneurship development, and student engagement through a series of impactful activities, including the Ideathon and Esports competitions. The Ideathon attracted 50 teams from leading institutions, fostering creative thinking, problem-solving skills, and early-stage startup ideas, while the E sports competitions enhanced team work, leadership, and management abilities among 40 participating teams. This programme significantly strengthened the campus innovation eco system by promoting interdisciplinary collaboration, nurturing entrepreneurial mind sets, and providing students with experiential learning opportunities aligned with IIC and NISP.

❖ Dr.Mallikarjunaswamy S, visited **NIE-CREST (Centre for Renewable Energy & Sustainable Technologies)** at **The National Institute of Engineering (NIE), Mysuru**, from 28<sup>th</sup> to 30<sup>th</sup> November 2024. During these three days of engaging sessions, several critical topics were deliberated, including advancements in hybrid inverter technologies, renewable energy-based smart grid applications and their practical implications. Additionally, detailed discussions were held regarding the conceptualization and submission of an Indo-German project proposal.

Moreover, we explored potential opportunities for collaboration between JSS Academy of Technical Education (JSSATE), Bengaluru, and renowned **German organizations such as TEC4FUELS and OWI SCIENCE4FUEL**. These discussions emphasized a shared vision of fostering innovation in renewable energy technologies and sustainable practices.

In partnership with **NIE-CREST and the aforementioned German-based companies**, we plan to finalize and submit the Indo-German project proposals in the coming days. Additionally, within three days, **I will prepare and submit a detailed report on the interactions and collaborations undertaken during this academic and industrial engagement.**

#### ❖ Industrial Visit

4 members of faculty visited IISC Drone Lab, Bengaluru along with 1<sup>st</sup> & 3<sup>rd</sup> semester

M.Tech students on 15<sup>th</sup> March 2025

### **Alumni Contributions**

Alumni have always been the intrinsic strength at JSSATEB and a have played an active role in driving a number of high impact initiatives for the Institute.

1. To deliver technical talks to student.
2. To adjudicating the project exhibition open day.
3. Supporting student internships.

## DEPT OF ELECTRONICS & INSTRUMENTATION ENGG.

### ABOUT THE DEPARTMENT

The Department of Electronics and Instrumentation Engineering was established in the year 1997, affiliated to Visvesvaraya Technological University, Belagavi, Karnataka. with an intake of 60 students. The Department is also recognized as research centre to offer Ph.D. programme. The primary objective of the department is to equip students to cater Industry/Societal needs.

### VISION

To become globally competent in the field of Electronics and Instrumentation Engineering through education, research and personality development.

### MISSION OF THE DEPARTMENT

M1. Provide education by enriching students with technical knowledge and skills through holistic learning environment and state of the art facility

M2. Encourage students to pursue higher education and engage themselves in research and development

M3. Instil students with professionalism and ethics who can work to fulfil the needs of industry and society

2.	Invited talk on "Growth Mindset in Engineering Students"	Mr. Naveen Chandra, Global Product Manager of ABB Global Industries and Services Ltd.	26/04/2025	110	Harshitha S, Assistant Professor, Dept of E&IE, JSSATEB.
3.	Expert talk on "Beating the Blood Curse: Deploying Science to Defeat Sickle Cell Anemia."	Dr. Rajesh Srinivasan, Scientist at IISc, Bengaluru,	25/04/2025	139	Sowmya M S, Assistant Professor, Dept of E&IE, JSSATEB.
4.	Technical talk on "Machine Learning tools for Biomedical Instrumentation"	Dr. P B Mallikarjun JSSATE Bengaluru	08/04/2025	50	Dr. Sharada S dambal Assistant Professor, Dept of E&IE, JSSATEB.
5.	Seminar on "Road to IITs & PSU Job through GATE"	Mr. Vipin Kumar Mishra, Lead Mentor at IMS GATE Academy, Bengaluru. and Mr. Sanjeev Kumar, Manager-Student Awareness IMS Learning Resources Pvt Ltd, Bengaluru.	20/03/2025	119	Nagarathna N, Assistant Professor, Dept of E&IE, JSSATEB.
6.	Seminar on "Future-Ready: Leadership and Entrepreneurship in a Technological Era"	Sowmya C U, Assistant professor, Dept OF MBA, JSSATEB.	12/12/2024.	64	Sowmya M S, Assistant Professor, Dept of E&IE, JSSATEB.

7.	Technical talk on “Road map to data science and analytics”	Ms. Amruthavalli M, a data scientist at Cognext Analytics in Bengaluru	23/11/2024	70	Shilpa H R Assistant Professor, Dept of E&IE, JSSATEB.
8.	Workshop on “Virtual Reality Experiences for Various Domains”	Dr. Kazuya Suzuki, Yokogawa Japan Mrs. Megha Chandrashekara, Yokogawa Japan. Mr.Sivaprakasam Gokula Krishnan, Yokogawa Engineering Asia Pte Ltd., Singapore. Mr. Zin Tun Nay, Yokogawa Engineering Asia Pvt Ltd.,Singapore. Mrs. Lakshmi S., Head of Training, Yokogawa India Limited	21/11/2024	30	Dr. Sharada S dambal Assistant Professor, Dept of E&IE, JSSATEB.
9.	Workshop on “Process Automation and Control-Next Gen Solutions”	Ms.Lakshmi SHead-Technical Training, TUV Rheinland Approved Functional Safety Trainer.Yokogawa India Limited. Bengaluru. Mr.Vinay Raj, Training Execution In charge, Yokogawa India Limited. Bengaluru.	08/11/2024	124	Nagarathna N, Assistant Professor, Dept of E&IE, JSSATEB.
10.	Seminar on “Skill Enhancement and Career Advancement for successful Career”	Mr. Subhankar Dhar, Renowned Career Expert & Speaker - IMS Learning Resources Pvt. Ltd., Bengaluru.	30/09/2024	64	Nagarathna N, Assistant Professor, Dept of E&IE, JSSATEB.

### 1. Workshop titled "Introduction to the Semiconductor Industry"

The Department of Electronics & Instrumentation Engineering at JSSATE, Bengaluru, in collaboration with the Instrument Society of India and Infineon Technologies, organized a workshop titled “*Introduction to the Semiconductor Industry*” on May 5th, 2025.

The workshop aimed to provide students with insights into the semiconductor industry, emphasize the importance of STEM education, and bridge academia–industry gaps. Mr. Balasubramanian Prakash, Distinguished Principal & System Architect at Infineon, introduced the company and highlighted career

prospects in the sector.

The event was graced by Dr. Rekha P M (Dean – Academics), Dr. D Maheshkumar (Dean – Student Welfare), and Dr. K S Bhanumathi (HoD, E&IE). Technical sessions included expert talks by Mr. Prakash on STEM relevance, and experience sharing by Infineon engineers Mr. Boya Vinay Kumar and Mr. Bagewadi Sharvil Vijayanand. Mr. Balajee Sheshadri also delivered a talk on modern electronics.

## 2. Invited talk on "Growth Mindset in Engineering Students"

On April 26, 2025, an invited seminar on "Growth Mindset in Engineering Students" was hosted by the Department of Electronics & Instrumentation Engineering. The speaker was Mr. Naveen Chandra, Global Product Manager of ABB Global Industries and Services Ltd. and a department alumnus. The program was attended by the fourth, sixth, and eighth semester students of the Dept. The main traits of a growth mindset in engineering students were emphasized by the speaker. Additionally, he highlighted the advantages of developing a growth mindset. He added that rather than being innate

qualities, our brains and skills may be enhanced with commitment and effort. Students who adopt this perspective are more likely to rise to difficulties, persevere through setbacks, and see failures as teaching moments.

### 3. Expert talk on "Beating the Blood Curse: Deploying Science to Defeat Sickle Cell Anemia."

The Department of Electronics & Instrumentation Engineering (E&IE), JSS Academy of Technical Education, Bengaluru, officially inaugurated the Instrumentation Society of India (ISOI) Student Chapter on 25th April 2025. This initiative aims to provide students a professional platform to engage with the evolving world of instrumentation and technology.

The event was honored by Mr. Hanukumar (Program Manager, ISOI, IISc), Dr. Rajesh Srinivasan (Scientist, IISc), Dr. Rekha P M (Dean – Academics), Dr. D Mahesh Kumar (Dean – Student Welfare), Dr. Bhanumathi K S (HoD, E&IE), and Mrs. Sowmya M S (ISOI Coordinator). Faculty and students participated enthusiastically.

Dr. Rajesh Srinivasan delivered an expert talk on "*Beating the Blood Curse: Deploying Science to Defeat Sickle Cell Anemia*", highlighting gene therapy and diagnostic technologies. A hands-on demonstration of a diagnostic kit provided practical insights into disease detection, linking engineering and healthcare.

The event was coordinated by Mrs. Sowmya M S, whose efforts ensured its success. Appreciation is extended to Mr. Hanukumar for his vital support in establishing the ISOI chapter. Membership was extended to 4th and 6th semester E&IE students.

#### 4. Technical talk on “Machine Learning tools for Biomedical Instrumentation”

The Department of Electronics and Instrumentation Engineering organized a hands-on session on *"Machine Learning Tools for Biomedical Instrumentation"* on Tuesday, 8th April 2025. The event was held at the Block B, Library Seminar Hall, JSSATEB campus.

The session began at 2:00 PM with a welcome address by Dr. Sharada S Dambal, Assistant Professor, Department of Electronics and Instrumentation Engineering and was followed by the introduction of the session expert. Dr. Mallikarjun was formally welcomed by the Dr. Bhanumathi K S, Head of the Department of Electronics and Instrumentation Engineering,

Dr. Mallikarjun started the workshop by explaining the fundamental machine learning tools and techniques, and how they can be effectively applied in the field of biomedical instrumentation. He demonstrated how machine learning can enhance the performance of biomedical devices through real-world examples. To give the participants a practical perspective, he illustrated the classification of patients with different diseases versus normal patients using a machine learning model, highlighting

how such techniques can aid in faster and more accurate diagnosis.

The session was highly interactive, featuring practical exercises and demonstrations that engaged the participants and helped them gain hands-on experience in implementing machine learning models with biomedical data.

## 5. Seminar on “Road to IITs & PSU Job through GATE”

A seminar on “Road to IITs & PSU Job through GATE” was organized by the Department of Electronics and Instrumentation Engineering on Thursday, 20<sup>th</sup> March, 2025 at JSSATEB, by Mr. Vipin Kumar Mishra, Lead Mentor at IMS GATE Academy, and Mr. Sanjeev Kumar, Manager-Student Awareness IMS Learning Resources Pvt Ltd, Bengaluru was the guest lecturer of the seminar.

## Highlights of the Session are:

**Public Sectors Job (PSU)** - Direct Interview Call in 58 companies HAL, IOCL, BHEL, GAIL, ONGC.PGCIL, etc (5000 Vacancies Approx.). Package after training ranges from 12 LPA to 20 LPA.

## Latest Trend in PSU jobs & Recent Notification.

**Tips & Tricks:** Covered important GATE concept and PYQ, and Challenges in preparation.

**Government Sector Jobs entrance exams:** KPTCL, KPSC, BESCO, ECIL, RRB JE, DMRC etc. entrance exams can be cracked by the help of GATE preparation. Syllabus is the same as that of GATE.

**Private Sectors Jobs** – Get more preference in Interview: GATE score authenticates the students aptitude which makes them more employable.

## Higher Technical Education-

- ME, M.Tech, MS & PhD in IITs/IISc. NITs. Students eligible for direct PhDs. Stipend of Rs 12,400/-pm
- Post Graduate Diploma from NITIE Mumbai. One of the top techno managerial programs through GATE.

**Admissions to IIMs-** Fellowship program: Stipend of Rs 35,000/- pm is paid to the students.

**Study Abroad:** Admissions to top 50 universities of world like NUS, NTU, TUM though GATE having option of full fee subsidy and monthly stipend.

## Important Information Competitive exams:

About Exam, Paper Pattern, Syllabus and Cut-off for various options explained above.

## 7. Technical talk on “Road map to data science and analyticsRoad map to data science and analytics”

The Department of Electronics and Instrumentation Engineering hosted a technical talk on "Road map to data science and analytics" at JSSATEB on Saturday, November 23, 2024. The guest lecturer who delivered the technical talk was Ms. Amruthavalli M, a data scientist at Cognext Analytics in Bengaluru.

This seminar's goal was to familiarize students with the roadmap of data science and analytics, as well as its scope and the fundamental knowledge needed to work in these fields.

In addition to outlining the differences between data science and data analytics, the speaker also described the job positions in each sector. Additionally covered were the utilization of Excel capabilities such as macros, pivot, table hook up, and visualization tools like tab view and power BI, along with that the need for machine learning grasping in data science and the explanation of clustering were discussed . Additionally, the guest highlighted the value of understanding Python, R, and Pandas, as well as its packages.

Students were also educated about preparing resumes, resume, importance of internship experience, and LinkedIn profiles; the use of GitHub was also discussed. They were encouraged to take up the courses in NPTEL, and online internships were suggested to enhance their knowledge.Students benefited from the seminar in terms of understanding the need for mathematical foundations, Excel tools, and technologies like Spark, machine learning libraries, Python, SQL, Hadoop, etc. Also, students were motivated to use platforms like GitHub, Geeks for Geeks, NPTEL, Coursera,udemia and also educated use of LinkedIn.

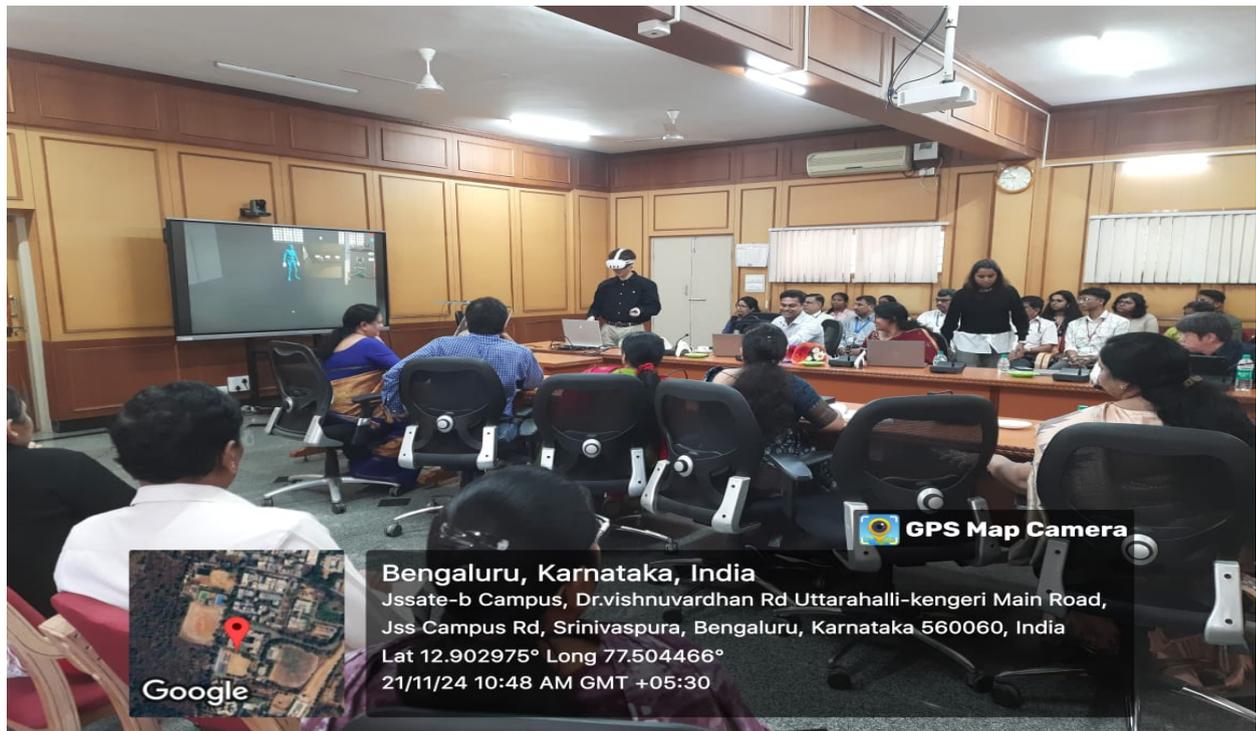

## 8. Workshop on “Virtual Reality Experiences for Various Domains”

A Workshop on “Virtual Reality Experiences for Various Domains” was organized by the Department of Electronics and Instrumentation Engineering on Thursday 21<sup>st</sup> of November, 2024 at JSSATEB. Dr. Kazuya Suzuki, Head of Forward Value Co-Creation Lab., Yokogawa Electric Corporation, Japan  
Mrs. Megha Chandrashekhara, Business Developer, Forward Value Co-Creation Lab., Yokogawa Electric Corporation, Japan. Mr. Sivaprakasam Gokula Krishnan, Head of Industrial Solutions Research, Yokogawa Engineering Asia Pte Ltd., Singapore. Mr. Zin Tun Nay, Developer-VR Training, Yokogawa Engineering Asia Pvt Ltd., Singapore. Mrs. Lakshmi S., Head of Training, Yokogawa India Limited were the experts of the VR workshop.

The speaker discussed the overview of process/plant and controlling of process through virtual reality devices. Then they discussed the latest technologies in VR that are adapted in measurement/communication/control application tools. This workshop gave us an insight about the trends in Process Automation (Ex: in Power Plant Sector).

In a 3-hour immersive workshop, participants engaged with a 3D virtual world using advanced Virtual Reality devices such as headsets, gloves, and controllers. They experienced real-time process control in

industries like oil & gas, pharmaceuticals, manufacturing, and more—all in a simulated environment! This hands-on session highlighted the potential of Virtual Reality to bridge the gap between theoretical learning and real-world applications, empowering the next generation of innovators. Students were also educated about the training programs available in Yokogawa India Ltd. Students were encouraged to participate actively in the above mentioned programs to enhance their knowledge.

## 9. Workshop on “Process Automation and Control-Next Gen Solutions”

A seminar on “Process Automation and Control-Next Gen Solutions” was organized by the Department of Electronics and Instrumentation Engineering on 30<sup>h</sup> of September, 2024 at JSSATEB, by Friday 08<sup>th</sup> of November, 2024 at JSSATEB, by Ms. Lakshmi S, Head-Technical Training, TUV Rheinland Approved Functional Safety Trainer, Yokogawa India Limited and Mr. Vinay Raj, Training Execution In charge, Yokogawa India Limited, Bengaluru was the guest lecturer of the seminar.

The technical talk began at 10:00AM to 12PM by the welcome speech by Dr. Bhanumathi K S, Associate Professor and Head, Dept. of Electronics & Instrumentation Engineering. Later the Speaker was introduced to the gathering by Dr. Bhanumathi K S.

The session was taken over by the speaker. The speaker started his technical talk with valuable information and guidance regarding core domain job opportunities, English skills enhancement, resume/CV building, profile building activities, case studies on career planning, higher education options, and Indian and international education opportunities. The session aims to empower students to make informed decisions about their careers and educational pathways.

The speaker discussed the overview of the importance of training program and how advantageous it would be to grow technically. The following seminar Content were discussed.

Part 1: Core Domain Corporate Internship Opportunities for Students  
Part 2: Technical Profile Building workshop

Part: 3 Scholarship & Fellowship guidance & Indian and International education opportunity

## 10. Seminar on “Skill Enhancement and Career Advancement for successful Career”

Increased awareness and understanding of core domain job opportunities, enabling students to make informed career choices. Improved English skills, particularly in solving questions mathematically and reading comprehension. Enhanced resume/CV writing skills, with a better understanding of the differences between job and higher education applications.

This seminar was attended by 5<sup>th</sup> semester students of Electronics and Instrumentation Engineering and received positive feedback from all participants. This program was organized and coordinated by Mrs. Nagarathna N, Asst. Prof. Dept. of E&IE.

### **STUDENT CLUB:**

1. INSTRA
2. ABHYUDAYA

### **Alumni Contributions**

Department alumni are helping in placements through off-camp.

## DEPARTMENT OF INFORMATION SCIENCE AND ENGINEERING

### **ABOUT THE DEPARTMENT:**

The Department of Information Science and Engineering was established in 1999. The current intake is 180. The department is strengthened by well-qualified faculty members. The main aim is to emphasize the overall growth and development of students with cutting-edge technology by inculcating competence, commitment & teamwork. The Department comprises excellent infrastructure with well-equipped Laboratories, Classrooms, and Departmental Library.

The Student forum SAMYOG is solely for the benefit of the student community established with the aim of by the students, of the students and from the students. The students actively take part in co-curricular activities like projects, paper & poster presentations, coding, debugging, etc. They also are active participants in the extra-curricular events like NSS, sports, college fest, and the preparation of technical magazines & newsletters. They also take part in self-initiated outreach activities like YODHA, Book borrow.com, bookbeka.com, medical camps like blood donation camps, eye testing camps, dental camps, and Ayurvedic camps, etc. Industry interaction is established through MOUs. A good number of industrial visits, Invited lecturers, workshops, seminars, and webinars are also organized regularly in emerging technologies from experts of industries and institutions.

Most of our students are well placed in fortune 500 companies. Our students have recorded very good performance in competitive examinations such as GATE, GRE, GMAT, TOEFL, CAT, PGCET, etc. Many of our Alumni joined MS programs in the leading and reputed Universities in the world.

Further, most of the faculty members and students won the best paper awards, the best poster awards, the best project awards in National / International Conferences across the globe. Our faculty members and students are also members of professional societies like ISTE, CSI, IEEE, IET, and ACM. etc. Under the R & D activity, faculties are engaged in the publication of research papers in top journals indexed in Web of Science and Scopus indexed journals.

### **VISION, MISSION OF THE DEPARTMENT:**

#### **VISION:**

To emerge as a centre of academic excellence, by producing competent professionals to meet the global challenges in the field of Information Science and Technology

#### **MISSION:**

- Prepare the competent professionals to meet the advancements in the industry and academia by imparting quality technical education.
- Enrich the technical ability of students to face the world with confidence, commitment and team-work.
- Inculcate and practice strong techno-ethical values.

### FACULTY ACHIEVEMENTS

- Mrs. Gayathri Kamath Received the **Best Paper Award** for the paper titled “**A WebApp Framework for the prediction of e-GFR value and CKD stage using Regression-based Machine Learning Algorithms**” at INDISCON-2024, hosted by Punjab Engineering College (Deemed to be University), Chandigarh. Organized by IEEE Chandigarh Subsection in collaboration with IEEE India Council, from August 22-24, 2024.
- Mrs. Reshma B went as a Resource Person to conduct one day workshop on **Fundamentals of Data Structures** to faculty of JSS Polytechnic College for Women, Mysuru on 24/7/2024
- Dr. D V Ashoka Professor, Dept. of ISE, Keynote/Session Speaker at “Latest Advancements in Science, Management, Commerce and Educational Research (LASM CER-2024) an international conference organized by Institute for Educational Research and Publication (IFERP) in Montreal, Canada on 2nd and 3rd November, 2024.
- Dr. D V Ashoka Professor, Dept. of ISE as Speaker at Swami Vivekananda Yoga Anusandhana Samsthana, Deemed to be University, City Campus, Bengaluru on 15/10/2024.
- Dr. Sreenatha M, Resource Person for the Technical Seminar on “Python and Machine Learning” at Sanjay Memorial Polytechnic, Sagara. on 13th Sep, 2024.
- Dr. DV Ashoka:** Keynote/ Session Address at “Latest Advancements in Science, Management, Commerce and Educational Research (LASM CER-2024) an international conference organized by Institute for Educational Research and Publication (IFERP) in Montreal, Canada on 2nd and 3rd November, 2024.
- Dr. D V Ashoka:** Session Chair/Reviewer 8<sup>th</sup> IEEE International Conference on Computational Systems & Information Technology for Sustainable Solutions (CSITSS), held from 7<sup>th</sup> to 9<sup>th</sup> November, 2024 Organized by RV College of Engineering, Bangalore, India in Association with Florida International University (FIU), USA and technically co-sponsored by IEEE Bangalore Section
- Mrs. Sukrutha C Basappa** attended the 3rd Board of Studies meeting for Dept. of ISE, SJB Institute of Technology, Bengaluru on 05th April 2025.
- Dr. Naidila Sadashiv** is appointed as a member of the board of examiners, VTU for the year 2024-25.
- Dr. Naidila Sadashiv** served as a reviewer for The International Conference on Recent Innovations in Engineering Sciences & Technology (ICRIET-2025).

11. **Dr. Nagamani N P** served as a reviewer for The International Conference on Recent Innovations in Engineering Sciences & Technology (ICRIET-2025).
12. **Dr. Sreenatha M.** as a resource person for a one-day workshop on “**AI Agents**” on 03-02-2025 for in-house faculty at JSSATE, Bengaluru.
13. **Dr. Rekha P M** : as a resource person for a FDP on “Cloud native Paradigms and emerging trends in container orchestration ” on 18-04-2025 ,Vardhaman college of Engineering, affiliated to JNTU , Hyderabad.
14. **Dr. Rekha P M** :Nominated as one of the members of BoS in IS&E, AI&ML, CSBS Department for a period of three years from the academic year 2024-25.
15. **Dr. Rekha P M** : Editorial Member of Edwin Group of Journal
16. **Dr. Nethravathi B,** Selected to participate in the Funded prestigious Women in Space and Allied Science Leadership Program (WisLP), organized by the **Department of Science and Technology (DST), Government of India, New Delhi, in collaboration with the British Council, UK.**
17. **Dr. Nethravathi B** received **BEST REVIEWER AWARD** at 1st International Conference on Interdisciplinary Horizons: Integrating AI in Science, Management and Technology (ICON-AI-SMT'25) organized by GSFC University, Vadodara, Gujarat, India during 20-21 Feb 2025
18. **Dr. Nethravathi B,** Selected for **Faculty Fellowship** at 38th International Conference on VLSI Design & 24th International Conference on Embedded System, From 4<sup>th</sup> to 8<sup>th</sup> January 2025 at The Leela Palace, Bengaluru.
19. **Dr. Nethravathi B** received **RESEARCH EXCELLENCE AWARD** during the AMTECH Conference, 11th-12th Dec 2024 at KPTO Bengaluru.
20. **Dr. Nethravathi B** served as a reviewer for 3rd International Conference on Data Science and Information System ICDSIS-2025
21. **Dr. Sowmya K.N** was a Co-coordinator for AICTE sponsored advanced ATAL FDP on “An Insight into Cyber Security and Intellectual Property Rights” held during 02-14th December 2024 at JSS STU and JSS AHER, Mysuru
22. **Dr. Sowmya K.N** was a resource person for one of the key sessions in the ATAL FDP “An Insight into Cyber Security and Intellectual Property Rights” held during 02-14th December 2024 at JSS STU and JSS AHER, Mysuru.
23. **Dr. Sowmya K.N** served as a BOE member and attended the Board of Examination meeting held at Karnataka State Open University, Mysore on 23rd December 2024.
24. **Dr. Sowmya K.N** has filed a patent in the name of JSSATE along with JSS STU for the invention “FINGERPRINT BASED FAN REGULATOR LOCKING SYSTEM AND METHOD THEREOF” on 16/01/2025 and is published on 24/01/2025 in the official journal of patent office.
25. **Dr. Sowmya K.N** served as Reviewer to Fourth IEEE International Conference on “Multimedia Processing, Communications and Information Technology” - MPCIT 2024 organized by J. N. N. College of Engineering, Shivamogga, Karnataka during December 13-14, 2024.
26. **Mrs. Mamatha G** served as Reviewer for, 2nd IEEE International Conference on Recent Advances in Information Technology for Sustainable Development filed a patent(ICRAIS-2024), Nov 06-07 2024, MIT, Manipal.
27. **Mrs. Mamatha G** served as Reviewer for, International Conference on Artificial Intelligence and Data Engineering (AIDE - 2025),Feb 06 to 07, 2025 at NMAM Institute of Technology, Nitte.
28. **Dr. Nagamani N P** , served as the session chair in the International Conference on Recent Innovations in Engineering Science and Technology - (ICRIET - 2025), held at KSIT on 9th and 10th May 2025
29. **Dr. Sowmya K.N** served as session chair at the 11th National Conference on Advances in Information Technology (NCAIT-2025) on 28th May 2025
30. **Dr. Nethravathi B** and **Dr. Sowmya K N** organized the 11th National Conference on Advancements in Information Technology NCAIT 2025 28th May 2025
31. **Dr. Nagamani N P** served as session chair at the 11th National Conference on Advances in Information Technology (NCAIT-2025) on 28th May 2025
32. **Sudha P.R** served as session chair at the 11th National Conference on Advances in Information Technology (NCAIT-2025) on 28th May 2025

33. **Dr. Naidila Sadashiv** served as session chair at the 11th National Conference on Advances in Information Technology (NCAIT-2025) on 28th May 2025
34. **Dr. Basamma Umesh Patil, Dr. Ashoka D V , Dr. Chetan R**, received the BEST PAPER PRESENTER award for the paper titled “ Deep Learning with Multimodel Fusion for Enhanced Human Activity Recognition” at SWSIoT, CEC, Bengaluru, 19th -20th September 2025.
35. **Dr. Basamma Umesh Patil**, served as an Judge (Evaluator) for the JSS Navotthana 24-Hour Offline Hackathon during AIKYAM 2025, organized by the Department of CSE (AI & ML), JSS Academy of Technical Education, Bengaluru.
36. **Dr. Basamma Umesh Patil** served as session chair at the 11th National Conference on Advances in Information Technology (NCAIT-2025) on 28th May 2025.
37. **Dr. Basamma Umesh Patil** successfully completed four NVIDIA Deep Learning Institute (DLI) certifications during April–July 2025, namely “Fundamentals of Deep Learning”, “Building Transformer-Based Natural Language Processing Applications”, “Building LLM Applications with Prompt Engineering”, and “Efficient Large Language Model (LLM) Customization”.
38. **Dr. Basamma Umesh Patil** served as a Reviewer for the 3rd IEEE International Conference on Networks, Multimedia and Information Technology (NMITCON-2025) on 1-2 August 2025 at Nitte Meenakshi Institute of Technology, Bengaluru, in association with the IEEE Bangalore Section.

### **STUDENT ACHIEVEMENTS (RANK, BE HONORS, HACKATHON, STIPEND, INTERNSHIP, PRIZE, CO-CURRICULAR ACTIVITIES)**

#### **Extra and co-curricular activities**

Sl. No	Category	Student Name – USN	Sem	Achievement	Month - Year
1.	Rank	1JS20IS101- Shriraksha Vaidya	VIII	Secured 7 <sup>th</sup> rank in VTU 2024	July 2024
2.	Placement	1JS21IS011 - Ananya Sadananda Gowda	VIII	Placed in IBM with 12 LPA	May 2025
3.	Internship	1JS21IS040-Harshitha H	VII	Intern at Gray Matter for 3 months with a stipend of RS. 10000/- per month	5/8/24 - 2/10/24
4.	Internship	1JS21IS065-Nigam Balaji Ghat	VII	Intern at Scikraft for 3 months with a stipend of RS. 10000/- per month	9/9/24 - 9/12/24
5.	Internship	1JS21IS015-Anshuman Gupta	VII	Intern at Mezenga for 3 months with a stipend of RS. 5000/- per month	9/9/24 - 9/12/24
6.	Internship	1JS23IS079-M Gunavardhan	III	Intern at Cognifyz for 3 months with a stipend of RS. 15000/- per month	9/9/24 - 9/12/24
7.	Internship	1JS21IS042-Karthik K	VII	Intern at i4sight for 3 months with a stipend of RS. 5000/- per month	9/9/24 - 9/12/24
8.	Internship	1JS21IS022-Ayaan Kumar 1JS21IS027-Bhumika C P 1JS21IS032-Eshaalakshmi D S 1JS21IS078-Rachana D K 1JS21IS121-Venkatachala	VII	Intern at Zysk Technologies for 6 months with a stipend of Rs. 12500/- per month from the 3rd month	28/8/24 - 28/02/25
9.	Internship	1JS21IS060-Minisha N 1JS21IS085-Rohan M R 1JS21IS086-S Srivatsa 1JS21IS089-Sai Pranav H R	VII	Intern at Dom Ventas for 3 months with a stipend of Rs. 10000/- per month	16/9/24 - 16/12/24
10.	Internship	1JS21IS114-Sushmitha P K	VII	Intern at Eskape Digital. Stipend to be determined after 1 month	5/10/24 - 31/1/25
11.	Internship	1JS21IS038-Harshitha Khushi	VII	Intern at Softechnocon Smart Power Solution Pvt Ltd for 3 months with a stipend of Rs. 5000/- per month	1/10/24 - 31/1/25
12.	Internship	1JS21IS050- Kriti Diwakar	VII	Intern at Unisoft for 3 months with a stipend of Rs. 12000/- per month	3/10/24 - 3/1/24
13.	Internship	1JS21IS052- Kushal Sinha	VII	Intern at Sugga for 3 months with a stipend of Rs. 17500/- per month	1/9/24-30/11/24
14.	Internship	1JS21IS047- Khushi Chetri	VII	Intern at Sugga for 3 months with a stipend of Rs. 20000/- per month	1/9/24-30/11/24
15.	Hackathon, Prototype Building,	1JS23IS107-Parikshith V 1JS23IS015-Anurag Jaiswal 1JS23IS034-Devlohani	III	Participated in CICADA 2024 and got the 4th place	7/11/24

	Buggoff	1JS23IS081-Mahi Singh 1JS23IS063-Kartavya Verma 1JS23IS086-Mayank Dhaundiyaal			
16.	Dance Competition	1JS21IS059-Manisha M M 1JS23IS047- Ganavi T U 1JS22IS134- Shravya	III & V	Won I Place in all the events Symbiosis( Inter Collegiate), Jyoti Nivas ( Inter Collegiate), Presidency( Inter Collegiate), Infinity Dance Academy ( State Level Competition)	Aug 2024 to Oct 2024
17.	Yoga	1JS23IS146- Sanjana Salimath	III	Participated in the VTU Yoga Tournament held at Tumkur and secured 4th place	23/9/24 - 24/9/24
18.	Cricket	1JS23IS051- Harsh Pandey	III	Was part of the college cricket team and participated in the VTU Cricket Tournament and secured 2nd place	October 2024
19.	Samyog	1JS22IS163- Tejas Kumar D 1JS22IS047- H V Srushti 1JS22IS055- Joydeep 1JS22IS023- Sidharth	V	Coordinators for the student club of ISE. Various events like Introduction to the Clubs, Talent Hunt, Idea Forge, Singing, Dance, RAP, Open MIC	8/10/24 and 9/10/24
20.	Extra curricular	Ms. Spoorthi Mr. Venugopal	4th	2nd place for their outstanding Photography in Shutter Fest, organized by the student club of SJBIT.	28th March 2025
21.	Academics	Mr. B S Rakesh	4th	10 SGPA in 3rd Sem VTU Exam	3rd March
22.	Hackathon	Mr. Mahi Singh Mr. Dev Lohani Mr. Mayank Dhaundiyaal Mr. Kartavya Verma Mr. Prince Mishra	4th	3rd Place in National Hackathon ADVAYA, hosted by BGS College of Engineering and Technology(cash prize of 25k)	15th April 2025
23.	Internship	Mr.Sahil D C	8th	Internship Opportunity at IMPERVA INDIA PVT. LTD with Stipend Rs. 25K for 6th Month	27/01/25
24.	Conference	Ms. Ankitha H N Ms. Bhumika C P	8th	Paper Presented in 18th IEEE International Conference on Advanced Networks and Telecommunication System	17th December 2024
25.	Hackathon	Mr. Dev Lohani Mr. Mahi Singh Mr. Mayank Dhaundiyaal Mr. Piyush Mishra	4th	Runner up position in the IMPULSE HACKATHON, hosted by SJBIT	5th December 2024

26.	Internship	Saksham Upadhyay, Aryan Srivastava, Sumit M, Shreya Gore, Lalithashree C P, Pratham Babu, Sinchana N, Anu S, Karthik S	8th	Internship Opportunity at Harman with a stipend of Rs. 30K	
27.	Ideathon	Mr. Dev Lohani Mr. Mahi Singh Mr. Mayank Dhaundiyal Mr. Kartavya Verma	4th	First Position in the Think Tank Ideathon Hosted by BNMIT	20th December 2024
28.	TopCoders'24	Mr. Dev Lohani Mr. Mahi Singh Mr. Mayank Dhaundiyal	4th	First Position in TopCoder 24, hosted by JSS Academy of Technical Education	20th December 2024
29.	Quiz	Mr. Mahi Singh Mr. Mayank Dhaundiyal	4th	First Position in Mathematical Innovation and Presentation hosted by JSS Academy of Technical Education	21st December 2024
30.	Quiz	Mr. Pramith S Mr. Mukunda M	4th	Second Position in Mathematical Innovation and Presentation hosted by JSS Academy of Technical Education	21st December 2024
31.	Cultural	Mr. Shreyas P Rayas	6th	First prize in solo singing at VISTARA fest held by St. Anne's first grade college for women.	28th February 2025
32	Rank	M SUMIT (1JS21IS127)	8th	Secured 4th Rank in VTU 2025	
33	Research Paper	Ananya Sadanand Gowda	8th	Title: Chatgpt: An Ultimate Driving Companion: Systematic Review during the ICRIET 2025 organized by K. S . Institute of Technology Bengaluru	9th -10th May 2025
34	Research Paper	Shreya Gore, satwik G Vaidya, Rachana Deepak		Title: CHATGPT: AI Driven Urban Resilience System: Tackling Urban Flooding, Rescue Optimization and Heat Island Mitigation during the ICRIET 2025 organized by K. S . Institute of Technology Bengaluru	9th -10th May 2025

### RESULTS:

Semester	2024-25 (in Percentage)
8 <sup>th</sup> semester	100
7 <sup>th</sup> semester	100
6 <sup>th</sup> semester	89
5 <sup>th</sup> semester	87
4 <sup>th</sup> semester	87
3 <sup>rd</sup> semester	88
2 <sup>nd</sup> semester	86
1 <sup>st</sup> semester	81

#### PLACEMENTS:

Year	Number of Students	Placements	Higher Studies	Entrepreneurs
2024-25	137	52	6	-
2025-26	206	10	0	-

**HIGHER STUDIES: 6 students (4 Foreign Universities, 2 Indian Universities)**

#### PROFESSIONAL BODIES LIST/ EVENTS:

IEEE, CSI, ISTE

#### STUDENT CLUB: SAMYOG

A student forum named Samyog was established by the Department of Information Science and Engineering in the year 2012. It is a medium through which students express their technical and non-technical ideas through open meetings and discussions. In 2012 it was restricted to department level in which few technical talks and seminars were conducted. In 2013 a state-level conference was conducted under this Samyog banner. Students exchanged knowledge by publishing a technical paper in a reputed journal. Later from the year 2015, a national conference named NCAIT – National Conference for Advancement in Information Technology was conducted by the department with the help of the Samyog Student Forum. In the year 2023-2024, the Samyog student forum has emerged with a few additional student clubs and student activities.

#### Events conducted:

- Outreach activity
- Alumni Mentoring
- Senior Junior Interaction – educating about LinkedIn Accounts, MOOC Courses
- Book Donation Drive
- Coding & Debugging
- Blood donation
- Planting Medicinal saplings
- Cultural events for outgoing students

- Ideaforge
- Model United Nations (MUN) Society
- Kascade Preliminary Round

## Events/Seminars/FDP/SDP/Conference/Technical talks organized (SHORT REPORT WITH PHOTOGRAPHS)

### 1. MAC3 Personality Development Program

**Date:** 14/06/2024

**No. of Resource Persons:** 01

**No. of Participants:** 380

**Coordinator:**

Dr. Rekha P. M. and Dr. Naidila Sadashiv,  
College Internal Complaints Committee - CICC.

**Resource Person(s) with Designation:** Mr. Nihal Dubey

**Mode:** Off line

**Objective:**

Personality development program for students aims to provide an insight of one's own abilities for professional and personal enhancement.

**Outcome:**

A well rounded sessions on personality development gave an overall picture on how one can be a better person in this society.

### 2. Hands on Workshop on Devops: Automation, Integration and Deployment

**Date:** 18/06/2024

**Target audience:** 6 th Semester Students

**No. of Resource Persons:** 2

**No. of Participants:** 78

**Cordinator:**

Mrs.Nagashree.S., Asst. Professor, ISE department, JSSATEB  
Mr Chethan. R, Asst. Professor, ISE department, JSSATEB  
Dr. D.V.Ashoka, Professor Department of Information Science and Engineering,

**Resource Person(s) with Designation:**

- 1.Mr. Vikrant Kumar Co Founder and Director, Tripallar Solutions
2. Mr. Saurabh Sarkar Senior Project Manager Tripallar Solution

**Objective:**

1. To provide a forum for all students on Devops Integration and Automation.

**Outcomes:**

Establish an accessible and collaborative platform that facilitates learning, discussion, and knowledge-sharing

among students interested in the principles and practices of DevOps integration and automation.

### 3. Seminar on Agility in Software Engineering

**Duration:** 13/07/2024

**Target Audience:** 4th sem ISE students

**No. of Resource Persons:** 01

**No. of students attended:** 120.

**Resource Person(s) with designation**

Karthik N.C Principal Engineer - Firmware River Mobility Pvt. Ltd. Bengaluru

**Event Coordinator:** Dr. Sowmya K.N Associate Professor, Dept of ISE.

**Target Audience:** 3rd and 2nd Year ISE students

**Objectives:**

1. Ability to outline develop software development process
2. Motivation to handle challenges in engineering problems
3. Awareness about Tools and Techniques used in software industry for software development.

### 4. Hands-on Workshop on Power Bi and Tableau

**Category:** Hands-on Workshop

**Date:** 05/09/2024

**Target audience:** Faculty members of ISE department

**No. of Resource Persons:** 1

**No. of Participants:** 20

**Organized by:** Mrs Punitha M, Asst. Professor, ISE department, JSSATEB

**Resource Person(s) with Designation:**

Ms. Spoorthi Kulkarni, Business Consultant, Ernst & Young India

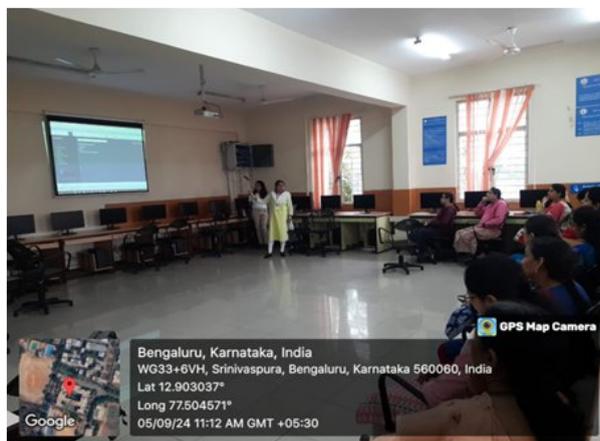

**Mode:** Offline

**Objective:**

1. Understanding Data Visualization Basics
2. Introduction to Power BI and Tableau Workspaces
3. Advanced Visualizations and Designing a Dashboard

**Outcome:**

1. To make use of these tools for data visualization where users can create interactive and customized dashboards that are compatible with different devices.
2. A basic understanding of the approach to understand, analyse, organise, and report data

## 5. Expert talk on “The Future of Generative AI- Opportunities, Risks and the Unknowns

**Category:** Technical Talk

**Date:** 30/09/24

**Target Audience:** 5th sem ISE students

**No. of resource person:** 2

**No. of Participants:** 150

**Organized by:** Department of Information Science and Engineering

**Co-ordinators:**

Dr. Nethravathi B, Associate Professor, Department of ISE

**Resource Person(s) with Designation:**

1. Dr.JIM SAMUEL, Associate Professor of Practice and Executive Director of the Informatics Program at Bloustein School, Rutgers University, USA.
2. Mr.Santosh Avannavar, CEO at QtSTEAM and Mentor at QtPi Robotics

**Objective:**

1. To give education on the applications of AI in driver assistance and importance of AI in other real world applications.

**Outcome:**

Students gained knowledge on application of AI in driver assistance and helpful pointers from placement perspective.

## 6. Technical Talk on Use Case of AI in Driver Assistance

**Category:** Technical Talk

**Date:** 28/09/2024

**Target audience:** 2nd and 3rd year ISE\CSE\AIML students

**No. of Resource Persons:** 01

**No. of Participants:** 80

**Organized by:** Department of Information Science and Engineering

**Co-ordinators:**

1) Dr. Naidila Sadashiv, Professor, Dept. of ISE

Resource Person(s) with Designation:

1) Ms. PADMINI NAVALGUND, Program Manager, Product Compliance Officer at Bosch Global Software Technology

**Mode:** Offline

**Objective:**

To understand the role of AI in driver assistance.

**Outcome:**

Students gained knowledge on application of AI in driver assistance and helpful pointers from placement perspective.

## 7. SDP on “Advance Data Structures: Concepts, Transformation and Optimization”

**Category:** Student Development Program

**Date:** 17/01/2025 and 18/01/2025

**Target audience:** PG Student of 1 st and 3 rd Semester

**No. of Resource Persons:** 01

**No. of Participants:** 40

**Organized by:** Department of Information Science and Engineering

**Co-ordinators:**

- 1) Dr. D V Ashoka, Professor, Dept. of ISE
- 2) Dr. Basamma Umesh Patil, Assistant Professor, Dept. of ISE
- 3) Dr. Chetan R, Assistant Professor, Dept. of ISE

**Resource Person(s) with Designation:**

Mr Saurabh Jyothi Sarkar,  
Senior Software Manager, Tri-Pillar Solutions.

**Mode:** Offline

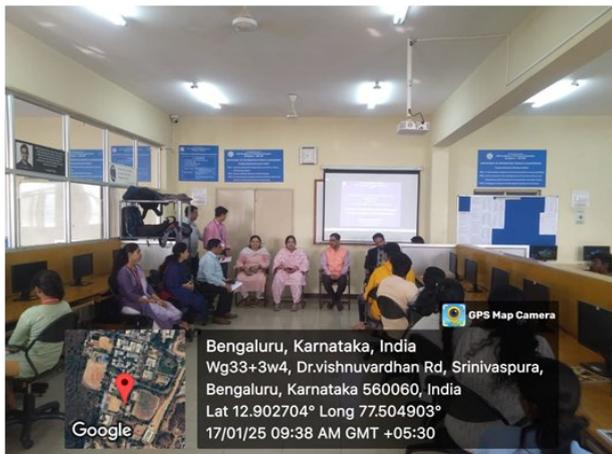

**Objectives**

To provide in-depth understanding of advanced data structures

To develop the ability to transform, optimize, and adapt data structures

**Outcomes**

1. Students will be able to select and implement the most suitable advanced data structure
2. Students will be able to design optimized data-handling solutions

## 8. FDP on DevOps and Generative AI

**Category:** Faculty Development Program

**Date:** 03/02/2025 and 07/02/2025

**Target audience:** Faculties, Academicians and Students

**No. of Resource Persons:** 02

**No. of Participants Registered:** 42

In-house Participants: 15

**Organized by:** Department of Information Science and Engineering

**Co-ordinators:**

- 1) Dr. D V Ashoka, Professor, Dept. of ISE
- 2) Dr. Chetan R, Assistant Professor, Dept. of ISE
- 3) Dr. Basamma Umesh Patil, Assistant Professor, Dept. of ISE
- 4) Mrs. Sudha P R, Assistant Professor, Dept. of ISE

- 5) Mrs. Punitha M, Assistant Professor, Dept. of ISE
- 6) Mrs. Reshma B, Assistant Professor, Dept. of ISE

**Resource Person(s) with Designation:**

- 1) Mr Saurabh Jyothi Sarkar, Senior Software Manager, Tri-Pillar Solutions.
- 2) Mr. Diptarko Das Sharma, Technology Trainer, Tri-Pillar Solutions

**Mode:** Offline

**Objective:**

- 1. To equip faculty members with foundational and advanced knowledge of DevOps methodologies and Generative AI technologies, enabling them to integrate modern software development practices and AI-driven tools into teaching, research, and project guidance.

**Outcome:**

- 1. Faculty participants gained hands-on understanding of DevOps workflows and automation practices, developed the ability to apply Generative AI tools for problem-solving and content creation, and enhanced their capability to incorporate emerging industry trends into academic curricula and research activities.

## 9. Expert Talk on Intellectual Property Rights

**Category:** Expert Talk

**Date:** 19/02/ 2025

**Target audience:** Faculty Members & Students

**No. of Resource Persons:** 01

**No. of Participants:** 150

**Organized by:** Department of Information Science & Engineering, JSSATE, Bengaluru

**Resource Person with Designation:** Aastha Aggarwal- Managing Associate- Patent Head – Electronics (Delhi).

**Coordinators**

Dr. Netravathi.B, Associate Professor, ISE, JSSATEB

Mrs. Sahana V, Assistant Professor, ISE, JSSATEB

**Objective:**

- 1. Insight into Basics of Intellectual Property Rights and Guidance on Ideation

**Outcome**

Participants gained a fundamental understanding of Intellectual Property Rights (IPR), including their types and significance, and received practical guidance on ideation techniques, enabling them to better identify, protect, and develop innovative ideas for potential real-world applications.

## 10. Workshop on SARVAM AI APIs

**Category:** Workshop

**Date:** 15/03/2025

**Target audience:** ISE 6th sem students.

**No. of Resource Persons:** 01

**No. of Participants:** 150

**Organized by:** Department of Information Science and Engineering

**Co-ordinators:**

Dr. Naidila Sadashiv, Professor, Dept. of ISE

Dr. Chetan R, Assistant Professor, Dept. of ISE

Dr. Basamma Umesh Patil, Assistant Professor, Dept. of ISE

**Resource Person(s) with Designation:**

1. Mr Vinay Gavariya, Developer Relations Engineer, SARVAM AI

**Mode:** Offline

**Objective:**

1. To introduce participants to the capabilities of SARVAM AI APIs and equip them with the skills needed to integrate these APIs into applications for enhanced automation, intelligence, and user interaction.

**Outcome:**

1. Participants gained hands-on experience in using SARVAM AI APIs, understood their practical applications in real-world projects, and developed the ability to build AI-enabled solutions using the provided tools and frameworks.

## 11. Great Bengaluru Hackathon25

**Date:** March 15/03/2025 and 16/03/2025

**Target Audience:** Final year students

**No. of Resource Person:** 03

**Total Participating Teams:** 30

**Finalists:** 5 teams selected for the final round at PES College

**Judging Criteria:** Innovation, Feasibility, Technical Implementation, Presentation, Impact

**Organized by:** Department of Information Science & Engineering, JSSATEB

**Resource Person(s) with Designation:**

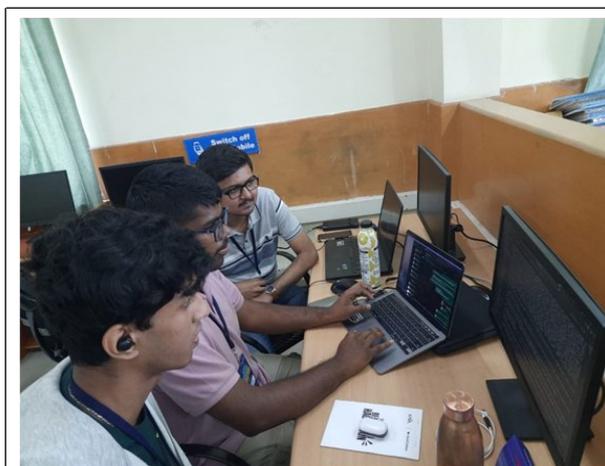

1. Ranjitha R Director of Engineering, Myntra
2. Rahul Shankar Growth & Operations, Namma Yatri
3. Varun U Founder & CEO, Zysk

**Objective:**

1. To provide participants with a collaborative platform to solve real-world problems through innovative ideas, rapid prototyping, and creative use of technology.

**Outcome:**

1. Participants developed practical solutions within a limited timeframe, strengthened their problem-solving and teamwork skills, and gained hands-on experience in building functional prototypes using modern tools and technologies.

## 12. Open Day Project Exhibition 2025

**Date:** 03/05/2025

**Target audience:** final year ISE students

**No. of resource persons:** 6

**No. of participants:** 120

**Resource Person(s) with Designation:**

1. Dr. Premanand B S, Associate Professor, RVCE
2. Mr. Sharat S J, Software Developer Team Lead, Facile Cosulting Ltd.
3. Mr. Girish Prasad, CTO, Product Manager, INCUSE HR
4. Mr. Rajiv Ranjan Singh, SDE, Maersk
5. Mr. KshitijSrivastav, Software Engineer, Flipkart
6. Mr. ShashankNayak, Engineer - Public Cloud, Getronics

**Objective:**

1. To demonstrate students academic achievements and innovative thinking.

**Outcome:**

1. This platform allowed the students to showcase the knowledge and skills acquired during their academic journey.

### 13. IEEE Information Theory Society Bangalore Chapter JSSATEB- Student Branch

**Date:** 02/05/2025

**Target audience:** ISE 1st sem students.

**No. of Resource Persons:** 03

**No. of Participants:** 100

**Mode:** Offline

**Organized by:** Department of Information Science and Engineering

**Co-ordinators:**

1) Dr.Nethravathi B, Associate Professor, Dept. of ISE

**Resource Person(s) with Designation:**

1. Dr.Premananda B S, Chair, IEEE ITS Bangalore Chapter
2. Mr.Sharath S Rao, Tech Lead for R&D, Zyni Innovation Pvt. Ltd
3. Mr. Vishnu B V, Tech Lead, Zyni Innovation Pvt. Ltd

**Objective**

1. To inaugurate the IEEE Information Theory Society (ITS) Student Branch Chapter at JSS Academy of Technical Education, Bangalore and introduce students to opportunities in information theory, research, and professional development under the IEEE Bangalore Section.

**Outcome:**

2. Students gained awareness of the ITS chapter's mission and activities, established a platform for future technical events and collaborations, and initiated active membership participation to foster a research-oriented and innovation-driven community on campus.

### Industry Institute Collaboration & Networking

There exists Memorandum of Understanding with industries like Zysk Technologies, Cipher Ace, Getronics  
 Students collaborate with the industries to complete projects and internships  
 Industry experts and alumni are part of the DAB(Department Advisory Board) committee  
 Industry experts are invited for Open Day, Technical Talks, Student Development Programs

### Alumni Contributions

Sl. No	Name	Organization	Placements	Internship with Stipend	MoU	Technical Talk/Workshop/SDP	Spoc
1	Varun	Zysk Technologies	2	6	Yes	NA	Dr. Rekha P M
2	Umar Ameen	Dom Ventas	NA	6	No	NA	Dr. Nagamani N P
3	Spoorthi K	Ernst Young	NA	NA	NA	SDP	Mrs. Punitha M
4	Suraj R	Getronics	NA	NA	Yes	NA	Dr. Nagamani N P
5	Rajiv Ranjan	Moller-Maersk	NA	NA	NA	Technical Talk	Dr. Nagamani N P
6	Abhinav Anand	Mercedes Benz	NA	NA	NA	Technical Talk	Dr. Nagamani N P
7	Vedant S	Mercedes Benz	NA	NA	NA	Technical Talk	Dr. Nagamani N P

## **DEPARTMENT OF MECHANICAL ENGINEERING**

### **ABOUT THE DEPARTMENT:**

<b>Year of Establishment</b>	2004 with a sanctioned intake of 60, Affiliated to Visvesvaraya Technological University, Belagavi, Karnataka
<b>Programs Offered</b>	UG program: B.E., in Mechanical Engineering Ph.D., programs
<b>First time Accredited by NBA</b>	01-07-2017 to 30-06-2020
<b>Second time Accredited by NBA</b>	01-07-2020 to 30-06-2023
<b>Sanctioned Intake</b>	BE: 60 (present intake)
<b>Teaching Faculty</b>	14 (No. of Ph.D.: 12, and Pursuing Ph.D.: 02)
<b>Technical Staff</b>	11(01 Foreman, 05 Instructor, 04 helper, 01 Attender)
<b>Total No. of Students</b>	UG : 169 PhD: 12
<b>No. of Students Graduated</b>	1384
<b>No. of Class rooms with LCD and CCTV</b>	04
<b>No. of laboratories</b>	11

## VISION, MISSION OF THE DEPARTMENT

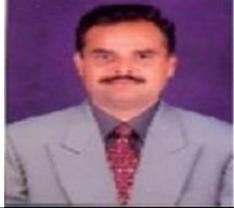

### Vision of the Department :

Be amongst the top Mechanical Engineering Department in the region by sculpting Competent Engineers through Education and Research.

### Mission of the Department :

- M1:** Build strong foundation in Mechanical Engineering domain complemented with inter-Disciplinary skills.
- M2:** Develop state-of-the-art facilities with emphasis on industry interaction, consultancy, research And innovation.
- M3:** Enable to seek professional employment, entrepreneurship and higher studies.

## FACULTY DETAILS WITH PHOTOGRAPH (DESIGNATION, DEGREE, TOTAL EXP)

Sl.No	Name	Photo	Designation	Degree	Total Experience
1	Dr.Bhimasen Soragaon		Principal	M Tech.,PhD	31
2	Dr.Anand Kumar R Annigeri		Professor	M Tech.,PhD	32

### Events/Seminars/FDP/SDP/Conference/Technical talks organized (SHORT REPORT WITH PHOTOGRAPHS)

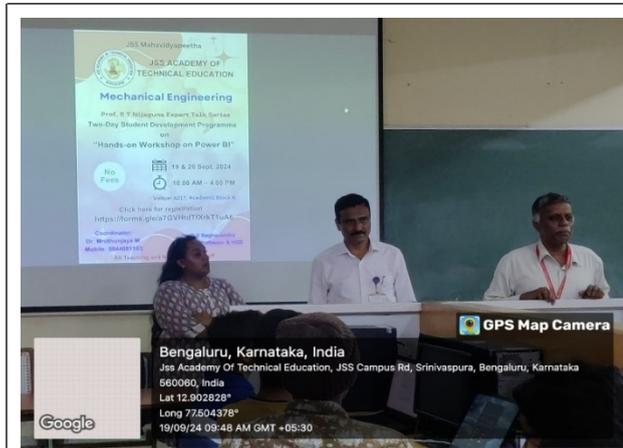

**Date:** 18/07/2024

**Name of the Event/activity:** “Alumni Interaction” An alumni Dr. Abhilash-2015 batch student of IEM has addressed the students of 6<sup>th</sup> and 4<sup>th</sup> Semester Mechanical Engineering on 18.07.2024 in Room No. C-306 at 12.00 noon. About 60 students have participated in the Interaction.

**Date:** 19<sup>th</sup> & 20<sup>th</sup> September 2024

**Name of the Event/activity:** Student development Program- The Department of Mechanical Engineering, JSS Academy of Technical Education, Bengaluru, organized two days Student Development Program (SDP) on “Hands-on Workshop on Power BI” as part of the “Dr. B.T. Nijaguna Memorial Expert Talks Series in collaboration with M/S. SuprMentr Technologies Pvt. Ltd., Bengaluru for fourth-year students of Mechanical Engineering on 19th and 20th September 2024 from 10:00 am to 4:00 pm.

Mrs. Navya Manoj delivering content on Day-1

Handson session on Day -1

Mrs. Navya Manoj delivering content on Day-2

Hands-on session on Day-2

**Date:** 27/09/2024

**Name of the Event/activity:** Research oriented talk- The department of Mechanical Engineering organized a Research oriented talk on 27.09.2024 from 2:30 pm to 4:30 pm on the topic “Modern Technologies to Propel the India’s Growth” from the eminent researcher and senior scientist Prof. Mahabala Adiga

to all the faculties of ME, EC, EI, Physics and Chemistry departments.

**Date:** 15/10/2024

**Name of the Event/activity:** Guest Lecture- On October 15<sup>th</sup>, 2024, a guest lecture titled "**Adoption and practices of Open Innovation in manufacturing sector**" was held for undergraduate students of Mechanical Engineering Department in the C block from 11:00am to 1:00pm. The session aimed to provide insights into the latest innovation trends and technologies transforming the manufacturing sector. Dr. Sumukh S. Hungund, an academicians with over 20 years of experience in innovation domain, led the lecture.

**Date:** 22 & 24 October 2024

**Name of the Event/activity:** Student development program- conducted Student Development Program on “Demonstration of Assembling and Disassembling of four stroke petrol Engine of Two wheeler and Four Wheeler Vehicle” for the second year students in Mechanical Engineering and Staff members on 22nd October 2024 and 5th November 2024 from 10:00am– 3:00pm. The demonstration is done by technician . Around 55 students and 7 Staff members were attended the event.

**Date:** 28/10/2024

**Name of the Event/activity:** Industry visit- Industrial Visit to Ace Designers Ltd., Mannipura plant, Nelamangala.

**Students:** III Sem students, **No. of students attended:** 55

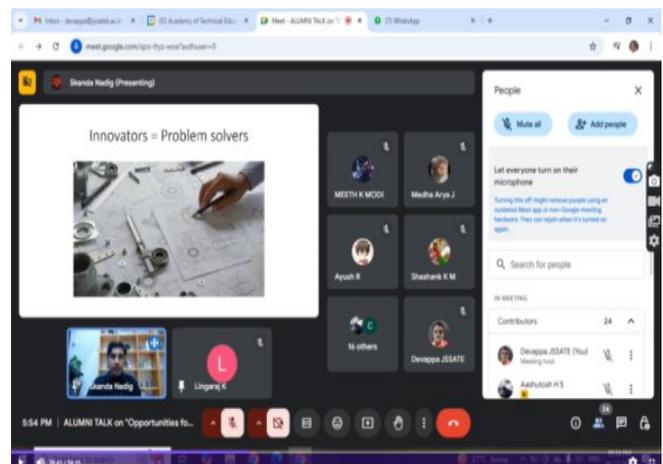

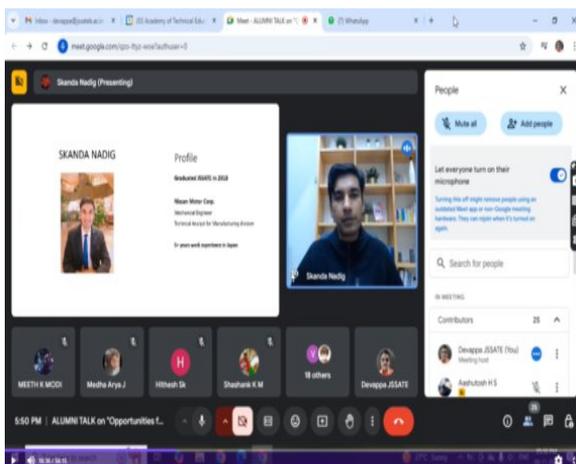

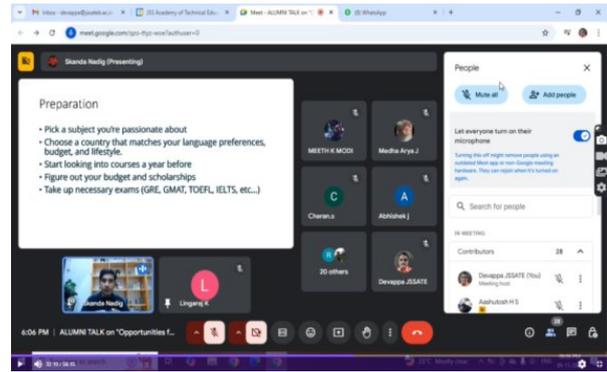

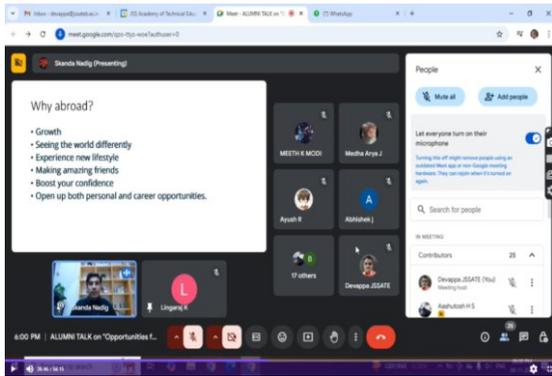

**Date:** 09/11/2024

**Name of the Event/activity:** Alumni Interaction- Topic: **“Opportunities for Mechanical Engineers in Foreign Countries”**

**Name of the alumnus:** Mr. SKANDA NADIG (2018 graduated), Mechanical Engineer (Technical and Business Analyst It/IS Department, M/s. **NISSAN MOTOR CORPORATION, YOKOHAMA, KNAGAWA JAPAN.**

**Target audience:** III, V & VII sem students; **No. of students attended:** 29

**Date:** 19/12/2024

**Name of the Event/activity:** Industry visit - Visit to Walvoil Fluid Power India Pvt. Ltd, Attibele, Bengaluru

**Faculty co-coordinators:** Prof. Umamaheshwar Hebbal and Dr. Venkatesh B N

**Students:** 'V' semester students, **No. of students attended:** 30

**Date:** 18/12/2024

**Name of the Event/activity:** Alumni Interaction-

**Topic:** "Opportunities for Mechanical Engineers in European Countries"

**Name of the alumnus:** Mr. SYED AIMAN (2021 graduated), Engineering Manager United Kingdom, Industrial Engineer, Jaguar Land Rover West Midlands.

**Target audience:** I Sem Mechanical Engineering students; **No. of students attended:** 33

**Date : 12/12/2024**

**Name of the Event/activity: Department Fest-IGNITE 2024**

The **Mechanical Fest** began with an enthusiastic inauguration on **12/12/2024** at the Mirror Entrance. The event featured guest **Sakshi (XP Girl)**, who inspired students, and the unveiling of the Motorsport Club, "Tachyon Motorsport." Speeches by Dr. D Mahesh Kumar, Dean, Student Welfare, **Dr. BV Ragavendra (HOD)** and **Members from Alphabets** highlighted innovation, teamwork, and student achievements.

**Date : 10/12/2024**

**Name of the Event/activity: Industry visit-**

Industrial Visit to **YUKEN INDIA LTD**, Malur Road, Kolar Dist. 63130

**Faculty visited along with the students:** Dr. G M Swamy and T K Nagaraja

**FPSI co-coordinator:** HRM-Shekhar S.S., Ph: 9741333069

**Students:** III sem students, **No. of students attended:** 50

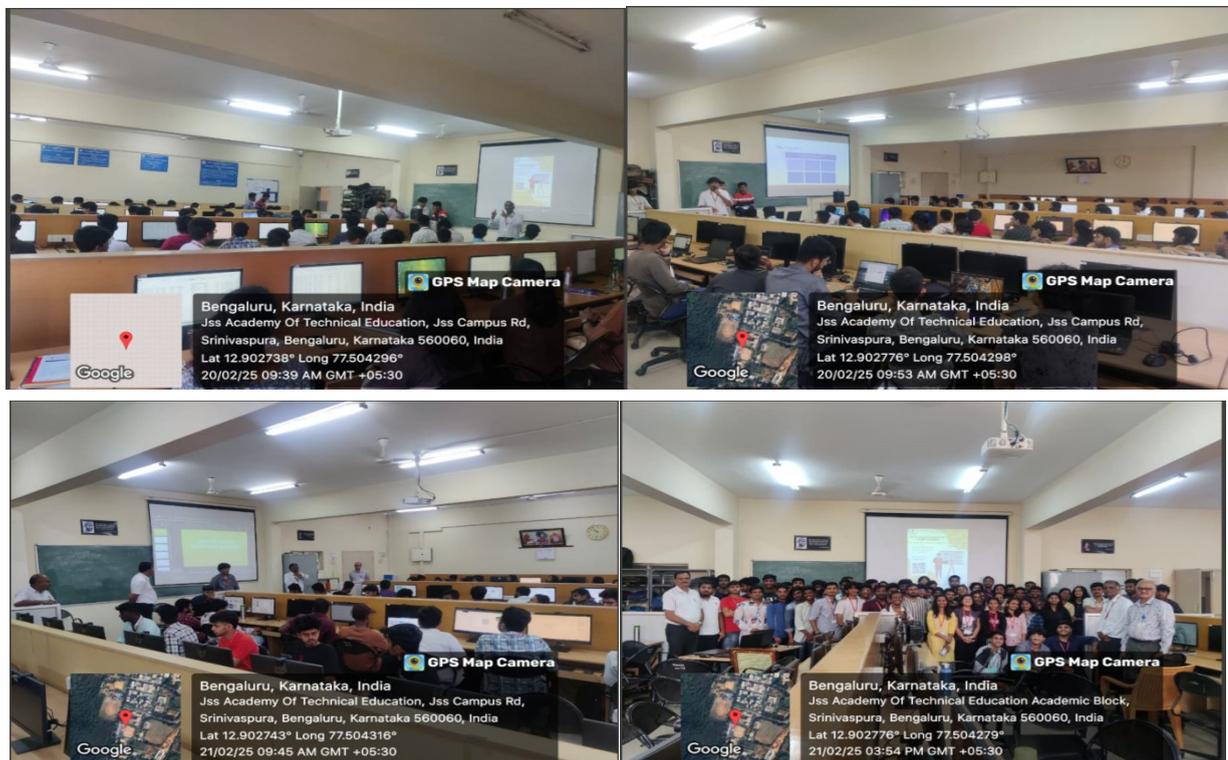

**Date : 10/12/2024**

**Name of the Event/activity:** Two-day Student Development Program on “Data Visualization for Smart Decision making”.

**Event Coordinators:** Dr. Yogesha K B, Associate Professor, ME department

A two-day Student Development Program on “Data Visualization for Smart Decision making” was organized by Department of Mechanical Engineering in association with IQAC, JSS Academy of Technical Education, Bengaluru, on 20<sup>th</sup> & 21<sup>st</sup> February 2025 from 9:00 am to 5:00 pm. The objective of this program is to provide students with the knowledge and skills necessary to understand and

implement data visualization techniques to support effective decision-making. Through this program, we aim to enhance students' analytical and presentation skills, which are crucial in today's data-driven world.

**Date : 06/03/2025**

**Name of the Event/activity: Guest Lecture**

The Department of Mechanical Engineering had organized a talk on “**Opportunities through GATE Exam**” on 06.03.2025 from 12:00 pm to 1:00 pm to IV and VI semester students. The talk was delivered by Prof. Atul Negi from IMS Gate Academy, Bengaluru. About 50 students attended the program and got benefitted from it.

**Date : 17/03/2025**

**Name of the Event/activity: Industry visit-**

Industrial Visit to **SS Industries**, Kumbalagodu Industrial Area, Bengaluru.

**Faculty co-coordinators:** Dr. G M Swamy, Dr. Devappa and Prajwal M

**Students:** VI sem students; **No. of students attended:** 20

**Date : 17/03/2025**

**Name of the Event/activity: Industry visit- Industrial Visit to Prabha Industries, Kumbalagodu Industrial Area, Bengaluru.**

**Faculty co-coordinators: Dr. Santhosh Kumar B.M, Dr. G M Swamy,**

**Students: IV semester students;**

**No. of students attended: 23**

**Department of Robotics and Automation DATA -2024-2025 (ONLY)**

**ABOUT THE DEPARTMENT**

The Department of Robotics and Automation is a unique Engineering Program that deals with the design and development of automated systems combining Mechanical, Electronics, Instrumentation, Computer Science,

Artificial Intelligence and Machine Learning in real time. This interdisciplinary program aims to develop proficiency in Mechanisms, Control Systems, Mechatronics, Dynamics and Embedded Systems. The graduates from this program will have the knowledge and skills to work in a broad variety of engineering careers in both the public and the private sectors such as automobiles, aerospace, Defense, pharmaceutical, food processing, chemical etc.

The Department of Robotics and Automation is established in the year 2021. The curriculum of the program includes fundamentals as well as advanced courses that focus on imparting technical know-how to students, promoting their problem-solving skills and innovating new technologies. The Department is composed of well-qualified faculty with good retention. The regular activities of the Department include MOUs with Industries, offering Internships for students at various Industries and Institutes, organizing Industrial visits, and conducting expert lectures and workshops for students. Students are encouraged to take part and exhibit their talents in building innovative Robot models at national and international level competitions.

### VISION, MISSION OF THE DEPARTMENT

#### Vision

“To be a Centre of excellence in the field of Robotics and Automation by emphasizing on quality education, training, research and inculcating human values to cater the needs of the industries and society.”

#### Mission

**M1:** To equip the students with higher-order thinking and technical skills in Robotics and Automation through effective teaching learning methodologies.

**M2:** To educate and train the students with state of art technologies, industry institute interaction and promote research in the field of Robotics and Automation.

**M3:** To provide an ambience that facilitate self-learning, collaborative learning and acquire multidisciplinary knowledge.

**M4:** To encourage the students by nurturing creativity and innovation to launch start-ups and promote entrepreneurship.

## FACULTY ACHIEVEMENTS

### Seminars & workshops attended by staff

Sl. No	Name of the staff	Details of Seminar & Workshop	Date & Place
1	Dr. Ramya M V	MATLAB EXPO-2025	22 <sup>nd</sup> April 2025
2	Dr. Ramya M V	Nvidia Training	16 <sup>th</sup> & 17 <sup>th</sup> April 2025
3	Dr. Ramya M V	One week FDP on "Artificial Intelligence and Emerging Technologies"	18 <sup>th</sup> to 22 <sup>nd</sup> March 2025 Dept. of Computer Science and Engineering, JSS Science and Technology University, Mysuru
4	Dr. Ramya M V	One week FDP on "Integrating AI Tools in Engineering Research"	3 <sup>rd</sup> to 8 <sup>th</sup> February 2025 Department of Chemical Engineering and Department of Computer Science & Engineering (AI&ML and Cyber Security), M.S. Ramaiah Institute of Technology, Bengaluru
5	Dr. Ramya M V	1-Day outbound Leadership Development Program on "Scintillation: A step towards organizational Excellence"	13 <sup>th</sup> January 2025 Department of Management Studies, JSSATE, Bengaluru
6	K S Mahesh	Completed 4 weeks course on NPTEL-AICTE FDP on "Manufacturing Automation"	Jan-Feb 2025
7	Niranjan N S	Completed 4 weeks course on NPTEL online certification on "Manufacturing Automation"	Jan-Feb 2025

## STUDENT ACHIEVEMENTS (RANK, BE HONORS, HACKATHON, STIPEND, INTERNSHIP, PRIZE, CO-CURRICULAR ACTIVITIES)

- Three students from R&A Dept. have bagged VTU ranks in the 2024-2025 SEEs (2021 batch).
  - ✓ Ms. RIYA ANANT NAIK, 1JS21RA014 - 5th Rank
  - ✓ ABHISHEK J., 1JS21RA001 - 7th Rank
  - ✓ Ms. BHAVYA J., 1JS21RA005 - 10th Rank
- BHARATH H G (1JS21RA004), Pooja S (1JSRA024), Riya Anant Naik (1JS21RA014) & P P Pavel (1JS21RA012) were selected for Internship on Newrro Tech LLP for 3 Months duration & Wipro enterprises Pvt. Ltd. (Wipro 3D) for duration of 2 months.
- Bhavya J (1JS21RA005) of 8<sup>th</sup> Semester student presented paper entitled “Intillegent Food Storage: Enhancing Freshness & Reducing Waste with Smart Containers” in IEEE International conference on Computational systems & Information Technology for sustainable solutions (CSITSS) held from 7<sup>th</sup> to 9<sup>th</sup> November 2024 at RV College of Engineering, Bengaluru.
- BHARATH H G (1JS21RA004) & CHIRANTH P S (1JS21RA007) of 8<sup>th</sup> Semester students completed online course on “Artificial Intelligence Beginners Guide: What is AI?” by Simplilearn on 11<sup>th</sup> Dember 2024.
- SUPRAJ S (1JS22RA020) & VARSHINI G C (1JS22RA022) of 6<sup>th</sup> Semester student presented paper entitled on “Addressing key challenges in sustainable energy: Battery recycling and hybrid energy storage systems for microgrids” in 1<sup>st</sup> National Conference on climate Resilience and environmentally sustainable Technologies (NITK-CREST 2025) held during 27<sup>th</sup> Febraury 2025 to 1<sup>st</sup> March 2025 at National Institute of Technology Karnataka, Surathkal, Mangalore.
- SUPRAJ S (1JS22RA020) of 6<sup>th</sup> Semester R&A student participated in the conclave of RoboAnalyzer Online/offline Competition (ROC) held at IIT Delhi during 15<sup>th</sup> June 2025 to 13<sup>th</sup> September 2025.
- PRANAV S (1JS22RA015) 6<sup>th</sup> Semester R&A student secured an internship at Epicure Robotics with a stipend of Rs. 10,000/- per month.
- CHAWDHARY BASHAAR (1JS22RA006) of 6<sup>th</sup> Semester R&A student secured 2<sup>nd</sup> in Sport Table Tennis held during Kala Mahotsav 2024 organized by Dept. of ECE, JSSATEB.
- KUAL K V (1JS22RA011), HARSHITH R (1JS22RA009) & DEEKSHA G (1JS22RA007) of 6<sup>th</sup> Semester R&A students participated in “Robolympics- The Journey of Precision & Play” held on 14<sup>th</sup> December 2024 at BMSIT&M, Yelahanka organised by IEEE-RAS \* E-Yantra BMSIT&M.
- KUAL K V (1JS22RA011), HARSHITH R (1JS22RA009), DEEKSHA G (1JS22RA007) & TUSHAR S (1JS22RA021) of 6<sup>th</sup> Semester R&A students participated in MAZE-MERISE event at the Inter-Collagiate fest MAGNOVITE 2024 held on 6<sup>th</sup> & 7<sup>th</sup> December 2024 at Christ University.
- ADITHI R (1JS22RA001) of 6<sup>th</sup> Semester R&A student completed Phython 101 for Data Science course by IBM Developer SKILLS network on 9<sup>th</sup> December 2024.
- DEEKSHA G (1JS22RA007) & TUSHAR S (1JS22RA021) of 6<sup>th</sup> Semester R&A students completed the NPTEI 8 weeks online course on Robotics from July to September 2024.
- SINCHANA KULKARNI (1JS23RA017) of 4<sup>th</sup> Semester R&A student completed the NPTEI 4 weeks online course on Software Conceptual Design from August to September 2024.
- RAKSHANA N (1JS23RA011) of 4<sup>th</sup> Semester, B PAVAN(1JS22RA005) & LAMTURE MANAV(1JS22RA012) of 6<sup>th</sup> Semester R&A students completed the NPTEI 12 weeks online course on Industrial Robotics: Theories for Implementation” from July to October 2024.

- RAKSHANA N (1JS23RA011) of 4<sup>th</sup> Semester, R&A students completed the NPTEI 8 weeks online course on “Programming, Data Structures & Algorithms using Python” from January to March 2025.

## **DEPARTMENT OF MANAGEMENT STUDIES**

### **ABOUT THE DEPARTMENT**

In pursuit of the vision of JSSMVP founders and leaders towards social upliftment, the Department of Management Studies was set up in 2004 at JSSATE, Bengaluru, as a renewed commitment and dedication to mass education. Extending premium quality education for Management aspirants, the Department offers a two-year MBA program and is also a Research Centre for scholars to pursue PhD in Business Administration. The programs are affiliated with VTU, Belagavi, approved by the Govt of Karnataka, and recognized by AICTE, New Delhi. The Department has a sanctioned intake of 60 students with a seat matrix of 50% from PGCET conducted by Karnataka Education Authority and the remaining 50% Management Quota. Outcome-based Education is being practiced in the Teaching & Learning Process. The students have the option to choose a dual specialization in the combination of Finance, Human Resources, or Marketing which caters to the needs of all the Management areas of the corporate world. The Department has a highly experienced and qualified faculty consisting of 4 Doctorates and the rest pursuing PhD who dedicate themselves to equipping the students in all the thrust areas of Management and Research. The VTU curriculum is well supported with add-on co-curricular and extra-curricular activities to transform the students into future Management Professionals and Entrepreneurs. The institution's Training & Placement Cell

organizes Soft Skills programs and campus placements for MBA students. The Department has over 15 batches of alumni who support Industry-Academic Knowledge Transfer in addition to placement assistance. The Department also has well well-stocked library supplemented by a Digital Library and Wi-Fi facility. The campus also houses a fully furnished Girls and Boys Hostel with full-time wardens. As part of the curriculum, the students are encouraged to participate in Intercollegiate Management Fests, Seminars, Conferences, etc with exposure to the practical world through Internships and live Projects. The Institution's Cricket ground, Basketball & Acrylic Synthetic Tennis courts also inspire the students to excel in Intercollegiate, State, and National Sports competitions.

The Department is a recognized Research Centre for PhD in Business Administration affiliated with VTU, Belagavi inspiring the young faculty fraternity towards Innovation and Invention. Till date, Four research scholars have been awarded Doctorate Degrees, and currently, ten scholars are pursuing research in the areas of Finance, HR, and Marketing and publish their work in reputed Journals and Conferences. The research scholars are facilitated with a Digital Library to access online journals, Statistical Packages for Data Analysis, and turn-in software for free Plagiarism checks. The scholars also participate in Workshops and FDPs in the areas of Research Methodology and Data Analytics. Currently, the Department has 3 approved Research Supervisors guiding the scholars in all the areas of Management.

## **VISION, MISSION OF THE DEPARTMENT**

### **Vision**

To be a centre of academic excellence in the area of management, nurturing innovation, research and entrepreneurship.

### **Mission**

- Impart quality education in management through an inclusive learning environment.
- Instill the managerial skills, knowledge, attitude and abilities to sustain in the competitive business Environment.
- Inculcate leadership, innovativeness and entrepreneurship attributes to meet business challenges ethically and legally.

**1. Lakshya: The Leadership Expedition – Empowering Future Leaders**

The Department of Management Studies organized “Lakshya: The Leadership Expedition,” a dynamic two-day student development program held on 20th and 21st January 2025 for the 2nd year MBA students (Batch 2023-2025). Led by Mr. Vinay S. Patil, Leadership Coach and Founder of SkillFix Consultants Pvt. Ltd., Bengaluru, the program focused on cultivating leadership qualities, critical thinking, emotional intelligence, and team-building skills. Through interactive workshops, real-time problem-solving, and experiential learning, students gained valuable exposure to the practical

dimensions of leadership beyond the classroom. The program successfully bridged academic concepts with industry expectations, receiving enthusiastic participation and positive feedback from students, and stands as a significant step toward holistic management education.

## 2. PG Inauguration Ceremony – Batch 2024–26

### Day 01: PG Inauguration Program

The Department of Management Studies hosted the inauguration ceremony of the First Year Postgraduate Programmes (MBA, MCA & MTech) on 8th January 2025. The event was graced by Mr. Rajesh A, Associate Director – MowE, IIM Calcutta, as the Chief Guest, and Dr. Bhimasen Soragaon, Principal, JSSATE-B. Mr. Rajesh inspired the students with his valuable insights on leadership, innovation, and professional growth. The session marked a motivating start for the incoming batch of 2024–2026, encouraging them to strive for excellence in all aspects of their postgraduate journey.

Dr. Divya emphasized the importance of mental and emotional balance, sharing practical strategies to manage stress and build resilience. The interactive session encouraged students to prioritize self-care as they embark on their academic journey, concluding the program on a thoughtful and positive note.

# Inspire & Ignite: Guest Lecture Series – Industry Insights in the Classroom

## 1. Insights on Marketing Trends and Consumer Behaviour

On 22nd February 2025, the Department organized an expert session titled "**Insights on Marketing Trends and Consumer Behaviour**" for MBA students. The session was led by **Mr. B. Vinod Kumar**, an industry expert from **Accenture** and the **New York Institute of Finance**, specializing in Supply Chain Operations and Global Sourcing. Mr. Vinod Kumar provided in-depth perspectives on emerging marketing strategies, shifting consumer behaviour, and the global factors shaping business decisions today. The interactive session offered students valuable real-world insights, enhancing their readiness for strategic roles in the evolving business landscape.

## 2. Exploring the World of Real-Time Stock Trading

On 4th March 2025, our students attended an enriching session on **Real-Time Stock Trading** led by **Mr. Rajesh Raheja, Zonal Head – South and North East, ICICI Securities**. The session provided hands-on exposure to stock market operations, live trading, and investment strategies, bridging academic learning with real-world financial practices. Students gained practical insights into market dynamics and decision-making in volatile conditions.

### 3. Expert Talk on the Role of AI in the Recruitment Process

On 15th March 2025, the Department organized an expert talk on "The Role of AI in the Recruitment Process" by Mr. Supreeth M. G., Talent Acquisition Specialist at L&T Infotech, Bengaluru. The session offered valuable insights into AI-driven recruitment, with students actively exploring real-world applications, case studies, and emerging HR technologies.

## 4. Guest Lecture on Workplace Ethics by Pushpa Vasista

On 15th March 2025, the Department organized a guest lecture on **Workplace Ethics** by **Ms. Pushpa Vasista, Entrepreneur and Founder of Kalegoodu Home and Living**. Drawing from her entrepreneurial journey, Ms. Vasista shared valuable insights on ethics in professional settings, decision-making, and sustainable practices. The highly interactive session saw enthusiastic student participation, reflecting their keen interest in ethical leadership and workplace integrity.

## 5. Unlocking the Future of Supply Chain

On 5th April 2025, Mr. Manjunath Prasad, Director – Product Management & Customer Success at Winmore, addressed 3<sup>rd</sup> semester MBA students(2023-25) Batch on **“Introduction to Logistics & Supply Chain: Challenges, Trends & Opportunities.”** He shared valuable insights on how modern supply chains are evolving amid global disruptions, digitalization, and shifting customer demands. The interactive session, enriched with real-life examples and scenario-based exercises, offered students a practical understanding of logistics and its strategic importance in today’s business landscape.

### Workplace

On 22nd April 2025, the Department organized an interactive session on "From Classroom to Corporate: Essential Communication Tools for the Modern Workplace," led by Ms. Dhavana B. S., Executive in Global Semiconductor Procurement & Supply Chain at Mercedes-Benz. The session focused on workplace communication essentials, including email etiquette, virtual collaboration, presentation skills, and cross-cultural communication. Through role plays and real-life corporate scenarios, students gained practical insights to enhance their professional readiness.

## 7. Industry Expert Talk on Bank Reconciliation Statement

An expert talk on **Bank Reconciliation Statement (BRS)** was conducted on 15th March 2025, led by **Mr. Ajay Kumar**, a seasoned financial expert with 16 years of industry experience across Software, IT, Hospitality, and emerging ventures. The session provided valuable insights into the significance, process, and practical applications of BRS in corporate financial management. Mr. Kumar emphasized the importance of regular reconciliation for maintaining financial accuracy and discipline, equipping students with essential real-world financial practices.

## Budget in Focus: Live Streaming & Economic Discussion 2025-26

On 1st February 2025, the Department organized a **live streaming session of the Union Budget 2025-26**. The session aimed to enhance students' understanding of India's economic framework, fiscal policies, and government priorities. Students actively engaged by taking notes and participating in post-session discussions, gaining valuable insights and sharpening their real-time economic analysis skills.

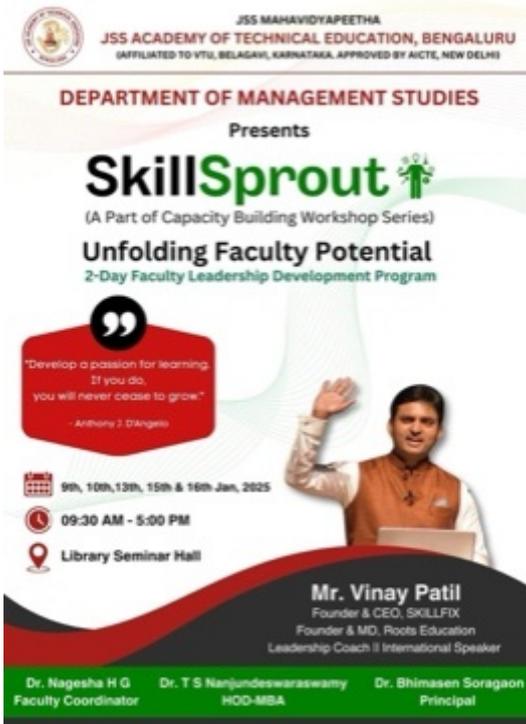

## Empowering with Excel: Practical Training for 2nd Year MBA's

The Department of Management Studies organized a **30-hour Advanced Excel Training Program** for 2nd year MBA students, conducted by **Ambition Inc., Bengaluru** from 8th February to 22nd March 2025 on weekends. The program focused on advanced data analysis, spreadsheet modelling, and automation techniques using Excel, with hands-on sessions covering formulas, pivot tables, dashboards, macros, and financial modelling. An assessment was conducted, and students who successfully completed the training were awarded certificates of achievement. The program provided a practical learning experience, significantly enhancing students' analytical skills and industry readiness.

## Faculty Leadership Development Program: Skill Sprout

The Department of Management Studies organized the Faculty Leadership Development Program: Skill Sprout from 9th–10th, 13th, and 15th–16th January 2025, covering 161 teaching staff across three batches. Led by Mr. Vinay Patil, Leadership Coach and Founder of Skillfix, the program focused on enhancing leadership, innovation, effective communication, and modern teaching strategies to foster student engagement and academic excellence.

The poster for the SkillSprout program features the JSS Mahavidyalaya logo at the top left. The text reads: "JSS MAHAVIDYALAYA, BENGALURU (AFFILIATED TO VTU, BELAGAVI, KARNATAKA, APPROVED BY AICTE, NEW DELHI)". Below this, it says "DEPARTMENT OF MANAGEMENT STUDIES Presents SkillSprout (A Part of Capacity Building Workshop Series) Unfolding Faculty Potential 2-Day Faculty Leadership Development Program". A quote by Anthony J. DiAngelo is included: "Develop a passion for learning. If you do, you will never cease to grow." The dates are listed as "9th, 10th, 13th, 15th & 16th Jan, 2025" with a time of "09:30 AM - 5:00 PM" and location "Library Seminar Hall". The main speaker is "Mr. Vinay Patil, Founder & CEO, SKILLFIX, Founder & MD, Roots Education, Leadership Coach | International Speaker". At the bottom, the organizers are listed: "Dr. Nagesha H G, Faculty Coordinator; Dr. T S Nanjundeswaraswamy, HOD-MBA; Dr. Bhimasen Soragaon, Principal".

## Unlocking Opportunities: MoU Signed

### **Empowering Digital Futures: MoU Signed with HiveMindsPvt. Ltd.**

On 4th April 2025, the Department of Management Studies, JSSATE Bengaluru, signed an **MoU with M/s. HiveMindsPvt. Ltd.**, a unit of Madison World, to offer digital marketing training and workshops for MBA students. The partnership aims to enhance industry readiness through hands-on learning and expert-led sessions. **Dr. Pradeep M. P., Associate Professor** has been appointed as the coordinator to oversee the initiative, strengthening the department's industry-academia connect.

## Industrial Visits

### Industrial Visit to HiveMinds Innovative Market Solutions Pvt Ltd

On 5th June 2025, the Department, organized an industrial visit to **HiveMinds Innovative Market Solutions Pvt. Ltd.**, at Global Tech Park, Bengaluru, for first-year MBA students (Batch 2024–2026). The visit offered valuable exposure to performance analytics, data-driven decision-making, and strategic digital marketing in practice. It provided students with meaningful industry interaction and deeper insights into real-world business operations, effectively bridging classroom learning with industry experience.

## Industrial Visit to Wildcraft India Pvt. Ltd.

On 5th March 2025, the Department organized an industrial visit to **Wildcraft India Pvt. Ltd.**, Bengaluru, for 3rd semester MBA students. The visit offered valuable exposure to manufacturing, supply chain, and operations management, with students actively engaging in discussions on brand strategy and real-world business practices. This hands-on learning experience effectively bridged classroom concepts with industry application.

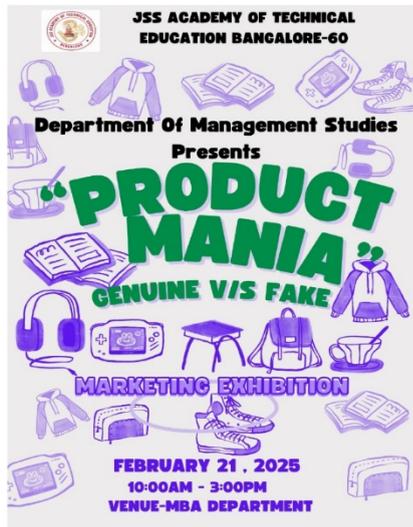

# From Theory to Trade: Investment Banking Workshop

## Workshop on Investment Banking Operations

On 25th June 2025, the Department organized a guest lecture on **Investment Banking** featuring **Mr. Maheshwar Narayanan** from Imarticus Learning. Drawing from his extensive experience in banking compliance and operational management, Mr. Narayanan shared key insights on investment banking concepts, industry trends, and career opportunities. The session bridged academic learning with industry practices, providing students with valuable real-world perspectives and essential skills for the sector.

# Product Mania: Spot the Real, Beat the Fake

On 21st February 2025, the Department of Management Studies, JSSATE Bengaluru, organized “**Product Mania**” to promote awareness on brand authenticity and counterfeit goods. MBA students set up over 50 stalls showcasing original and imitation products, creating a fun, hands-on learning experience that emphasized smart consumer choices and market awareness.

## Potluck Gathering: A Taste of Togetherness

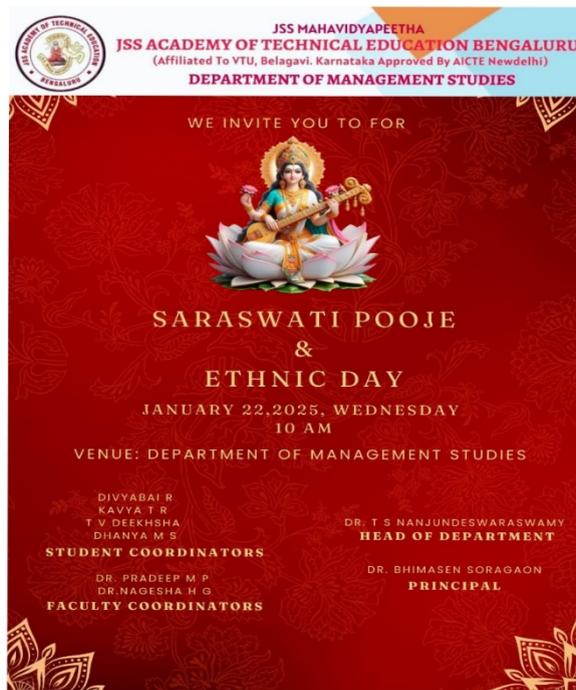

On 22nd January 2025, the MBA Department hosted a **Potluck Gathering** that brought together students, faculty, and staff in a joyful celebration of community and culture. The event featured a diverse culinary spread, storytelling, and lively bonding, creating an atmosphere of warmth and camaraderie. It beautifully reflected the department's commitment to holistic and inclusive learning beyond the classroom.

# Think. Learn. Lead: Inauguration of the Knowledge Club

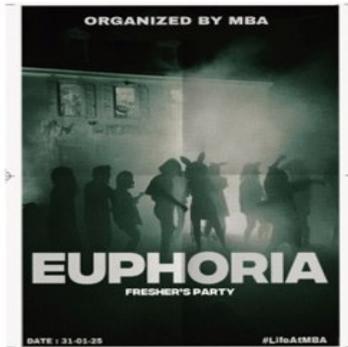

On 22nd January 2025, the Department of Management Studies proudly inaugurated the **Knowledge Club**, a platform to foster intellectual curiosity, innovation, and lifelong learning. The event featured a dynamic keynote by **Mr. Vinay Patil**, popularly known as the “**Josh Machine**” who inspired students to pursue self-driven learning and stay attuned to global trends. The Knowledge Club aims to become a vibrant hub for discussion, discovery, and continuous growth, supporting the department’s vision of holistic education.

# Saraswathi Pooja Celebration: Embracing Wisdom Through Tradition

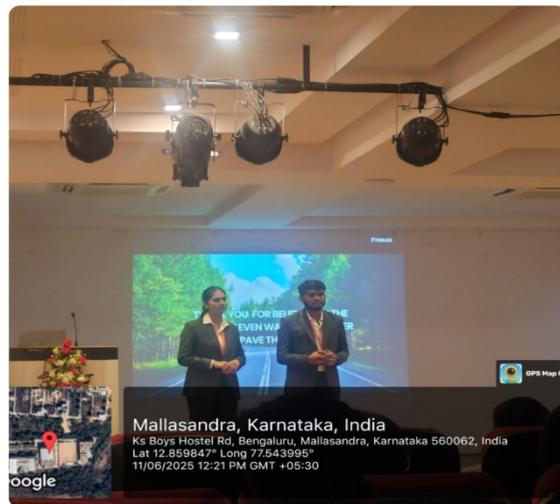

On 22nd January 2025, the Department of Management Studies celebrated **Saraswathi Pooja** with devotion and cultural vibrance, honouring the Goddess of Knowledge. The pooja, inaugurated by **Mr. Vinay Patil**, saw enthusiastic participation from Faculty Members, Students, and Staff. Traditional rituals and cultural performances created a serene and festive atmosphere, reflecting the department's commitment to holistic development by blending tradition with academic life.

# The Spark of New Beginnings: Freshers' Day Celebration of 2024-2026 Batch

On 31st January 2025, the Department of Management Studies hosted a vibrant **Freshers' Day celebration**, organized by 2nd year MBA students to warmly welcome the MBA Batch of 2024–2026. The event featured ice-breakers, games, cultural performances, and lively interactions that fostered a sense of belonging and joy. It beautifully reflected the spirit of unity, leadership, and hospitality within the MBA community.

## Champions Among Us: Students Achievements

**Priyadarshini V and Abhishek J**, 1st year MBA students, showcased their entrepreneurial skills by securing **third place** at the Inter-college Business Plan Competition organized by **K. S. School of Engineering and Management (KSSEM)**. After attending a preparatory workshop on business plan development, they impressed judges with their well-structured proposal and strong presentation. Their achievement reflects the spirit of innovation, teamwork, and practical learning fostered by the department.

**2.Ms. Chandana S P, USN: 1JS22BA014, (2022-24) Batch secured 5<sup>th</sup> Rank in VTU Exams.**

## DEPARTMENT OF MASTER OF COMPUTER APPLICATIONS (MCA)

### ABOUT THE DEPARTMENT

JSS Academy of Technical Education, Bengaluru offers Master of Computer Applications program (MCA) from the academic year 2022-23. The institute is approved by AICTE, affiliated to VTU, Belagavi and is recognized by Govt. of Karnataka. The institute is equipped with state-of-the-art infrastructure and computing facilities. The current intake of the MCA program is 60 and the duration is two years (Four Semesters). The curriculum, designed by VTU, is aimed at broadcasting a wide spectrum of practice and knowledge in the computing domain in the latest and emerging technologies. The Department of MCA inculcates innovative teaching-learning methods, and Outcome Based Education (OBE) to enable students to become intellectual but competent professionals to meet global challenges.

### VISION, MISSION OF THE DEPARTMENT

#### VISION

- To be an esteemed academic and research department by imparting Quality Education to build competent professionals and entrepreneurs.

#### MISSION

- Adopt novel methodologies in the teaching-learning process for quality education through experiential learning.
- Promote research and development activities, leading to publications, patents and start-ups.
- Inculcate ethical values and leadership qualities among the students for a better society

Title: International Day Against Drug Abuse and Illicit Trafficking

Date: 26<sup>th</sup> June 2024

No of Participants: About 2000 students and staff members

Place: JSSATE Bengaluru.

Report:

On the occasion of International Day Against Drug Abuse and Illicit Trafficking, the National Service Scheme (NSS) Unit of JSS Academy of Technical Education, Bangalore (JSSATEB) organized a pledge-taking event on June 26, 2024, at the JSSATEB Campus. The objective of the event is to raise awareness about the ill effects of drugs and encourage students to take action against this societal issue.

About 2000 students and staff members took the pledge: "Say No to Drugs and Yes to Life". Students acquired a sense of satisfaction in spreading awareness about drugs.

Title: NSS Camp

Date: 1<sup>st</sup> and 2<sup>nd</sup> July 2024

No of Participants: About 42 students and the NSS Programme Officer

Place: Govt PU College, Kaggalipura, Kanakapura Road, Bengaluru.

Report:

The National Service Scheme Unit of JSS Academy of Technical Education, Bengaluru, organized a two-day NSS Camp on the 1st and 2nd of July 2024 at Government PU College, Kaggalipura, Bengaluru. The event was held with the support of the Department of Electronics and Instrumentation Engineering (EIE), JSSATEB, as part of the NSS subject for 6th-semester students.

Title: Dengue Awareness Walkathon

Date: 23<sup>rd</sup> July 2024

No of Participants: About 240 students and the NSS Programme Officer

Place: Ganakal Village, Srinivasapura, Bengaluru.

Report:

The National Service Scheme Unit of JSSATE Bengaluru organized a Walkathon to raise awareness about Dengue Fever on 23rd July 2024 in Ganakal village, Srinivaspura, Bengaluru. About 240 NSS students participated in the walkathon under the guidance of Dr. Girish N, NSS Programme Officer. The awareness about Dengue fever, precautionary measures to be taken to eliminate it, and the importance of cleanliness around home and workplaces was raised by chanting of slogans and displaying the placards.

Title: Space Start-up Pitching Competition

Date: 2<sup>nd</sup> August 2024

No of Participants: 5 students and the NSS Programme Officer

Place: ISRO HQ Auditorium, Antariksh Bhawan, New BEL Road, Bengaluru-560 094

Report:

The New Space India Limited (NSIL), a Govt. of India Company under Dept. of Space and the commercial arm of the Indian Space Research Organization (ISRO) celebrated National Space Day-2024 on 02 August 2024 at ISRO HQ Auditorium, Antariksh Bhawan, New BEL Road, Bengaluru-560 094. The NSIL organized a Space Start-Up Pitch Competition for Engineering College students in association with ISRO. Our five students, Gyanaranjan Swain (1JS23EC041), Gagan M (1JS23EC037), Tejas S (1JS22EI049), Nagashree D S (1JS22CS096), and Pallavi Jha (1JS22CS104) presented the Space Start-up idea the "Stellar Sweep" under the guidance of Dr. Girish N, NSS Programme Officer at Antariksh Bhawan, ISRO Headquarters, Bengaluru on 2nd August 2024 and won the first prize. Dr. S. Somanath, Chairman, of ISRO, presented the certificates and trophies to the winners.

Title: Anti-ragging Day

Date: 12<sup>th</sup> August 2024

No of Participants: About 200 students and staff members

Place: JSSATE Bengaluru.

Report:

On 12th August 2024, the NSS Unit and Anti-Ragging Committee of JSS Academy of Technical Education, Bengaluru, conducted a Pledge-Taking Ceremony as part of Anti-Ragging Awareness Week. About 200 students and staff members took the Anti-Ragging Day pledge. This program commenced with an introductory speech by Dr. Girish N, NSS Programme Officer on Anti Ragging Awareness Week, describing the ill effects of ragging on the well-being of students and what kind of atmosphere should prevail on the campus. Dr. D Mahesh Kumar, Dean of Students Welfare advised students to know the consequences of the ragging.

Title: Telescope Making Workshop

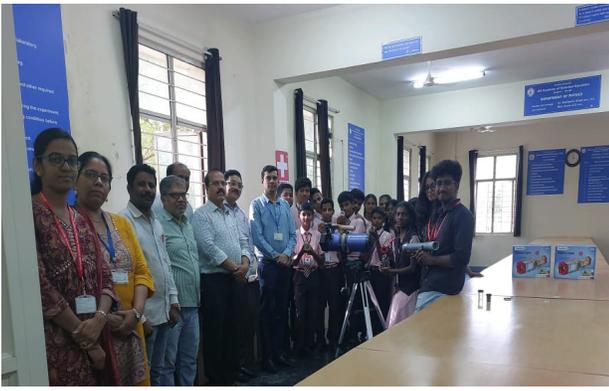

Date: 22<sup>nd</sup> August 2024

No of Participants: About 20 school students and staff members

Place: JSSATE Bengaluru.

Report:

As part of the National Space Day celebration, the NSS Unit of JSSATEB, organized a telescope-making workshop on the 22nd of August 2024. The event was held at the Physics Lab from 2.00 to 4.00 pm. The resource person for the workshop was Dr. Shashidhar R, Associate Professor and Head of the Department of Physics, JSSATE, Bengaluru. Dr. Shashidhar R, an expert in the field, provided hands-on guidance to the participants, sharing his knowledge on telescope construction and its applications in space observation. The workshop saw enthusiastic participation from students of JSS School, Ganakal.

Title: Medical Checkup Camp  
 Date: 10th March 2025  
 No of Participants: 300 students and Staff members  
 Place: JSSATE, Bengaluru

Report:

The NSS and YRC Units of JSSATE, Bengaluru, successfully organized a **Medical Checkup Camp** on the **10th of March 2025** in association with **Clove Dental** under the guidance of **Dr. Girish N, NSS Programme Officer**. The camp aimed to promote **preventive healthcare practices** and enhance health awareness among students and staff members. During the camp, **about 300 participants** benefitted from comprehensive health checkups.

Title: Swachh Bharat Awareness Walkathon  
 Date: 5<sup>th</sup> October 2024  
 No of Participants: About 45 NSS volunteers  
 Place: Ganakal Village, Srinivaspura, Bengaluru.

Report:

On the 5th of October 2024, JSS Academy of Technical Education, Bengaluru, organized a Swachh Bharat Awareness Walkathon at Ganakal village, Srinivaspura, Bengaluru, to raise awareness about cleanliness and hygiene among the local community. The event was conducted as part of the Swachhata Hi Seva Campaign, to promote a clean and healthy environment. About 45 NSS volunteers from JSSATEB enthusiastically participated in the walkathon under the guidance of Dr. Girish N, NSS Programme Officer, spreading the message of maintaining cleanliness in public spaces, proper waste disposal, and the importance of hygiene in daily life. The volunteers interacted with the residents of Ganakal village and encouraged them to adopt sustainable practices for a cleaner village.

Title: National Unity Day Run

Date: 30<sup>th</sup> of October 2024

No of Participants: About 300 students and NSS Programme Officer

Place: Ganakal Village, Bengaluru to JSSATEB

Report:

On 30th October 2024, JSS Academy of Technical Education (JSSATE), Bengaluru, celebrated National Unity Day in honor of Sardar Vallabhbhai Patel's birth anniversary, promoting the spirit of unity and integrity among students and the community. As part of the celebrations, the institution organized a National Unity Run from Ganakal Village to the JSSATE campus. Approximately 300 NSS volunteers participated in this 2-kilometer run, led by the NSS Programme Officer Dr. Girish N.

Title: Eco-friendly paper bag making

Date: 15<sup>th</sup> to 21<sup>st</sup> November 2024

No of Participants: About 400 students

Place: JSSATE Bengaluru.

Report:

The NSS Unit of JSSATEB successfully organized an eco-friendly initiative to create paper bags from old newspapers from 15th to 21st November 2024. Under the guidance of Dr. Girish N, NSS Programme Officer, volunteers actively participated in this drive and produced approximately 13,000 paper bags. The paper bags were distributed to vendors at the Kadalekayi Parithe (Groundnut Fair) in Basavanagudi, Bengaluru, on the 23rd and 24th of November 2024. This initiative aimed to promote sustainable practices and reduce the use of single-use plastic among the vendors. The activity not only enhanced environmental awareness but also strengthened community engagement by supporting local vendors with an eco-friendly alternative.

Title: Talk on Fundamental rights and duties: what you get and what you owe

Date: 26<sup>th</sup> November 2024

No of Participants: About 120 students and faculty members

Place: JSSATE Bengaluru.

Report:

On the occasion of Constitution Day, a talk titled “Fundamental Rights and Duties: What You Get and What You Owe” was organized at JSS Academy of Technical Education, Bengaluru. The session was graced by Mrs. Vanishri S, an experienced advocate from Bengaluru, as the resource person. Mrs. Vanishri provided an insightful overview of the fundamental rights guaranteed by the Constitution of India, emphasizing their significance in ensuring equality, freedom, and justice. She also highlighted the fundamental duties as an essential complement to these rights, stressing the importance of responsible citizenship.

Title: Drug, Cyber security Awareness

Date: 30<sup>th</sup> November 2024

No of Participants: About 100 students and faculty members

Place: JSSATE Bengaluru.

Report:

On November 30, 2024, an awareness program on drugs, ragging, and cybercrime was held at JSSATEB, organized by the NSS Unit of the institution. The event featured a welcome address by Dr. Girish N, NSS Program Officer. Dr. Bhimasen Soragaon, Principal, Dr. D. Mahesh Kumar, Dean of Student Welfare, and Dr. C V Vinay, Professor, Department Mathematics, graced the function alongside Sub Inspectors Mr. Krishna, Mr. Srinivas and Assistant Sub Inspector Mrs. Manjula from Kengeri Police Station. Drugs: Mr. Krishna discussed the dangers of drug addiction. He warned against foreign influences targeting Indian youth and emphasized students' role in nation-building, urging them to focus on their responsibilities over destructive habits.

Title: Hunt the winter

Date: 18th December 2024

No of Clothes donated: About 40 clothes

Place: Visveshwaraya Layout, Kengeri, Bengaluru.

Report:

The NSS Unit of JSSATE Bengaluru organized a clothes donation drive, "Hunt the Winter," to support the underprivileged during the winter season from 27th November to 5th December 2024. Students and faculty members actively participated by donating winter essentials, including sweaters, warm pants, blankets, and shawls. In total, over 40 items of winter clothing and fruit juice packets were collected. On 18th December 2024, NSS volunteers distributed these items to the needy near Shirke, Bengaluru, ensuring they received warmth and care during the cold season.

Title: Rejuvenation of GHPS, Gidadakonenahalli, Bengaluru

Date: 19th November 2024

No of Participants: 66 students

Place: Government Higher Primary School, Gidadakonenahalli, Bengaluru

Report:

The NSS Unit of JSS Academy of Technical Education, Bengaluru (JSSATEB) organized a one-day camp on the 19th of November 2024, at the Government Higher Primary School, Gidadakonenahalli, Bengaluru. Sixty-six volunteers from the Civil, Mechanical, and Robotics departments, led by NSS Programme Officer Dr. Girish N, participated enthusiastically. The camp aimed to improve the school environment and engage meaningfully with students. Volunteers prepared educational charts on topics like Mathematics, Science, and Social Studies, which were displayed in classrooms as long-term learning aids. They also cleared overgrown grass, cleaned the premises, and segregated waste, promoting cleanliness and eco-friendly practices.

Title: Books Segregation Drive  
 Date: December 20, 2024  
 No of Participants: 55 NSS volunteers  
 Location: Library, Adugod, Bengaluru

**Report:**

The NSS Unit of JSSATE, Bengaluru, organized a one-day camp titled "**Books Segregation Drive**" on December 20, 2024, at a library in Adugod, Bengaluru under the guidance of Dr. Girish N, NSS Programme Officer. This initiative was conducted in collaboration with Campus to Community and Yuvaka Sangha, Jayanagar, with the objective of ensuring equitable access to academic resources for under resourced institutions.

Title: Repurposing of old books  
 Date: 3rd to 5th March 2025  
 No of Participants: 100 NSS volunteers  
 Place: JSSATE, Bengaluru

**Report:**

The NSS Unit of JSSATE, Bengaluru, successfully organized a three-day NSS Camp from the 3rd to the 5th of March 2025 under the guidance of Dr. Girish N, NSS Programme Officer. The camp aimed to foster environmental consciousness, social responsibility, and community service by repurposing old notebooks to create new books. Throughout the camp, 100 enthusiastic NSS volunteers actively participated in collecting, sorting, and refurbishing old notebooks. They assembled approximately **5000 new books**, which will be donated to underprivileged school students, ensuring their access to essential learning materials. By repurposing the old notebooks, the volunteers saved **21 trees**, contributing to environmental conservation.

Title: Republic Day Celebrations

Date: 26th January 2025

No of Participants: About 200 staff and students

Place: JSSATE, Bengaluru.

Report:

The JSS Academy of Technical Education Bengaluru organized a grand celebration on 26 January 2025 to commemorate the 76th Republic Day of India. The event was marked by patriotic fervor, cultural performances, and recognition of selfless contributions, reflecting the spirit of unity and service.

Title: Rejuvenation of GHPS, Attibele, Bengaluru

Date: 15<sup>th</sup> and 16<sup>th</sup> of March 2025

No of Participants: 17 students and NSS Programme Officer

Place: Government Higher Primary School, Attibele, Bengaluru

Report:

The NSS Unit of JSS Academy of Technical Education, Bengaluru, in collaboration with Yuvaka Sangha and Chanakya University, successfully organized a School Refurbishment Training Camp at Government Higher Primary School (GHPS), Attibele, Bengaluru from the 15th to the 16th of March 2025. During this two-day program, the NSS volunteers actively participated in beautifying the school walls with creative artwork. The volunteers painted educational murals, motivational quotes, and colorful designs, transforming the school environment into a more vibrant and inspiring space for students.

Title: Rejuvenation of Government School, Gaanakal, Bengaluru

Date: 2<sup>nd</sup> and 3<sup>rd</sup> of May 2025

No of Participants: 65 students and NSS Programme Officer

Place: Government School, Gaanakal, Bengaluru

Report:

The NSS Unit of JSSATE Bengaluru successfully organized a two-day **School Rejuvenation Drive** at the Government School in Gaanakal, Bengaluru. The event took place on 2nd and 3rd May 2025 and focused on transforming the school environment through creative interventions. Under the guidance of Dr. Girish N., NSS Programme Officer, and in collaboration with Yuvaka Sangha and Volvo, the event fostered community involvement, creativity, and civic responsibility among student volunteers.

Title: Topographical Survey, Bengaluru

Date: 21st March 2025

No of Participants: 6 NSS volunteers and 2 supporting staffs

Place: Doresanipalya Forest, Garvebhavi Palya, Bengaluru

Report:

On 21st March 2025, the 6th-semester NSS volunteers of the Civil Engineering branch from JSSATE Bengaluru conducted a topographical survey at the Doresanipalya Forest, Garvebhavi Palya, Bengaluru. The survey's primary objective was to assess the terrain and identify appropriate locations for rainwater recharge pits. These pits are intended to enhance groundwater replenishment and support sustainable water management practices in the region. The volunteers applied their technical skills in topography, utilizing surveying instruments to measure elevation, gradients, and contour levels. The data collected during the survey will be utilized to create contour maps and determine optimal pit locations to maximize water retention and minimize runoff.
