

## **IEEE-Information Theory Society Student Branch Chapter, Bangalore Section (JSSATEB-IEEE ITS)**

Committee Members for 2025

1. Dr. Nethravathi B,  
Faculty Advisor
2. Mr. Harsha B R  
Chair
3. Ms. Deeksha B  
Vice-Chair
4. Ms. divya Deshpandey  
Secretary
5. Ms. Vishalakshi P L  
Treasurer

About IEEE ITS Student Chapter

The **Department of Information Science and Engineering (ISE)** at JSS Academy of Technical Education, Bengaluru proudly inaugurated the **Student Chapter of the IEEE Information Theory Society** on 3rd May, 2025. This significant milestone reflects the department's commitment to fostering research culture, technical excellence, and global professional engagement among students.

The IEEE Information Theory Society (ITS) Student Chapter aims to actively promote student involvement in core and emerging domains such as Information Theory, Signal Processing, Machine Learning, Wireless Communication, Data Science, and other advanced technologies. The chapter provides a vibrant academic platform for students to deepen their theoretical understanding while exploring practical applications in cutting-edge technological areas.

Through the organization of technical talks, expert lectures, workshops, seminars, coding sessions, and collaborative research activities, the chapter encourages innovation, critical thinking, and interdisciplinary learning. It also facilitates interaction with academicians, industry professionals, and researchers, thereby enhancing professional networking and exposure to global technological trends.

Overall, the IEEE Information Theory Society Student Chapter in the ISE Department serves as a dynamic forum for knowledge exchange, research advancement, and leadership development, empowering students to contribute meaningfully to advancements in Information Technology and allied fields.
